

## Kitten Questionnaire

We love our kittens like family and care about the home which we place them in. These questions are to help us get to know you better and determine if our kittens are a good fit for your home, and also to help place the right kitten based on his or her personality.

All of our kittens are sold as a pet and will NOT be used for breeding, with registration papers given after proof of altering your pet. Do you agree to this?

Why do you want a Scottish Fold or Scottish Straight?

Do you have any other pets? Why types and ages?

Do you have children and if so what ages?

How many hours per day can you give to your new kitten?

Do you rent and if so, do you have permission to have a cat?

Are you reserving a straight eared, folded eared, or no preference? Male or Female?

Any other additional information you would like to add?

Reservation amount of \$250 will go towards the purchase of the kitten at the time of sale. Reservation amount is non-refundable, unless we do not have the kitten you requested with the next litter. Kittens will be available at a minimum of 12 weeks old. I understand that I am reserving a kitten from the next available litter.
