

35-23-056 FL v GA Team Trophy Tournament

NOTE: This tournament is a count ALL, team tournament (not cancellation). You may be placed in a class that is mixed by distance, but also by ringer percentage.

For this tournament we try to create classes that do not have multiple pitchers from the same team. But ALL points and ALL ringers count, so just

pitch your very best and try to make the most points possible because all the points for each team member will be added up and the winning team

will be the one with the MOST total points.

We'll pitch 40 shoe games, double alternate pitching. The starting pitcher will call both scores starting with their own (Example: "Four three" would indicate that the starting

pitcher has a ringer and a point and the opponent has a ringer).

No handicaps are assigned on the classes themselves but we will have a handicap based on the 100% handicap chart (posted). This is the number of points

added to each pitcher's game.
