

Lamar Women's Lacrosse

Community Sponsorship Program

Lamar Women's Lacrosse is a highly competitive Division One team, in the Texas Girls High School Lacrosse League (TGHSLL). Our division includes both public and private school opponents including, Cy-Fair, Episcopal, Kingwood, Kinkaid, Memorial, St. John's, and the Woodlands.

We are affiliated with Lamar High School, however, as a non-UIL sport we do not receive financial support from HISD and therefore rely on fees, fundraisers, and donations to cover operating expenses. We strive to offer the opportunity for girls in the community surrounding Lamar High School to learn to play lacrosse and enjoy all the benefits of being part of a competitive team.

In order to continue to be able offer the opportunity to girls in the surrounding area and not substantially increase our fees, we need community support.

What can you do to help us? Lamar Women's Lacrosse is a registered 501(c)3 non-profit organization and monetary contributions are tax-deductible to the extent permitted by law. Your generous donation would make a big difference to our program. Please review our levels of sponsorship on the next page and consider becoming a valued Community Sponsor of the Lamar Women's Lacrosse Program.
