## SPEAKER BIO

Dr. Jeannette Diaz-Olivera is a trusted and well-respected leader in the dental hygiene profession. As an empath, she is passionate about humanizing healthcare to improve the patient-provider experience. Jeannette earned dual master's degrees in dental hygiene and public health and a doctorate in health sciences from the Massachusetts College of Pharmacy and Health Sciences University.

Jeannette has worked in various clinical and non-clinical settings including the private and government sectors. Her expertise includes providing in-home dental hygiene care to older adults and individuals with developmental disabilities. She has conducted and published original research about the experiences of men who are dental hygienists. Her additional research interests include qualitative research and grief studies.

Jeannette has been described as approachable, collaborative, and reliable. Jeannette was awarded the 2020 President's Commitment to Diversity Award and was a recipient of the 2021 Sunstar/RDH Award of Distinction. In her free time, Jeannette enjoys spending time with her family, friends, and German Shepherd. Jeannette currently works as a full-time dental hygiene educator at Cerritos College and as adjunct faculty at MCPHS University's dental hygiene graduate studies program.
