*Welcome* to our ninth annual Namken Red Angus Production Sale! This marks the twentieth year of selling Red Angus bulls. We would like to thank all of our new and repeat customers for your interest in our program. Without your support we wouldn't be able to keep doing what we love, raising Red Angus cattle.

A lot has changed since this letter last year. However, one thing has stayed the same, the strong demand for high quality cattle. I believe this is one of our deepest set of bulls yet. It was exciting to watch this set develop. If you study the pedigrees on this offering, you will find many unique and outcross bloodlines. Therefore, these bulls can be mated to many popular bloodlines. This has taken many years to build and even a few black angus lines were used along the way. With that being said, even if the red hided bull has a black bull in the pedigree, as long as he is red and bred to red cows, the progeny will be red. All the black bulls and heifer in the offering have a red gene and a simplified chart can be found on page 15.

We are again offering bulls and registered replacement females from P4 cattle, and commercial replacement females from Arlen Boehnke and Adam Hartley. Feel confident in purchasing cattle from these consigners as they have reputable lots throughout the offeriwwng.

If you have any questions on the offering or need assistance in your selection, please contact us. We try our best to depict animals in the photos and videos as best that we can. Better yet, come to the sale February 28, 2021 and see for yourself!

*Sincerely,*  
*Jared & Lacey Namken*

This Prosperous son blends style, balance, base width, bone, lower 1/3 dimension, a correct structure in a soft package that will catch your eye when you enter the pen. WW and YW ratios of 102 and 106 with a 110 ADG ratio. His Endorse dam has a 102 MPPA and is the grand dam to the 96H heifer. 15H is one of my favorites.

If you are wanting to open up some tight ribbed cattle and add some three dimensional shape, here he is. Wide based, great lower 1/3 rib shape, wide pinned and soft enough made. His sire was the high selling bull in our 2015 sale.

Here is the highest performing bull suitable to use on heifers in the offering. With WW and YW ratios of 107 and 110 along with over a 4lb ADG, he may be the most complete low birth bull in the offering. The flush we made to create his mother and her five sisters has been a great investment. **Suitable to use on heifers.**

A minority in the Red Angus breed. Finding lower 1/3 rib shape, base width, pin width, masculinity, top shape, great performance, good feet, and moves like a cat. Even the boys clipping were overheard saying "this one has a big top." Top to bottom, front to back, this one may catch your attention sale day. He is the bull on the front cover.

Very rarely do I ever get excited when something is out of a first calf heifer. Here is an exception. Study the base width, length, lower 1/3 rib shape. Next, look at the pedigree, Hard Drive, Max 862U, SAV Resource, and Rob Roy. It is loaded with female makers and performance. Hugo is a true performance bull with a WW ratio of 110, YW ratio of 122 ranking first, ADG of a 5.18lbs per day ranking first, and a WDA of a 4.1 ranking him first. Don't miss this one!

Great front end extension, and eye appeal. The show jocks call her the show heifer of the offering. You can be the judge. She will make a great cow even if she isn't pulled around on the tan bark. Her maternal grand dam raised the 15H bull in the offering.

Angular, soft made, wide pinned broody female. Dam has a 102 MPPA. Will make a great cow.

# Thank You

to all the help throughout the year. Whether it be processing cattle, driving tractor, helping with the sale, watching kids, or anything else. You are all greatly appreciated!

## **30 Commercial Heifer Consignments**

Once again we will offer commercial replacement heifers. These heifers are consigned by Arlen Boehnke and Adam Hartley. Arlen and Adam have been customers for quite a few years and are always striving to better their herd. These home raised heifers will be palpated, poured, and bangs vaccinated and ready to breed. The average weight will be available sale day. These heifers will be sold gate cut with the winning bidder able to take the number of head he or she desires. This is a fancy set of heifers. Don't miss this opportunity!

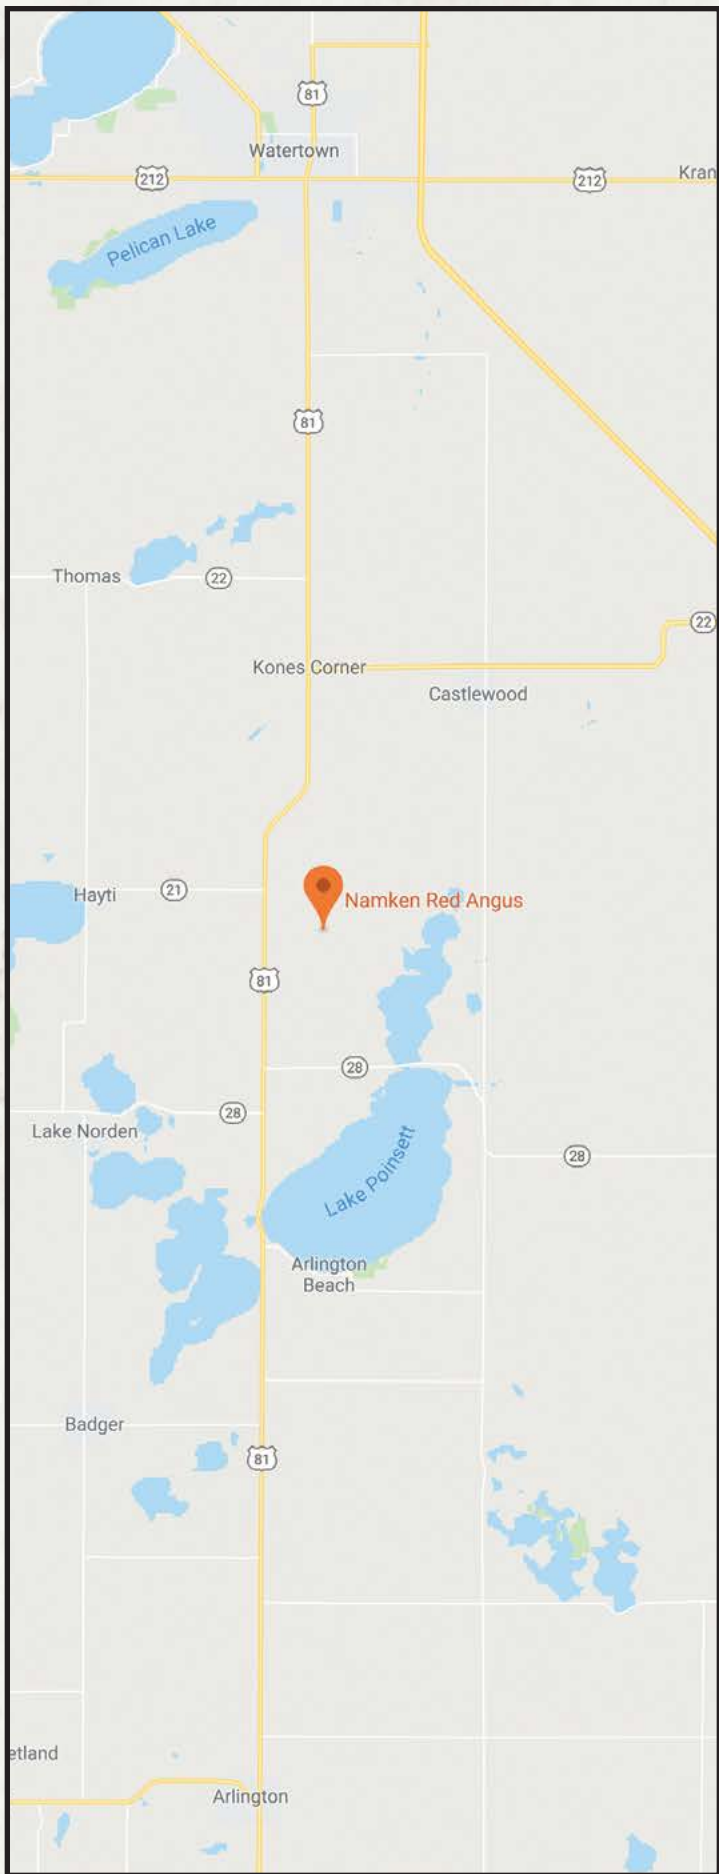

**Boehnke Family**

**Hartley Family**
