

Going Potty!

We are often asked for advice regarding potty and toilet training. Obviously we are really happy to discuss this with you on an individual basis and to work with you to support this important developmental stage in your child's development.

We have however, attached a Toilet Training Tips sheet that you may find useful. Also, one of our parents has recommended the following book that has proven beneficial for their family:

'Oh Crap! Potty Training: Everything Modern Parents Need to Know to Do It Once and Do It Right' Jamie Glowacki

<https://www.amazon.co.uk/Crap-Potty-Training-Everything-Parenting/dp/1501122983>

Best wishes

Erica, Kim
