CLC Council #84 Welcomes Author Helen Kaverman

Writer, Helen Kaverman, gave a brief accounting on the memoir of a young Jewish women's life growing up in Germany before, during, and after WWII. This is one of several non-fiction history books that Helen has written. This particular book is called "I can do it!" the life story of Christine Grothouse.

Taking Make a Difference Day Donations Until 10/09

The power to give means more lives are being saved. We are thankful to each and every person who says "yes" to donation. With hundreds of thousands of men, women and children waiting for a lifesaving transplant, they can feel powerless waiting for their donor hero. YOU have the power to help others in need.

A single donor has the potential to save 8 lives through organ donation and heal more than 75 through tissue donation. The ripple effect of one person saying 'yes' to donation is powerful. And that powerful decision is felt by recipients, family members, friends, colleagues and so many more.

Your generous financial contributions will help us provide bereavement and aftercare services to the families of our organ, eye and tissue donors; reach out to the community about donation; and support general operations of the organization. You can be confident your philanthropic gifts are used with compassionate consideration to best serve those in need. CLC will be accepting donations for Lifeline of Ohio through October 09, 2021. Please give!

FAIRY'S FACTS

Welcome to Fall!!! So much has been happening. Our youngest members deserve a great big way to go and good job for all their creativity and hard work they did on the CLC Coloring Contest for 2021. Congratulations to all of the winners! See the winner in this edition of the Index. It is wonderful to see the creativity of all the children. Parents of the contestants, please remember to return the life insurance applications to the Home Office as soon as possible. CLC will pay the life premium for each child meeting the underwriting requirements.

In September, the Board met and received reports from the Audit Committee, Human Resource Committee, Investment Committee and the Board Compensation Committee. All reports were reviewed and accepted by the Board. It was also decided that the interest rates will remain at the current level. The Annual Meeting will be virtual again this year. With COVID cases on the rise again, the Board of Directors feels we need to remain vigilant in order to keep our members healthy and safe. The meeting will be available for you to view on the CLC website October 9, 2021. During the meeting you will hear from CLC's Board members, CLC's COO, along with the Actuary, Investment Advisor and Auditor's reports. Find out how CLC continues to grow and improve. You will also hear the results of the Board Election. Who won the race for a seat at the table?

During the meeting you will have the opportunity to include your donation to Lifeline of Ohio on behalf of CLC. Lifeline of Ohio is the charity CLC chose to help for the Annual Meeting donation effort for Make a Difference Day. As an independent, non-profit organization, Lifeline of Ohio promotes and coordinates the donation of human organs and tissue for transplantation, helping to save and heal lives in Ohio and beyond. For more information on this organization and how they help donors, those in need of donation and their families, check into their website lifelineofohio.org. We have extended the date for contributions to Lifeline of Ohio until October 09, 2021. If you or your council would like to support this great organization, please send your check directly to the Home Office. The checks can be made out to CLC Life Insurance or to Lifeline of Ohio. Please include "charity donation" on the notes line of your check. We will total all donations and include the results in the November Index.

October 1st is National Homemade Cookie Day! This is one of my favorite days of the year! What a great way to make a person's day. Deliver homemade cookies to your friends and neighbors. It is reported that we eat 19,000 cookies in our lifetime. My family and I have eaten our share of that already. I am sure of it!

It is that time of year again! Time to think about Christmas and gift giving. Gift giving can be stressful and CLC is here to help. No wrapping required. No worries if you got the right size. A life insurance policy is a great gift for a friend or family member. Call your agent today! Don't have an agent? Call the Home Office and we can help you with that as well.

I would like to wish you a Happy Halloween and a safe and healthy fall season. Continue to do your part in ending this horrible COVID pandemic.
