## Fairy's Facts

Welcome to 2025. As I was preparing this article I wanted to find information on the New Year, 2025. I discovered that the Catholic Church has declared 2025 a Jubilee Year. A jubilee year is a year of hope and debt forgiveness that occurs every 25 years. The theme for 2025 is "Pilgrims of Hope". The Vatican's logo for the Jubilee Year depicts people from around the world holding onto a cross, with waves below to symbolize the challenges of life's journey.

With all that is going on in the world today the world's challenges are huge. I hope that each of us continue to have hope and meet each of our challenges as the new year progresses. I also pray that peace will come to the struggling countries around the world.

I would like to thank all CLC members for representing CLC throughout the year while volunteering and donating to many charities. Part of being a Fraternal organization is giving to our families, churches, schools and community organizations. I am a firm believer that the more we give the more we receive. Thank-you for your donations and please include them as you report your volunteer hours. You may report your hours at [theclc.org](http://theclc.org).

The Board, staff and I wish everyone a Happy, Safe, Prosperous and Healthy New Year.

**May the coming year bring you boundless opportunities, growth, and memorable moments.**

## Tis The Season!

Merry Christmas and a Blessed New Year from Council #84 in Landeck, Ohio!

### Koffee With Kathi

Hello Friends!!

As we end another year, let's reflect on "the good, the bad, and the blessings."

I am always excited to welcome the end of one year and the beginning of the next. The past brought us a new birth, a couple of engagement rings, and so many other blessings. With 2025 heading this way, we will be watching our grandbaby continue to thrive through God's grace and plan two weddings. So much to be excited about. I know this does not come as easily as it looks on paper. This will all bring its own challenges...."the good, the bad, and the blessings."

I want to personally thank you all for your continued support with CLC and its employees. It is only with your support that we continue to thrive.

May 2025 bring you "the good, the bad, and the blessings."
