## Resolutions and Realities

“For last year's words belong to last year's language And next year's words await another voice. And to make

an end is to make a beginning.” ~ T S Eliot

The Christmas lights and decorations will twinkle their magic for a few more days, maybe through Epiphany. Though some of us keep them going through Super Bowl especially if the Patriots are making another run for a ring – go for six! Halfway to 12<sup>th</sup> night we celebrated the beginning of a New Year. One thing that has always bothered me is when I see the Christmas trees being thrown away on the day after Christmas and decorations going dark before New Year's. Christmas just begins on Christmas Day. But we all have our traditions and reasons. By the time you read this 2017 will be history but 2018 will remain a bit of a mystery.

We hope everyone had a great Christmas celebration. My angst about gifts was all for naught – even the little stocking stuffers were greeted with love. The snow on Christmas Day made this holiday all the more magical. What a treat to watch the storm blow then subside while we were snug inside opening presents and relaxing. I know we all celebrate differently and many of us have large families to which we must make the requisite visit on Christmas Eve or Christmas Day. Growing up in Louisiana Santa came late on Christmas Eve and Christmas Day was devoted to celebrating with friends and family. Things change with time and location. Ever since I moved to New England, presents are eyed with anticipation and curiosity but not opened

until the Day. I think I like this better. The feasting part hasn't changed.

Next up is New Year's Eve where we prepare for a new year and another ride around the sun. It's a time of reflection, looking forward, and making resolutions. In order to resolve something, we have to make preparations to do so. I may have found the key to why so many of us fail at keeping our New Year resolutions. It takes time to prepare to carry out our resolutions. So how long do we keep a resolution if we don't prepare for it? It's a fair question but also tells us that to be a tad more serious about resolutions when we make them, we have to consider the preparation. Some are easy – like giving up candy. Others not so much. Or, maybe, let's just admit that probably the majority of us make resolutions knowing they will never be kept. It's tradition and it's fun to be frivolous at this time of year. Let's just not ignore the serious items needing resolution.

I'll make a couple of resolutions and hope I am prepared to follow through. For the Gerry, we resolve to continue to provide members with a Club where they are safe and may enjoy one another – a special place for just for us. We promise to serve you well in the coming year.

We hope everyone enjoyed the Holiday festivities here at the Club. We start getting back to a normal schedule in January with the exception of NFL football! Check the schedules and know that if there's a game, it will be on at the Club. There's also hockey and basketball plus our in-house activities – pool, golf, cribbage, Follow the 5 of Clubs, and the Lottery. Or maybe you're just seeking a little solitude or camaraderie. It's your choice and your Club. Remember you don't need a reason to visit at all. Make sure coming to the Club is on your to do list! We highly recommend regular visits! See you soon!

"Cheers to a New Year and another chance for us to get it right~ Oprah Winfrey

## 2018 Membership Renewal Payment Deadline - February 7,

## 2018

Reminder! Membership fees (dues) are due each January. **Dues must be paid no later than Wednesday, February 7, 2018.** Payments received after this date may result in the member having to re-apply and being assigned a new membership number.

Beginning this year, members have the opportunity to make a *voluntary contribution* to the Gerry and you may designate the use of your donation. ***The furniture and general maintenance funds are in particular need of donations.*** You may also leave the designation blank and the Board will use the donation where most needed.

We are a 501(c)(7) not for profit. Many corporations match employee donations to the Gerry so don't forget to ask them to include us on their list of viable not for profits. You may also want to check with your financial advisor to ensure the contribution meets their requirements to be tax deductible.

Members also have the opportunity to include the Gerry in estate planning. For estate planning purposes, the official name of the Gerry is Gerry No. 5 Veteran Fireman's Association, Inc.

Donations are welcome at any time for any reason. We greatly appreciate those already received. Questions? Please contact either the Secretary, Kathy Tankersley Bernier, or the Treasurer, Dennis Nelson.

## By-Law Committee to be Convened

President Gauthier announced at the January meeting, we intend to convene a By-Law Committee this year to address some areas that need to be updated and corrected. We also intend to look at the By-Laws in their entirety to ensure they are still appropriate and can be operationalized.

We are seeking volunteers from both the Board and the membership to work together on this committee. A sign-up sheet is available at the Club. We really need your assistance and representation. Please sign up now!

## Volunteer! Committee Sign up Now!

Every January we open most of the Gerry Committees for volunteers. Volunteerism is at the core of any organization such as ours. These committees help keep us running throughout the year by actively participating and organizing events and/or advising the Board of Directors on matters. If you are

interested in participating on a Committee, all you need do is to sign-up at the Club. We are all stakeholders in the Gerry and we need your ideas, enthusiasm, and support.

We have eight Committees. Four (Building, Membership, Sick, and Scholarship) are currently closed - all committee members from last year have indicated they are returning for 2018. The Membership Committee is closed while the process is undergoing reorganization. The Long-Range Planning Committee is inactive and effectively closed at this time.

There are three very active Committees in need of volunteers. If you are interested in participating on a Committee, all you need do is to sign-up at the Club. Please volunteer! **The sign-up sheet is posted on the board by the bar. We will accept volunteers until the February member meeting.**

Below are the open committees with a description of their purpose. **PLEASE SIGN UP!!**

**Muster Committee** - Members of the Muster Committee work with the hand tub foreman and his assistant in gathering a crew for musters and keeping the hand tub in shape for competition as well as participating in parades and community events. Contact the Club with questions. ***This Committee needs volunteers!*** Contact Mike Butler with any questions.

**Entertainment Committee** - Members of the Entertainment Committee assist the Manager, Secretary, and the Vice President (kitchen manager) in organizing various club functions including fundraisers. Energy, time, organizational skills and imagination are great assets for this Committee. Contact *Kathy Tankersley Bernier* with questions. ***This Committee needs volunteers!***

**Blood Drive Committee** - Members of the Blood Committee assist the Blood Drive Chairperson in organizing of Gerry Blood Drives, recruiting of donors and working with the American Red Cross representatives on Blood Day (three times a year). Contact *Arlyne Campbell*, Chairperson, with questions. ***This Committee needs volunteers!***

Again volunteerism is at the heart of the Gerry. Here's your opportunity to participate. ***February 7th the deadline to volunteer.*** Please consider donating a little bit of your time to the Gerry in 2017.

Note even though the Membership Committee is closed and still undergoing reorganization if you are truly interested in helping in this area, please contact Mike Butler.

## Business Sponsors and Classified Ads Open to the Public\*

After several suggestions and inquiries regarding the business sponsors and classified ads that run in this newsletter, the weekly updates, and on G5TV, the Board approved a motion to allow non-members to become business sponsors and to run classified ads.

Starting January 2018, the Gerry will accept business sponsorships from any local business at the non-member rate of \$200 per year for a prime spot (positioning in the newsletter and web site) or \$100 per year for a regular spot. A business card with contact information and payment in full for one year should be submitted to the Gerry to the attention of the Manager or Secretary. Use this form: [G5 Business Sponsor Form](#).

Classified ads are run on a monthly basis at a fee of \$40 per month for non-members. A description of the item(s) or service(s) being offered including any pictures, the seller's contact information, and how many months they want to run the ad should be submitted to the Gerry to the attention of the Manager or Secretary. Submission must include payment in advance. Please use this form: [classified ad](#).

Need help with a business card or classified ad? The Secretary will gladly assist in providing a proof for your review. We look forward to doing business with you!

\* NOTE: *Member rates remain the same discounted prices of \$100 or \$50 for business sponsors and \$20 for classified ads.*

We look forward to helping you while you help us!
