(863) 944-5318
1015 NW 34th Terr, Gainesville, FL

About

Although I want to be a multimedia journalist, my dream job would allow me to monetize my various interests. If you or your firm are looking for someone flexible whose skills extend past just one job type, I would be happy to network. My favorite hobbies include writing, photography, design, content creation and music composition.
