Teynor's Making Great Use Of Their Time

Alice Teynor and her husband Dennis were honored for their volunteer efforts by the Ohio District 5 Area Agency on Aging by being chosen 2023 Crawford County Outstanding Senior Citizens.

Alice served as a director for 4 1/2 years on the Catholic Ladies of Columbia Board of Directors, 3 1/2 as Secretary and 4 years as vice president. Alice also held the office of President in her local Bucyrus Council. Although Alice is retired, she still works at the voting polls. She chairs the Buckeye Girl's State program, interviewing junior girls in five schools; she spends nine days at Buckeye Girls State at Mount Union as a volunteer. Alice and Denny volunteer at many community barbecues and is active in the local American Legion. When asked why she volunteers Alice's reply was: "We don't do it for recognition at all, we do it because we love our community, it needs done. Someone has to step up and do it."

Alice is a member of Holy Trinity Church in Bucyrus. She also serves on the church finance committee. CLC is proud to congratulate Alice and Denny on this great award.

Donation Plays Part In Building New Playground Equipment

At the April meeting, Council #40, in Delphos, started their "gas card raffle". They had 300 tickets printed (donated by Janet Seifker). They gave away 10 - \$100 gas cards with each ticket costing \$10.

Our members sold 268 tickets and realized a profit of \$1,680. After receiving matching funds from the CLC home Office they donated \$500 to Delphos St. John Elementary School for new playground equipment.

The council decided to donate to the school because most members had children, grandchildren or great grandchildren attending the school.

What a great way to donate to help build strong children and healthy bodies and minds!

What Is Summer Without An Ice Cream Social?

CLC Athens Council 165 held their ice cream social in September. Along with ice cream and homemade desserts, sandwiches and sides were available for purchase. The members also held a silent auction, 50/50 drawing and several cake walks. All proceeds from the evening will be used by the council to support community members and charitable organizations

Fairy's Facts for October!

September was a busy month for CLC members. I enjoyed attending Athens council's ice cream social and Leipsic council's tailgate party. I enjoy meeting new members and reconnecting with everyone. Through these gatherings the councils are able to continue the support of their communities and members.

I want to thank the CLC Audit and Board Compensation committee members for volunteering their time and talents for CLC. You are appreciated for all you do. If any member would like to gain information on being a CLC committee or Board member, please let me or the Home Office know.

The Board raised interest rates September 1, 2023 on new business. There are also new rates on the in-house exchange program. If your policy has matured, you will receive the new rates when the policy is reissued. For questions on the new rates or renewing a policy, contact your local agent or the Home Office for more details.

I want to welcome Kathi Amstutz as CLC's new Sales Director. She is a great addition to CLC's team.

The Annual meeting will again be held virtually on October 14, 2023. We received such positive member feedback from last year. Members may watch the meeting on CLC's website at theclc.org, or on CLC's Facebook page. You can watch from home or show the video at a council meeting. It is all up to you.

Remember Make A Difference Day is October 28, 2023. Let CLC know what you do to Make A Difference in your council and community. We would love to share your activities and pictures in the Index.

I am looking forward to Fort Jennings Council's bus trip to the Amish country on October 10. Also, Upper Sandusky Council is holding Purse Bingo Friday October 27 at the Upper Sandusky KofC Hall. Doors open at 5 p.m. Food for purchase will also be available.

I attended the American Fraternal Alliance meeting recently. Over 66 million service hours were recorded by the Alliance. It amazes me every year how fraternalism supports our world. CLC is a part of this amazing association. Continue to report your volunteer hours on the website or at your local councils.

Watch your mail for coloring contest information if you had a child/grandchild who entered. Your child's

award and applications are in the mail and headed your way.

October is breast cancer awareness month. Please remember to stay current on cancer screenings as they make a huge difference in our family's health. Early detection is key!

Christmas is fast approaching. A great gift for all occasions, and no need to wrap it, is a CLC policy and membership. CLC membership is available for everyone. The Board and I wish everyone a Happy Halloween and Fall. Continue to stay safe and healthy.

Leipsic Tailgate Party!

Leipsic hosted the Fall tailgate party. Council members from Leipsic, Kalida, Ottawa, New Cleveland, Glandorf, Fort Jennings, Cloverdale, Columbus Grove and Upper Sandusky attended. A light meal along with a 50/50 drawing, bingo and a jitney auction was held to support the council activities.

Pioneer Days Wheel Of Sweets!

Members of the Kalida, Ohio CLC group have a bake good wheel every year at Pioneer Days. Each member is asked to bring in bake goods. Below is a picture of the cakes made by Marlene Schnipke. Fun and delicious!

October is

Breast Cancer Awareness Month.
