

This also reduces public neglect – trash decay disuse etc

Vacancy by multiple definitions

- 1) City standard – no utilities classified as unlivable for a variety of reasons
- 2) Grandma Willy is absent because she is deceased and next of kin have both taken control or various other reasons for negligent ownership resulting in defacto vacancy, if violations can be gathered this builds the case. Hence the action and data etc

What classifies has code violations?

Action Baybrook will list top-most common housing code violations on website – 2 months

You can call 311 to describe the concern and they can codify it for you

Can we define the properties to watch?

Jan has a top 3, but encourages other properties to be adopted

524 E Patapsco, 3626 5th street, 3705 4th st

Goal long term is 15 properties over 18 months

Q 208 Washburn – Can that be a target, problem with that property?
