

## INDEX

AAA	.....	<i>See</i> abdominal aortic aneurysm
Abdominal aortic aneurysm (AAA) resection, endovascular repair (EVAR)	.....	672
Abdominal aortic aneurysm resection, open	.....	676
Abdominal aortic aneurysm ruptured dissection, open	.....	680
Abdominal laparotomy	.....	728
Abdominal perineal resection (APR)	.....	<i>See</i> pelvic exenteration
Abdominal tumor resection or biopsy (pediatric)	.....	1246
Abdominal/GI surgery chapter	.....	725
abdominal/GI surgery antibiotics	.....	725
abdominal/GI surgery pearls	.....	726
Abdominoperineal resection (APR)	.....	779
Abdominoplasty	.....	1156
Abortion	.....	<i>See</i> dilation and evacuation
ACDF	.....	<i>See</i> anterior cervical decompression and fusion
Acetabulum, open reduction and internal fixation fractures of	.....	1074
Achalasia	.....	740
Achilles tendon repair	.....	1097
ACL repair (anterior cruciate or collateral ligament tears)	.....	1088
Acoustic neuroma, removal of	.....	114
Acromioclavicular (AC) joint separation, correction of	.....	1038
Acute kidney injury (AKI)	.....	<i>See</i> renal failure, acute risk factors for
Acyanotic lesions (left-to-right shunt)	.....	1212
atrial septic defect	.....	1213
patent ductus arteriosus	.....	1219
ventricular septic defect	.....	1235
Adductor lengthening, hip muscle release	.....	1284
Adnexal mass, surgery for	.....	946
Adrenal pearls	.....	381
adrenal cortex	.....	381
adrenal medulla	.....	382
Adrenalectomy	.....	393
AICD	.....	<i>See</i> automated implantable cardioverter defibrillators
Airway fire protocol	.....	432
ALS	.....	<i>See</i> amyotrophic lateral sclerosis
Alpha beta dopa chart	.....	42
Alveolar cleft repair	.....	1190

Alzheimer's	19
Amicar (Aminocaproic Acid)	56
Aminophylline	56
Amiodarone (Cordarone)	57
Ampicillin	1
Ampicillin/Sulbactam (Unasyn)	1
Amputation of the lower extremity	
above knee	See knee amputation, above
below knee	See knee amputation, below
disarticulation of the hip	See hip amputation, disarticulation
toe or foot	See top or foot amputation
Amrinone (Inocor)	57
Amyotrophic Lateral Sclerosis (ALS)	19
Anal fissure and lateral sphincterotomy excision	791
Anal fistulotomy	See fistulotomy, anal
Anaphylactic shock	44
Anaphylaxis	22
Anemia in liver disease	815
Aneurysm, intercranial	111
anesthetic management goals	112
cerebral vasospasm	112
craniotomy for intact intracranial	118
grading (Hunt and Hess clinical grading system)	114
intracranial	111
intraoperative rupture of	125
preoperative rupture and subarachnoid hemorrhage	127
triple-H therapy (hypervolemic, hypertensive, hemodilution)	112
Ankle arthrodesis	1100
Ankle arthroplasty, total	1020
Ankle arthroscopy	1033
Ankle arthrotomy	1101
Ankle fractures, open reduction and internal fixation	1102
Ankle ligaments, repair/reconstruction	1103
Anterior cruciate or collateral ligament (ACL) repair	1089
Anterior resection of sigmoid colon (low) and rectosigmoidostomy	781
Antibiotic, surgical redosing guidelines	1
Antiemetics	30
Antiemetics, AChM <sub>1</sub> – (Acetylcholine-muscarinic) receptor antagonist	31
scopolamine	31

Antiemetics, butyrophenones.....	31
droperidol (Inapsine).....	31
haloperidol (Haldol).....	31
Antiemetics, main classes .....	30
AChM <sub>1</sub> acetylcholine-muscarinic receptor antagonists .....	31
dopamine 2 receptor antagonists.....	30
serotonin receptor antagonists.....	30
Antiemetics, dopamine 2 antagonists .....	30
metoclopramide (Reglan).....	30
butyrophenone.....	31
phenothiazines.....	31
Antiemetics, phenothiazine.....	31
Prochlorperazine (Compazine) .....	31
Promethazine (Phenergan).....	31
Antiemetics adjuncts.....	32
antacid, non-particulate.....	32
benzodiazepines .....	32
corticosteroid.....	32
histamine1 receptor antagonists.....	32
histamine2 receptor antagonists.....	32
NK-1 receptor antagonists .....	32
Antihistamine H <sub>1</sub> blockers	
diphenhydramine (Benadryl) .....	32
Antihistamine H <sub>2</sub> blockers .....	32
cimetidine.....	32
famotidine .....	32
nizatidine.....	32
ranitidine .....	32
Antithrombin III (AT III, Thrombate III) .....	58
Antrostomy, intranasal.....	358
Aortic arch aneurysm, open repair.....	682
Aortic cross-clamp.....	69
Aortic shunt.....	73
spinal cord perfusion.....	71
Aortic dissection pearls.....	670
definition and classification .....	670
clinical presentation .....	671
medical management .....	671
anesthetic goals .....	672

Aortic regurgitation (AR) .....	630
Aortic stenosis (AS).....	628
Aortic valve repair (balloon aortic valvotomy) .....	630
Aortic valve repair (open chest).....	632
Aortic valve replacement (open chest) .....	634
Appendectomy .....	766
APR (Abdominoperineal Resection) .....	779
Arm lift.....	<i>See</i> brachioplasty
Arteriovenous (AV) fistula or shunt .....	697
Arteriovenous Malformation .....	113
surgical resection/embolization (adult).....	132
surgical resection/embolization (pediatric).....	1181
Artery of Adamkiewicz.....	71
Artery thrombectomy/embolectomy, femoral .....	700
Arthrodesis of lower extremity	
ankle arthrodesis .....	1100
hip arthrodesis .....	1077
knee arthrodesis .....	1090
Arthrodesis of upper extremity	
thumb joint.....	1066
wrist arthrodesis .....	1068
Arthroplasty of lower extremities .....	1020
ankle arthroplasty, total.....	1020
hip arthroplasty, minimally invasive.....	1021
hip arthroplasty, total .....	1023
hip hemiarthroplasty, replacement femoral head.....	1026
knee arthroplasty, total.....	1027
Arthroplasty of upper extremities .....	1016
elbow arthroplasty, total.....	1016
shoulder arthroplasty, total.....	1017
Arthroscopy of lower extremities .....	1033
ankle arthroscopy .....	1033
hip arthroscopy.....	1035
knee arthroscopy .....	1036
Arthroscopy of upper extremities .....	1030
elbow arthroscopy.....	1030
shoulder arthroscopy.....	1031
Artificial urinary sphincters .....	<i>See</i> urinary sphincters
Ascending thoracic aortic aneurysm, open repair .....	686

Ascites in liver disease.....	815
ASD.....	<i>See</i> atrial septal defect
Aspiration.....	23
Atrial septal defect repair (ASD).....	1213
Augmentation cystoplasty.....	<i>See</i> bladder augmentation
Automated implantable cardioverter defibrillator.....	<i>See</i> AICD
AV fistula or shunt.....	<i>See</i> arteriovenous fistula or shunt
AVM.....	<i>See</i> arteriovenous malformation
AVM Spetzler and Martin Grading System.....	113
Awake craniotomy.....	<i>See</i> craniotomy, awake
Axillary node dissection.....	466
BAER or BAEP.....	<i>See</i> Brainstem auditory evoked responses
Baker's cyst.....	<i>See</i> popliteal cyst
Balloon aortic valvotomy.....	<i>See</i> aortic valve repair
Balloon mitral valvotomy [BMV].....	<i>See</i> mitral valve repair
Bariatric surgery.....	758
body mass index formula.....	758
ideal body weight formula.....	758
Bartholin duct cyst.....	<i>See</i> marsupialization of Bartholin duct
Base deficit (BD).....	54
BBB.....	<i>See</i> blood brain barrier
Beck's triad.....	50
Belt lipectomy.....	<i>See</i> lipectomy
Bile duct tumor, excision.....	836
Billroth I and Billroth II.....	<i>See</i> gastrectomy, subtotal
BIS™ Monitor (Bispectral Analysis).....	92
Biventricular pacemaker FYI.....	579
Bladder augmentation.....	883
Bladder exstrophy repair.....	1276
Bladder slings.....	895
Bladder substitution surgery.....	892
Bladder, transurethral resection of lesions of the (TURB).....	915
Blebs/bullae, excision of.....	512
Blepharoplasty, cosmetic.....	1122
Blepharoptosis repair.....	279
Blood Brain Barrier (BBB).....	82
BMI (Body mass index).....	758
Body cast.....	<i>See</i> spica cast
Brachial plexus surgery.....	1040

Brachioplasty (arm lift).....	1164
Brachytherapy.....	<i>See</i> prostate seed implantation
Brain and cranium, neurovascular surgeries.....	114
Brain edema and swelling causes.....	82
Brain herniation, types.....	81
cingulate	
classic	
transcalvarial	
uncal	
Brain tumors.....	109
anesthetic management.....	111
infratentorial brain masses.....	110
supratentorial brain masses.....	109
Brain tumor surgery.....	<i>See</i> tumor, craniotomy for brain
Brainstem Auditory Evoked Responses (BAER).....	97
Branchial cleft cyst tract excision.....	1192
Breast biopsy, open.....	467
Breast biopsy with needle (wire) localization.....	468
Breast implants.....	1140
Breast reconstruction FYI.....	479
Breast reconstruction using latissimus dorsi myocutaneous (LDM) flap.....	481
Breast reconstruction using TRAM flap; pedicle or free TRAM graft.....	481
Breast surgery chapter.....	466
antibiotics for plastic/breast surgery.....	466
pearls.....	466
Brevibloc (Esmolol).....	58
Bronchoplastic resection.....	515
Bronchopleural fistula repair.....	517
Bronchopulmonary lavage.....	521
Bronchoscopy, flexible.....	493
Bronchoscopy, rigid.....	495
Brow lift.....	1125
Bunionectomy (exostectomy).....	1104
Burch retropubic colposuspension.....	<i>See</i> vesicourethral suspension
Burns.....	21
Burns, prevention.....	25
CABG.....	<i>See</i> coronary artery bypass graft
Caldwell-Luc procedure.....	<i>See</i> antrostomy, intranasal
Canthorrhaphy.....	281

Canthotomy.....	282
Capnometry, sublingual.....	55
Capsule endoscopy.....	<i>See enteroscopy</i>
Capsulotomy.....	1143
Cardene (Nicardipine).....	58
Cardiac ablation.....	<i>See cardiac mapping</i>
Cardiac mapping and ablation procedure, transvenous.....	595
Cardiac surgery chapter.....	570
antibiotics.....	570
blood vessel response to alveolar hypoxia.....	573
cardiac anesthetics FYI.....	575
cardiac hemodynamic effects from disease states of heart.....	572
cardiac, oxygen consumption and balance.....	573
cardiac patient preoperative assessment.....	574
cardiac temperature and metabolic demand.....	573
hemodynamic chart - blood pressure and pulse pressure.....	570
hemodynamic chart – cardiac output, index, and coronary PP.....	571
hemodynamic chart - ejection fraction.....	571
hemodynamic chart - end-systolic and -diastolic volumes.....	571
hemodynamic chart – left atrial and ventricular pressures.....	571
hemodynamic chart – left and right ventricle stroke work and index.....	572
hemodynamic chart - pulmonary artery occlusion pressure.....	571
hemodynamic chart - pulmonary artery pressures.....	571
hemodynamic chart – pulmonary vascular resistance and index.....	572
hemodynamic chart – right atrial pressure and CVP.....	570
hemodynamic chart – right ventricular pressure.....	570
hemodynamic chart - stroke volume and index.....	572
hemodynamic chart – systemic vascular resistance and index.....	572
venous oxygen content (SVO <sub>2</sub> or MVO <sub>2</sub> ).....	573
Cardiac resynchronization.....	<i>See biventricular pacemaker insertion</i>
Cardiac tamponade.....	49
Cardiogenic shock.....	44
Cardiovascular Implantable Electronic Devices - CIED.....	575
Cardioversion.....	599
Cardizem (Diltiazem).....	59
Carotid arteries.....	73
carotid bodies.....	74
carotid sinus.....	73
common carotids.....	74

external carotids .....	74
internal carotids.....	74
Carotid endarterectomy (CEA) .....	702
shunt.....	704
stump pressure .....	703
Carpal bone(s) fracture, open-reduction .....	1059
Carpal tunnel release.....	1060
Cataract extraction with intraocular lens implant (IOL).....	321
CBF .....	<i>See cerebral blood flow</i>
CEA.....	<i>See carotid endarterectomy</i>
Cefazolin (Ancef, Kefzol).....	1
Cefuroxime (Ceftin, Zinacef).....	1
Cerebral aneurysm .....	<i>See aneurysm, cerebral</i>
Cerebral blood flow (CBF).....	75
autoregulation .....	85
how to alter with interventions .....	87
how to alter with pharmacology .....	85
pressure autoregulation .....	84
regulation of.....	76
Cerebral embolectomy, craniotomy for .....	139
Cerebral metabolic rate (CMRO <sub>2</sub> ).....	77, 84-85, 1293
Cerebral metabolic rate of glucose consumption (CMRGI) .....	75
Cerebral oxygen-metabolism flow coupling.....	84
CO <sub>2</sub> responsiveness with cerebral vessels .....	85
coupling, acceptable uncoupling (luxury perfusion) .....	84
coupling, unacceptable uncoupling.....	84
coupling, unacceptable uncoupling.....	84
how anesthetics affect flow coupling.....	106
Cerebral palsy .....	21
Cerebral Perfusion Pressure (CPP) .....	76
affect on EEG.....	76
transducer levels with positioning .....	8
Cerebral protection.....	85
Cerebral spinal fluid.....	78
normal values .....	78
formation.....	78
circulation .....	78
absorption.....	79
circulation difficulties .....	79

Cerebral vasospasm .....	112
Cerebrospinal fluid.....	<i>See</i> CSF
Cerebrospinal fluid (CSF) leak repair.....	145
Cervical cerclage.....	988
Cervical decompression and fusion, anterior and posterior approaches.....	219
Cervical decompression and fusion, anterior approach (ACDF).....	210
Cervical decompression and fusion, posterior approach .....	215
Cervical ligature.....	<i>See</i> cervical cerclage
Cervical sympathectomy.....	<i>See</i> sympathectomy, cervical
Cervix, conization and biopsy.....	961
Cesarean section, birth.....	989
Cesarean section, emergency.....	993
Chalazion, excision of.....	284
CHD .....	<i>See</i> congenital heart disease
Chest tube.....	<i>See</i> thoracostomy, closed
Chest wall resection and/or reconstruction .....	561
Chin prosthesis.....	<i>See</i> genioplasty
Chin reduction.....	<i>See</i> mentoplasty
Choanal atresia (CA) repair .....	1194
Cholecystectomy.....	839
CIED .....	<i>See</i> cardiovascular implantable electronic devices
CIED, lead extraction from.....	593
CIED manufacturer contact information .....	583
CIED manufacturer, what they will need to know .....	583
CIEDs, procedure-specific risk to.....	581
electrocautery.....	581
electroconvulsive therapy .....	582
lithotripsy .....	582
MRI.....	582
radiation therapy .....	582
radiofrequency ablation .....	582
CIEDs, reprogramming and/or magnet response and use.....	584
CIED, what you need to know preoperatively if patient has .....	583
Circle of Willis.....	74
anterior vessels feed.....	74
posterior vessels feed .....	74
Circumcision.....	1278
Cirrhosis in liver disease.....	815
Clavicular fracture repair .....	1042

Cleft lip repair, unilateral or bilateral .....	1195
Cleft palate repair (palatoplasty).....	1198
Clindamycin (Cleocin).....	1
Clubfoot surgical correction .....	1286
CMRGI (cerebral metabolic rate of glucose consumption) .....	75
CMRO <sub>2</sub> (cerebral metabolic rate) .....	75
CMRO <sub>2</sub> , CBF, CBV, and ICP, anesthetic effect on.....	104
CO <sub>2</sub> -subcutaneous emphysema.....	37
Coagulopathy in liver disease .....	815
Coarctation of the aorta repair .....	1215
Cochlear implantation.....	337
Colectomy, partial.....	783
Colorectal resection pull-through .....	<i>See Hirschsprung's disease</i>
Colostomy closure .....	785
Colostomy creation (adult) .....	785
double barrel .....	786
loop .....	786
terminal .....	786
Colostomy creation (pediatric) .....	1248
Colporrhaphy .....	963
cystocele.....	963
enterocele .....	964
rectocele .....	964
Colpotomy.....	965
culdocentesis .....	965
culdoscopy .....	965
Compartment syndrome.....	1009
fasciotomy.....	1009
Complex regional pain syndrome .....	243
Complications in anesthesia, potential.....	22
anaphylaxis .....	22
aspiration.....	23
fire-intraoperative burns.....	24
malignant hyperthermic .....	26
postoperative nausea and vomiting.....	29
postoperative vision loss.....	33
Congenital diaphragmatic hernia (CDH) repair.....	1250
Continent diversion.....	<i>See bladder substitution surgery</i>
Continent ileostomy.....	774

Controlled hypotension, neurosurgery.....	106
Convergent procedure.....	601
Corectomy.....	<i>See</i> iridectomy
Corneal lacerations, repair of.....	312
Corneal transplant.....	314
Coronary artery bypass grafts (CABG) with cardiopulmonary bypass (CPB)...	614
Coronary artery bypass grafts, minimally invasive direct CABG (MIDCAB) ...	603
Coronary artery bypass grafts, off-pump CABG (OPCAB).....	607
Coronary artery bypass grafts, re-do and sternotomy issues .....	624
Coronary artery bypass surgery, robotically enhanced telemanipulation .....	614
Cox Maze.....	<i>See</i> Maze procedure
CP.....	<i>See</i> cerebral palsy
CPP .....	<i>See</i> cerebral perfusion pressure
Cranial nerve decompression, microvascular .....	148
Cranial Nerves (CN) .....	83
Cranio-cervical decompression, posterior.....	153
Craniofacial reconstruction surgery chapter .....	251
antibiotics for head and neck .....	251
pearls.....	251
Craniopharyngioma, craniotomy for.....	157
Cranioplasty, craniotomy for .....	161
Craniostomy, craniectomy for.....	1182
Craniotomy, awake .....	165
Creutzfeldt-Jakob disease .....	19
Cryotherapy or radiofrequency ablation for Barrett's Esophagus .....	802
CSF (cerebrospinal fluid).....	78
CSF Absorption .....	79
CSF Circulation .....	78
CSF Formation.....	78
CSF regulation/circulation problems .....	79
CSF, normal values.....	78
Culdotomy.....	<i>See</i> colpotomy
Cushing Triad.....	80
Cyanotic lesions (right-to-left shunt) .....	1212
Eisenmenger's syndrome.....	556, 1212, 1235
hypoplastic left heart syndrome .....	1212, <b>1218</b>
patent foramen ovale.....	1170, 1212, 1229
pulmonary stenosis or atresia with a ventricular septal defect .....	1212, 1226
tetralogy of Fallot.....	1212, <b>1225</b> , 1243

transposition of the great arteries .....	1212, <b>1229</b>
tricuspid atresia repair .....	1212, <b>1231</b>
truncus arteriosus repair .....	1212, 1223, <b>1233</b>
Cystectomy, radical, open .....	884
Cystectomy, simple .....	887
Cystolithotomy, suprapubic .....	888
Cystoscopy .....	855
Cystostomy, suprapubic .....	889
D&C .....	<i>See</i> dilation and curettage
D&E .....	<i>See</i> dilation and evacuation
Dacryocystorhinostomy .....	291
Dantrolene .....	21, 26, 27
DDAVP .....	<i>See</i> desmopressin
Decortication (pleural stripping) .....	524
Deep brain stimulator (DBS), electrode and battery insertion .....	170
Deep Hypothermic Cardiac Arrest (DHCA) .....	66
Dehiscence, repair of abdominal .....	727
Demyelinating disease .....	18
guillain-barre syndrome .....	18
multiple sclerosis .....	18
Dentistry, operative .....	364
DEP .....	<i>See</i> dermatome evoked potential
Dermabrasion .....	<i>See</i> facial laser resurfacing
Dermatome Evoked Potentials (DEP) .....	97
Dermatomes .....	89
Descending thoracic aortic aneurysm, open repair .....	689
Desmopressin (DDAVP) .....	59
Dexmedetomidine (Precedex) infusion .....	65
DHCA .....	<i>See</i> deep hypothermic cardiac arrest
Diabetes mellitus .....	384
Diabetic ketoacidosis (DKA) .....	385
Dialysis catheter placement, venous access .....	711
Diaphragmatic (adult) herniorrhaphy .....	935
Dilation and curettage (D&C), suction .....	972
Dilation and evacuation (D&E), therapeutic abortion .....	966
Distal flaps .....	480
free .....	480
pedicled .....	480

Distal revascularization.....	<i>See</i> vascular bypass grafts
Diuretic chart .....	847
loop diuretics.....	847
osmotic diuretics .....	847
potassium-sparing diuretics .....	847
thiazide diuretics .....	847
Diverticulectomy (Meckel's) .....	768
DKA .....	<i>See</i> diabetic ketoacidosis
DLEBT .....	<i>See</i> double-lumen endobronchial tube
Dobutamine (Dobutrex) .....	59
Dopamine (Intropin) .....	59
Dorsal root rhizotomy .....	219
Double Lumen Endobronchial Tube (DLEBT) .....	492
Drapanas shunt.....	<i>See</i> interposition mesocaval shunt
Droperidol (Inapsine, Innovar) .....	31-33, 96
Duchenne .....	15
Dyes used in surgery .....	477, 848
Dysraphism, correction spinal .....	1185
Ear pinning.....	<i>See</i> otoplasty
Ear surgery chapter .....	336
antibiotics for head and neck .....	336
pearls .....	336
EBUS .....	<i>See</i> endobronchial ultrasound
ECT .....	<i>See</i> electroconvulsive therapy
Ectopic pregnancy.....	<i>See</i> tubal pregnancy, ectopic
Ectopic pregnancy, ruptured .....	958
Ectropion, correction of .....	285
EEG .....	<i>See</i> electroencephalography
EEG burst suppression .....	86, 90, 92
EEG waveforms .....	91
EGD .....	<i>See</i> Esophagogastroduodenoscopy
Elbow arthroplasty, total.....	1016
Elbow arthroscopy .....	1030
Electroconvulsive therapy.....	1292
Electroencephalography (EEG) .....	90
BIS .....	92
EEG burst suppression with anesthetics .....	92
PSA 4000 .....	93
Electromyography (EMG) .....	98

Electrophysiological measurements.....	90
EMG.....	<i>See</i> electromyography
Empyema, drainage of.....	527
Endobronchial ultrasound (EBUS).....	529
Endocrine surgery chapter.....	381
adrenal pearls.....	381
antibiotics for head and neck.....	381
pancreas pearls.....	382
pancreatitis.....	389
parathyroid.....	390
thyroid.....	391
Endometrial ablation.....	969
Endoscopic retrograde cholangiopancreatography (ERCP).....	804
Endoscopic sinus surgery.....	354, 355
Endoscopic ultrasound (EUS).....	807
Endoscopy surgery pearls.....	798
Endovascular neuroradiological procedures.....	172
endovascular techniques.....	173
neurolytic techniques.....	173
English-spanish translator.....	1300
Enteric fistula closure.....	770
Enterolysis.....	772
Enteroscopy.....	808
Enterostomy, ileostomy or jejunostomy.....	773
Entropion, correction of.....	287
EP.....	<i>See</i> evoked potentials
Ephedrine.....	60
Epididymectomy.....	903
Epidural hematoma.....	177
Epilepsy.....	21
Epinephrine (Adrenalin).....	60
Epispadias repair.....	1279
Epistaxis, treatment of.....	359
ERCP.....	<i>See</i> endoscopic retrograde cholangiopancreatography
Ertapenem (Invanz).....	1
Esophageal dilation.....	732
Esophageal diverticulum, excision of.....	734
Esophagectomy.....	736
Esophagogastroduodenoscopy (EGD).....	810

Esophagomyotomy .....	740
Esophagostomy .....	741
ESWL.....	<i>See lithotripsy, extracorporeal shock wave</i>
Ethmoidectomy .....	356
EUS .....	<i>See endoscopic ultrasound</i>
EVAR.....	<i>See endovascular repair abdominal aortic aneurysm</i>
Evoked Potentials (EP) .....	93
auditory (BAER).....	97
dermatome (Trigeminal) .....	97
how sensitive are they to anesthesia .....	93
motor (MEP).....	98
somatosensory (SSEP).....	94
visual (VEP).....	97
Eye filtration surgery .....	<i>See trabeculectomy</i>
Eye globe and orbit FYI.....	299
Eye removal	
enucleation .....	294
evisceration .....	295
exenteration.....	295
Eyelid laceration repair .....	288
Eyelid lesion, excision of.....	289
Facelift (rhytidectomy) .....	1128
Facial laser resurfacing (dermabrasion).....	1131
Facial nerve decompression.....	149
Factor 7 .....	61
Fasciotomy.....	<i>See compartment syndrome</i>
Femoral artery, thrombectomy/embolectomy.....	<i>See artery thrombectomy</i>
Femoral fracture, closed reduction and external fixation .....	1080
Femoral fracture, open reduction internal fixation (ORIF) proximal .....	1081
Femoral head, prosthetic replacement .....	<i>See hip hemiarthroplasty</i>
Femoral herniorrhaphy.....	936
Femur FYI.....	1079
Femur fracture, repair of distal .....	1084
Femur fracture, repair of shaft .....	1085
Fenoldapam (Corlopam) .....	61
Fentanyl (Sublimaze) infusion.....	65
FESS (functional endoscopic sinus surgery) .....	<i>See endoscopic sinus surgery</i>
Fire in the operating room.....	24
Fistulotomy, anal.....	792

Flap procedures.....	480
distal flap (also see distal flap).....	480
latissimus dorsi myocutaneous flap.....	481
transverse rectus abdominis myocutaneous flap.....	481
deep inferior epigastric perforators flap.....	482
Flexor tendon laceration repair.....	1062
Foot amputation.....	1014
Foraminotomy.....	222
Foreign body aspiration, obstruction or ingestion, removal of.....	496, 1201
FRC.....	<i>See Functional Residual Capacity</i>
Frontal sinus drainage.....	356
Functional neurosurgery.....	191
Ganglion cyst excision.....	1064
Gastrectomy, subtotal - Billroth I and Billroth II.....	745
Gastrectomy, total.....	748
Gastric banding, adjustable.....	762
Gastric bypass (Roux-en-Y).....	763
Gastric sleeve (vertical sleeve gastrectomy – VSG).....	765
Gastroplasty, vertical banded.....	<i>See vertical banded gastroplasty</i>
Gastroschisis repair.....	1255
Gastrostomy, percutaneous endoscopic tube (PEG) placement.....	751
Gastrostomy tube placement, open.....	752
GCS.....	<i>See glasgow coma scale</i>
Genioplasty.....	1132
Genitourinary irrigating solutions, factors affecting absorption.....	854
Genitourinary irrigating solutions FYI.....	854
distilled water.....	854
glycine.....	854
mannitol.....	854
sorbital or dextrose.....	854
Genitourinary/renal surgery chapter.....	844
antibiotics for urologic procedure.....	844
diuretic chart.....	847
dyes used in GU/renal surgery.....	848
kidney anatomy.....	845
kidney functions.....	845
pearls.....	845
spinal and epidural levels needed in GU/renal surgery.....	853
surgery for patients without renal disease.....	848

ureteral stents FYI.....	854
urinary diversion, types.....	846, 885, 887, 889, 892
Genitourinary/renal surgery for patients with renal disease .....	852
anesthesia in the patient with renal disease pearls .....	852
see also “renal disease” in index .....
