Holy Trinity Council 115 recently made their 2019 Charitable Contributions. Another donation was presented to the Voice of Hope Pregnancy Center.

## Encouraging Literacy For The Children in Richland County

Pictured above, Charisse Shick, CLC Board Director presenting a donation check to Christina Rose and Dr. Cecilia Flinn.

The Dolly Parton Literacy program helps promote reading and literacy from early ages. Books are sent to families to help early reading development in Richland County.

When a child is born in Richland County, parents can sign up for this program. The child will start receiving books each month up to the age of 5.

The Board was extremely appreciative and will use the money towards their book fund and purchasing books for children.

### Feature You!

Do you or your council have a story to share? Did you have an event you would like everyone to see? Pictures to enjoy? Shine the spotlight on all of it! Submit your information on our website, mail to the Home Office or email [society@theclc.org](mailto:society@theclc.org)!

### Helping Those Who Help Others

CLC Director, Lydia Rall presents a charitable donation check to The Learning Spectrum, which is a school that provides families with services designed to meet the individualized needs, and related services of children with autism, in and out of the school setting.

Pictured are Stacie McConnell, Director TLS North East, Matt & Emily Leader, with their son, John, who is a new student at TLS.

John is 4 years old, and was diagnosed with ASD when he was 15 months old. He's non verbal and relies on sign language taught at school to help communicate.

### Make Sure You Are Getting The Credit You Have Earned

by Teresa Brodman

How many hours a week do you spend volunteering time at your church, hospital, community, other clubs, and for your family? Do you babysit your grandchildren for free? Do you visit family and friends that are shut ins? Do you help someone elderly with bills or chores? Do you water your neighbors flowers or do other chores while they are on vacation or ill? These are all hours that we can count toward our volunteer hours because we are doing something for someone else and not getting paid for it.

Why do we need this information? By keeping a record of volunteer hours and donations our members and councils contributions will help keep tax exempt status. Keeping this status allows us to continue giving Matching Funds, Charitable Contributions, charity requests and scholarships every year.

How do you report your volunteer hours and donations? We have several options to make it easier on everyone. You may call the Home Office or let your council know. We also have an option to report them online via our website at [www.theclc.org](http://www.theclc.org). If none of that appeals to you, drop us a note in the mail to the Home Office. Every minute counts! Every penny counts! If you are not sure what qualifies as volunteer hours, ask! Keep making a difference and keep reporting it.

### Delicious Winnings!

CLC President Fairy Wagner, CLC Vice President Alice Teynor and CLC Director, Lydia Rall attended the Athens council meeting to present them with their Sweet Treat winnings!

Pictured is all of the beautiful (and delicious) food that was prepared by ladies of the council, and a group photo with Athens council and members of the Board, including CLC Director Viki Snider.

Keep an eye out for information on Athens Council's upcoming ice cream social and a Woman's Retreat happening in September!
