Father's Day

Let us praise those men who have "fathered" us in their role as mentors and guides. Let us praise those men who are about to become fathers; may they openly delight in their children. And let us praise those fathers who have died, but live on in our memory and whose love continues to nurture us.

JUNE 2022

Sales Director's Spotlight!

I am excited to say hello and introduce myself to those of you that I haven't yet met. My name is AJ Angelo and I am the new Sales Director for CLC Life Insurance. I have been in the financial industry for over 20 years, but have yet to experience a company like CLC. The standards, ethics, mission along with their great product offerings are what captured my heart to join this unique company.

We have made some enhancements on our already great Life Insurance products, which I will discuss in future articles (You will love them!).

My goal with CLC is to help grow our sales force as well as our Life Insurance business. There is so much to look forward to! Until next time, feel free to contact me with any questions, comments, concerns, or ideas. They are always welcome.

All the Best, AJ Angelo

Welcome This Beautiful Smiling Face!
