## Spreading Colorful Warmth

Ethel Schwinnen, a member of Landeck council #84, has been very productive for a great contribution to her community. Ethel handcrafted each of the colorful creations pictured below. All-in-all, 28 lap throws were donated to Spring View Manor in Lima, Ohio. Just in time for the cooler weather, these beautiful creations will keep many laps warm and hearts thankful!

## 2021 Scholarship Applications Arriving Soon!

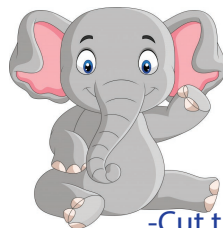

Just a reminder of the Fraternal Benefit for any CLC Member attending a university, college or trade school with the intention of completing an undergraduate, graduate, associate degree or professional requirement. Now is the time to prepare to apply for a CLC scholarship.

Members are eligible to win a \$1000.00 scholarship up to two times during their school years. CLC offers 25, \$1000 scholarships a year to members. Members must have held a life insurance policy with CLC for three years before applying for the scholarship. Eligible students will receive an application in the mail or they may obtain one on theclc.org website.

This is the perfect time to insure your students. The policies will allow them to apply for a scholarship and prepare them for their future. Life insurance makes a great Birthday or Christmas gift and a start for their financial future. Please contact your local agent or the home office at theclc.org or call 1-800-845-0494 for more information.

### REMINDER

You can still get life insurance, even if we don't meet!

### Elephant Stew

- 1 medium sized elephant
- brown gravy to cover
- 2 rabbits
- salt and peper to taste

-Cut the elephant into bite-size pieces. This should take about 2 months.

-Add gravy and cook.

This will serve approximately 3,800 people. If more guests are expexted, add 2 rabbits. Do this only if necessary, as most people do not like to find a hare in their stew.

# Fairy's Facts

The beautiful colors of autumn have exploded! The leaves are falling with the temperatures and the frost is setting in. One thing the Covid pandemic cannot take away from us is the wonder that is fall!

With Covid 19 concerns, CLC remains vigilant. The Home Office stays closed to visitors, the CLC Board continues to meet virtually and all activities and travel for CLC business is cancelled until further notice. This entire process has been inconvenient and has forced everyone to get creative and adjust to new processes to keep business moving safely. This will be the case until a "new normal" has been established and the pandemic is under control.

Following suit, the CLC audit committee was unable to give their report during the Annual Meeting but did meet via email and teleconference this year. After receiving and reviewing all of the documents provided from the Home Office, the committee found no discrepancies in the report. The committee found the audit to be accurate.

In following safety protocol, The Board made the decision to record the 2020 Annual Meeting and have it available to all members this year. You may view the meeting by clicking the link at [theclc.org](http://theclc.org) or on the CLC facebook page. A special thank-you to Chad Hoes, from Parkway Investments, and Steve Niedenberger, from Hosack, Specht, Muetzel & Wood LLP, CLC's auditors, CLC's COO, Loni Perkins and to all of CLC's Board Members for creating their videos for the meeting. New processes are never easy but they all did a great job! The biggest thank-you goes to Celeste Stultz, CLC's Creative Director, for recording, compiling and organizing

the videos into our meeting format. I hope you all get a chance to look at the video. If you have questions or comments please submit them on the website or via email at [society@theclc.org](mailto:society@theclc.org).

As part of the Annual meeting and Make A Difference Day the Board voted to honor our teachers and their schools. With Parkway Investments donation and CLC's donations, the winner of the drawing will receive \$300 and the second name drawn will receive \$200. Also, each teacher nominated will receive \$100. In addition to the individual awards, each nominated teacher's school will receive a \$300 donation in the nominated teachers name. Thank-you to Parkway for their donation and to all of the CLC members that nominated a teacher.

November is a month to honor our Veterans. I believe the best way to honor their hard work and sacrifice is to vote. It is a privilege and a right that they continue to fight for and we should not take for granted. Get out there and vote!

November is also the month of Thanksgiving. This year we have had a lot of turmoil and new ways of doing business. With all the changes CLC is continuing to take care of our clients and business. The Board and I want to thank them for all they do.

I am thankful for many things: my family's health, the grandchildren attending school and the ability to attend church. Our family gatherings have been few and a lot different from years in the past. With the new ways of communicating we are able to text, send pictures and email often. This is definitely a change for me. I hope and pray we can get to a new normal soon.

As you celebrate Thanksgiving, please be smart, be safe, be thankful and stay healthy!

## The time for life insurance is now.

Life changes and priorities shift. But one thing stays the same—how important family is and our desire to protect them. That's why having life insurance is key. It means your loved ones would be OK financially if something happened to you.

You don't need to wait for a big life moment to put this important protection in place. The time for life insurance is now. Get it today.

## 2020 Annual Meeting

### Making Changes For Safety's Sake!

This year has thrown everyone and everything for a loop, pull, unloop and re-loop! As soon as you think you have a handle on the “new normal”, boop, new rules, new worries or new protocol pop up. When push comes to shove a final decision must be made in all situations. While planning the Annual Meeting, we had to do just that. Plans changed again and again and then once again. To make sure we were doing our best to follow CDC guidelines and keep our members, staff and guest speakers as safe as possible we decided to put the Annual Meeting on video this year.

All members have access to the meeting. Please take some time and see what CLC is up to. Go to our website at [theclc.org](http://theclc.org), click on the Annual Meeting link at the top of the home page. If you have any questions send them to [society@theclc.org](mailto:society@theclc.org).

### Making Progress Through A Pandemic

Upper Sandusky Council 86 officers met by email. With the growing cases of Covid 19 and the halting of all CLC meetings and activities, the officers have agreed to hold their offices through 2021. The committees and program book will also remain through 2021. It is our hope that we can begin to meet after the first of 2021. We miss the meetings and our CLC members. Stay safe and be well. We hope to see everyone in 2021! Happy Thanksgiving!

## Make A Difference Day, All About Our Teachers!

CLC's celebration of teachers for Make a Difference Day this year was a success thanks to all of our members who nominated a special teacher. Two teachers were chosen through a drawing. The first place teacher won \$300, the second place teacher won \$200 and all other nominated teachers will receive \$100 each! On top of the individual teacher prizes, each school where the nominated teachers work will receive \$300 each!

Congratulations to all of the nominated teachers.

*O God, when I have food,  
help me to remember the hungry;  
When I have work,  
help me remember the jobless;  
When I have a home,  
help me to remember those who have  
no home at all;  
When I am without pain,  
help me remember those who suffer;  
And remembering,  
help me to destroy my complacency;  
be concerned enough to help;  
by word and deed,  
those who cry out for what we take for  
granted. Amen.*
