Dear Honorable [Presiding Judge/Judge](#) and other Respondents:

Please note, I have been informed the court sold bonds and/or securities bearing the name JOHN JAMES DOE, under SSN XXX-XX-XXXX, without my knowledge and consent, which I believe is securities fraud, as well as breach of your fiduciary duties. While I am not making such an accusation at this time, I am giving you an opportunity to rectify the situation. Enclosed you will find GSA forms OF90; Release of Lien on Real Property, OF91 Release of Personal Property from Escrow, SF28; Affidavit of Individual Surety, SF24 Bid Bond; SF25; Performance Bond and SF25A; Payment Bond. These bonds authorize you to order the release of the defendant/surety from prison and/or conditions of release. I demand to be released immediately. I also request that the record for Case Number(s) be amended to reflect the proper accounting to maintain the integrity of the data used in the national matching program.

It is my intent, through use of these government forms, to provide the remedy to settle and close the case and all associated accounts. It is my understanding that the defendant/trust has been an agency/vessel of the United States since August 12, 1949, and a resident of the State of Ohio. 26 USC 2031 (see 2652: definition of a trust - "any arrangement that has the effect of a trust is a trust whether it is called a trust or not") [ Insinuation (Blks 8th and 5th), any time a deed is recorded by insinuation, it's called a donation](due to the fraud of the secrecy)[2046 Balance sheet], [1041 instruction booklet pg. 2,6 and 13] 6209 decoding manual; Title 12 sec 1813 L-1 "Any note deposited in a demand deposit account becomes the equivalent of cash and is a cash proceed. RCW 62A.3-104(e)[UCC 3-104 E] "any note is a liability instrument or it can be treated as a draft" endorsed on the back as payee and Kentral-Que:Man was the payor as in a check I am the contracting officer for said trust, and no contracts are entered into without my signature. The trust known as JOHN JAMES DOE, account #XXX-XX-XXXX, has a bonded escrow account located at the DTC, from where all necessary funds may be accessed. (26 USC 2611 defines a "skip person" as a trust) including all incidents stemming from, relating to or having any relationship to from or with Lewis

County Washington for and on behalf of beneficiary Joe-Cold:Sixpack. This fraud was brought upon the Court when, as co-fiduciary trustees, they represented the plaintiff/ principal(s) to be the above listed plaintiff/principal(s) knowing that the Securities and Exchange Commission (SEC) SQ/SA and 424b5 prospectus filing(s) listed different entity(s) ownership(s) and I believe that no evidence to the contrary exists. The above named Administrators, Executors, Representatives and Fiduciary Trustee's while acting in their official capacities agree to hold the Grantor/Beneficiary Kentral-Que: Man harmless from any liability or loss by indemnification and bond from any and all possible taxable terminations, transfers, distributions, direct skips originating from the Legal Estate of the Decedent JOE COLD SIXPACK political commercial account No, 123456789. At the expiration of 72 HOURS of the date of this Indenture Agreement, Indemnity Bond, without the total and complete correction of the record will constitute a breach of contract with a summary judgment and an international commercial Notice of lien on the real and movable property, malpractice bond(s) and non performance bond(s) of each and every Co-Fiduciary/ Trustee and Co-Administrator, and all others similarly situated, et al, to be offered to the international community for execution.

This appointment will not be affected by the addition of additional Co-Administrators and Co-Fiduciary Trustees. from time to lime by the Grantor Beneficiary Kentral-Qee: Man, {Beatty v Guggenheim Exploration Co. 122 NE 378 (/9/9). 225 NY 380. 119 NE 575.223 NY 294 (/9/8). Land mark case all constructive trust} as they become known. FAILURE TO CORRECT THE RECORD AND SETTLE THE ACCOUNT WITHIN 72 HOURS will constitute a Trust ex maleficio and will result in a claim of Fiduciary Trust FRAUD for the wrongful conversion of beneficiary Stacy Paulette: McGuire's beneficial interest including the conversion of counterfeited securities and obstruction of justice with a claim to the Criminal Tax Division of the Internal Revenue Service for Criminal tax evasion of \$500,000.00 including but not limited to many years in prison ( Trezevant v. City of Tampa] and 1099OID and 1099C showing you as the recipient of the funds on this taxable instrument(s) and the international community for the execution of penalties for counterfeit securities issued against the Joe-Cold: Sixpack and without any AGREEMENT.

Your failure to do so will be certified as fraud on your part, pursuant to *U.S. v. Tweel*. Please note that the court's comments are directed to Internal Revenue Service employees, and apply equally to all government employees.

We cannot condone this shocking conduct. . . . If this is the case we hope our message is clear. This sort of deception will not be tolerated and if this is routine it should be corrected immediately.” *U.S. v. Tweel*, 550 F2d 297, 299-300

**YOUR RESPONSIBILITY.** I understand it may take 60 days to process the enclosed bonds, but I require a good-faith letter from you, **within 30 days of the postmark on this communication**, acknowledging receipt of the bonds and your good-faith intention to process the bonds and release me, or in the alternative, your affidavit and bond in support of your claim of a defect in the bonds.
