

When sending us heads, please provide your contact information and complete either the yellow or blue highlighted questions below and put this Work Request in the box with your heads.

Customer Name:
Address:
Phone:
Email:

Bike year/make/model: _____

M8 heads only (choose one): stock valve +1mm +2mm

Required combustion chamber volume (cc's)

Or ... if we calculate for you, we need all the following blanks filled in:

- Bore
- Stroke
- cc's Piston/dome dish volume in cc's.
And/or Piston kit manufacturer and part number
- degrees Cam specs, specifically intake closing in degrees.
And/or Cam manufacturer and part number
- Head gasket thickness

We have a lot of piston and cam specs on file. We may have specs for the blue shaded areas - if you have the part numbers you are using please provide those.

Again, you must fill in completely either the yellow highlighted area or the blue highlighted area before we start your job.

Thanks!
