www.namkenredangus.com

Welcome

to our seventh annual Namken Red Angus Bull Sale! This marks our eighteenth year of selling registered Red Angus bulls. We feel very fortunate to be your seedstock provider. We would not be able to chase our dreams without you all and we thank you for your continued support. We are again offering a maternal set of bulls that have been tested for average daily gain, carcass ultrasounded, and will have passed a semen test before they leave our place. We typically cull 20% of the cow herd annually for productivity, feet, legs, udders, disposition, or anything else. The Namken calves have not been creep fed. This allows us to determine which cows truly milk and breed back. The bulls have been developed on a 46Mcal ration created by Josh Nelson of J&R Feeds. Again these bulls are not overly fleshy. We feel these bulls are developed on a high roughage ration for longevity so our customer will receive a maximum return on their investment. P4 Cattle Company, the Popham family is again a guest consignor in the sale. We have included more herd sires used than normal. Between Namken Red Angus and P4 Cattle, we purchased over 20 head of females from the Leddy Dispersal in 2017 and a couple other sales. These have turned out to be some great cows so we feel very confident in these bulls!

We are excited to be adding an offering of registered replacement heifers, along with our commercial heifers again this year! These heifers are straight out of our own replacement pen and should make a nice addition to anyone wanting to start a Red Angus herd or add to their own. Again we will be offering approximately 100 head of commercial replacement heifers from the Nelson, Boehnke, and Hartley families.

We hope you are able to attend the sale on February 24th! If you cannot attend, we will have a conference call available. If you choose this option, please call Sunday morning for the number and password. If you have any other questions please feel free to call anytime. We hope to see you at the sale!

Sincerely,

Jared, Lacey, Paisley & Cooper Namken

DIRECTIONS From Watertown, SD: South on US Hwy 81 until the Hwy 81 and SD Hwy 21 Junction, keep going 1 mile south (to 189th St), then 1¼ miles east. From Arlington, SD: North on US Hwy 81 until the junction of SD Hwy 28, keep going 3 miles north (until 189th St), then 1¼ miles east.

SEMEN TEST Every bull will pass a semen test before it leaves.

SEMEN INTEREST We will retain 1/3 semen interest in every bull in the sale for in herd semen use if so desired. Buyer has 2/3 semen interest, full possession and salvage value.

ULTRASOUND Data will be available.

VOLUME DISCOUNT We will give a 10% discount on the 10th bull purchased from Namken Red Angus over any period of time. This allows even the smallest buyers to receive volume discounts! For your convenience, Namken Red Angus will keep track of your number of purchases.

TERMS The terms of the sale are cash and the right of property shall not pass until after the settlement is made. All settlements must be made immediately following conclusion of the sale as no cattle will be released until settlement has been made.

CONDITIONS All cattle sell according to the suggested Terms and Conditions of the Red Angus Association of America.

PURCHASER'S RISK Each animal becomes purchaser's risk as soon as the auctioneer says sold.

ANNOUNCEMENTS Any announcements or changes stated from the auction block will take precedence over any printed material. We are human and do make mistakes however, we will correct them to the best of our ability.

LIABILITY Neither owners, sale managers, auctioneer, clerks nor anyone connected with this sale in any way assumes responsibility, legal or otherwise, for damages of any kind.

CONFERENCE CALL BIDDING Conference call bidding will be available but call Jared for a confirmation number (605) 881-3845 prior to the sale. This sale will NOT be broadcast on the internet.

VIDEO Videos may be viewed at www.namkenredangus.com. This sale will not be broadcast on the internet.

The cover picture bull. If you want a bull that will add three dimensional shape whether it be top shape, rear quarter, or that captious middle to intake plenty of forage, here he is. He was certainly a fan favorite in pasture tours this summer. This Endorse son posts a 107 WW ratio. His dam is a consistent producer with a tidy udder and great feet.

The highest performing Academy son with a 112 WW Ratio. His dam 15R, is a beautiful 14 year old Monu 4X daughter with a perfect udder. 15R has been a matriarch in our herd stemming back to the first group of cows we ever purchased out of Canada from the Koran Stock Farm herd. Maternal brothers have sold to Eggleston, Rieck, and Tekrony.

A moderate framed Academy daughter with a little shorter ears. Some call that maternal ability.

Congratulations Tyler on exhibiting the Roberts County Fair Grand Champion Steer!

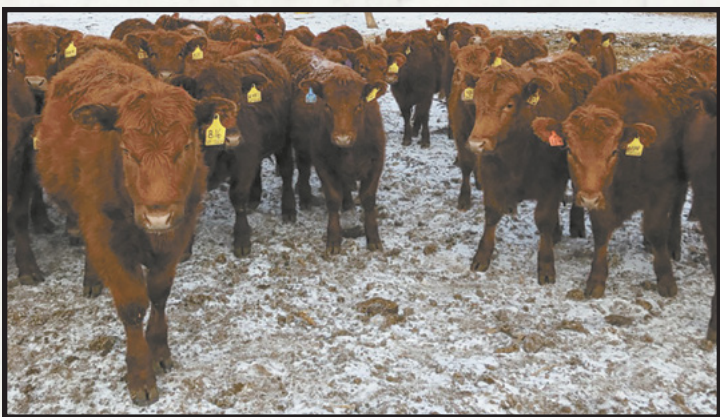

Commercial Heifer Consignments

Back by popular demand, we will again be offering approximately 100 commercial replacement females for sale. These commercial Red Angus replacement heifers are consigned by the Nelson family from Willow Lake, and Arlen Boehnke and Adam Hartley from Henry. These consignors have been great customers over the years and are always striving to better their cow herd. These home raised heifers have been palpated and considered breedable, bangs vaccinated, and poured. These females will be penned with a group weight by consigner. The winning bidder will have the opportunity to take one head on up to the entire pen. If the entire pen is not chosen, they will be sold as gate cut. Here is a solid set of commercial replacements that are hard to find. Be prepared for this opportunity!

Boehnke/Hartley Families: 35 Head

Jake Nelson Family: 65 head
