**Things Going Bump in the Night…**

“Life starts all over again when it gets crisp in the Fall.” ~ F Scott Fitzgerald

It’s a beautiful early Fall day. The leaves are beginning to turn, football is back and the Patriots are starting to look almost as we had hoped. We’re almost done with shorts weather and these cool, crisp nights are great for cuddling. Fireplaces will be on before we know it. Yes, Autumn is here!

October! ‘Tis the first full month of Autumn. Our neighborhood abuts Salem Woods. The local turkey flock has been making regular visits to our neighborhood and like our yard in particular. We also have mourning doves in addition to the usual chips I’ve talked about. The turkeys don’t bother us too much but one of them did wander into the garage entrance the other day. My husband gobbled at it and it slowly turned and left. He was also visited by a mourning dove earlier in the week who made a slow 360 around our car in the garage. I know, just shut the door. But the weather is so nice after all the heat, we leave it open when one of us is in it. The long nights are coming but isn’t this a gorgeous and invigorating time of the year? This is the run up to Halloween with all its costumes, pranks, and candy. Then we go headlong into the BIG holidays. It’s a time of excitement – from the nuances of changing leaves, scurrying animals to football competitions, the cheers and cadence of the game, the crazy Red Sox fan throwing the ball back – it’s special.

We even have some of our Halloween décor up already. All we must do is slow down, take a deep breath and look around us. We live in one of the most beautiful places and Autumn only enhances that beauty. Let’s not let it fly by without noticing. So, get your pumpkins, cider, costumes, and candy for the end of month All Hallows Eve celebration, but in the meantime, relax and enjoy life. But be sure to listen for things going bump in the night. Boo!

Did you see the article on the Gerry and Okos in the 01945 publication? It was only mailed to Marblehead residents so if you missed it or don’t live in 01945, I’ve posted a copy of it on our web site in the Library. It is a one-page article discussing the history of the hand tubs in Marblehead.

We’re also gearing up for a busy Fall-Winter season here at the Gerry. In fact, we kicked all our regular events off last month starting with Stadium Bar and Grill and ending with Family Friday. These include our monthly staples of Muster Fish Fry and Meat and Trivia Contest. But you know we’ve always got something up our sleeve that’s a bit special.

We have an Indoor Tailgate Party coming up on Friday, October 19th, open to members, guests, and the public. See details later in this newsletter.

We hope you will join us on September 22nd for a dinner Celebration of the Gerry culminating in the drawing of the winning ticket. Details are later in this newsletter.

Coming up on November 17th we have our 6th Annual Craft Fair – mark your calendars to shop! Get your Christmas décor, gifts, and other goodies right here at the Gerry!

Remember you have your refuge here at the Gerry. There’s always sports on TV and our in-house activities – pool, golf, cribbage, dice, Follow the 5 of Clubs, and the Lottery. There’s also solitude should that be your need. Remember to check your weekly event updates or the web site information. Also, remember you never need an excuse to visit. We highly recommend regular visits.

We are into our busy season at the Club and there is also a lot of business to attend to. **Please read the notices in this newsletter on the financial status, the**
proposed by-law changes, and other business changes. IT IS VERY IMPORTANT!

A huge thank you to everyone who participated. We raised a nice amount of funds that will help us
not only with some critical infrastructure issues but our continuing support of the Angel Fund, Scholarships, and our numerous other charities.

We want to thank Joan Champlin, without whom we would not have had this great fundraising event. It was her idea and she facilitated it from beginning to end. Thank you for your hard work!

We also thank the Officers, Board of Directors, the Entertainment Committee, and the kitchen crew for all their efforts.

Thank you to every member and friend of the Gerry who contributed. Every penny will be put to very good use.

We learned a few lessons with our initial outing in holding the raffle and we look forward next year’s event.

Nominations for Officers and Directors – November Meeting

New Business at the November 1st member meeting will include nominations of Officers and TWO Director positions. The Offices of President, Vice President, Foreman and Assistant Foreman are available for nomination. There are two Director positions up for nomination, each to serve a two-year term.

Nominations must be made from the floor. The person being nominated must be present to accept the nomination. If the nominee is not present, the member making the nomination must present a written acceptance letter by the nominee to the Chairman of the meeting. No name will be placed on the ballot unless the nomination has been accepted.

Write-in or sticker candidates must present a written notice of intention to the President prior to the start of voting on Election Day in December.

Members are reminded that nominees must possess the skills, knowledge, and abilities to serve in the position for which they are nominated.

Also, all nominees and members please remember we have a no campaigning rule. All persons must be elected on merit and not popularity.

Reminder of the responsibilities of each position:

"The President shall be the Chief Executive of the Corporation and shall preside at all meetings, when present. The President shall perform all duties incident to this office and shall perform such duties as the Board of Directors shall from time to time designate." The President is not responsible for daily club operations.

"The Vice President shall preside at all meetings in the absence of the President and shall have such other duties as the Board of Directors may from time to time designate." Traditionally, the Vice President manages the kitchen as an ad hoc duty.

"The Board of Directors shall have the entire management of the business of the Corporation." The Board of Directors is required to perform their duties in good faith, with ordinary care (the use of good judgment and common sense), and in the best interest of the Club, displaying loyalty and obedience of the Club laws. Directors are required to attend Board meetings twice a month and special meetings as necessary.

"The Foreman shall have the custody of and control over the hand engine, truck, bus, and any other and all property used or to be used at musters. The Foreman shall have control of the use of all property of the Corporation at musters and parades."

"The Assistant Foreman shall perform all the duties of the Foreman in the absence of the Foreman and shall, under the direction and control of the Foreman, assist the Foreman in the performance of the Foreman’s duties."

By-Law Changes Proposed – Dues, Amendments, Membership and Assessments

The following changes to By-Laws Article XVIII Membership, Article XIX Dues, Article XXVII Amendments and introduction of a new Article XX
Assessments were proposed at the October meeting upon the recommendation of the Board of Directors. Discussion of the proposed changes and any proposed amendments to these will take place at the November meeting. These changes affect ALL MEMBERS. Please read these carefully and plan to attend the November meeting. The Board needs your feedback in regard to these proposed changes. The Board encourages all members to participate in order to make this a collaborative effort and decision.

The proposed revisions are as stated below (italics indicates the change). They are also posted in the Clubroom and on the web site under Business Documents on the Library page (www.gerry5.com/library).

**ARTICLE XVIII – Membership:** An Applicant for membership shall post the sum of the administrative fee plus the first year’s dues with their application. Fifty dollars ($50.00) of this sum is the administrative fee for membership in the Association. Those applicants re-applying after a lapsed membership may not be required to attend orientation.

**ARTICLE XIX – Annual Dues:** The annual dues shall be one hundred dollars ($100.00) per year, payable on or before the first WEDNESDAY of February of each year, unless an extension has been granted by the BOD. Any member 75 years of age or older shall pay annual dues in the amount of fifty ($50.00).

**ARTICLE XX – Assessments:** From time to time, financial emergencies arise that must be dealt with to assure continued viability of the Corporation. It is appropriate to deal with those situations via an assessment. Such assessment would be proposed by the Board and presented to the membership at the next regular monthly meeting. The Secretary shall notify all members via email (or regular mail if no e-mail available). The assessment will be voted upon at the following regular monthly meeting. A simple majority (51%) of those voting will determine acceptance or rejection. Collection of the assessment shall be done in a finite period as determined by the Board. Failure to pay the assessment may result in loss of membership privileges until paid. All members, including Life and Honorary Members, shall be subject to all assessments levied by the Corporation, unless the assessment is dues-related.

**ARTICLE XXVII – Amendments:** These By-Laws may be amended, altered, repealed, or revised annually or on an as needed basis. By-Law amendments will be presented at the next regular member meeting once formulated but no later than the October meeting as deemed appropriate by the Board. The amendment will be posted and discussed at the monthly member meeting following its introduction but no later than at the November meeting. The amendment will be voted upon using paper ballots at the member meeting following the discussion meeting but no later than at the December meeting. Any amendment changes will take effect immediately, unless stipulated otherwise, but no later than on January 1st of the New Year. By Law amendments must be approved by a simple majority (51%) vote of the members present. The Secretary shall notify each member at the address provided by the member, at least seven (7) days before the next meeting, of the proposed By-Law change via email or regular mail if no e-mail available. The By-Law change will be voted upon at that following meeting.

Please address any questions or comments to the Board of Directors in person at the November meeting or at via the Secretary at gerry5vfa@yahoo.com or ziggyii@comcast.net. Thank you in advance for your feedback.

ElderAct Lock Boxes Available for Marblehead and Swampscott Area

Many of you may be aware of the Lock Box Project sponsored by ElderAct and the Council on Aging. The Gerry is providing this information to our members in Marblehead and Swampscott as a public service.

What is it? A Lock Box is a 4-inch x 4-inch heavy metal box that attaches to the outside of a house or apartment that allows first responders access to a dwelling without breaking down a door or window. It is used primarily in homes of people who have limited mobility. These individuals typically can call 911 or a medical alert team but cannot get to the door. It is used in medical emergencies. At a minimum, it saves a door from being knocked down or a window broken. It could also save a life when seconds count.

Lock Boxes are installed in an easily accessible place. The Fire Department is then contacted and they come to the dwelling and lock a copy of the house key inside the box. Hopefully, it will never be used. In case of medical emergency, each fire truck has a master key and can quickly unlock the lock box and gain access to the dwelling.

How do you get one? There is no charge at all for the box if you meet the criteria. Individuals may also buy the boxes if they do not meet the age or medical criteria. For Marblehead residents please call Marla Meyer at the Council on Aging and request a box. Marblehead Council on Aging at 781-631-6225.

Swampscott is adopting the same lock box and procedure. For Swampscott residents please call the Swampscott Council on Aging at 781-596-8866.

Passages

(Elmer) Palmer Payne, father of member John Payne, passed on September 2, 2018 at the age of 88. Born in Cincinnati, he attended junior and senior high schools in Marblehead. A World War II and Korean US Army veteran he was assigned to the Occupation of Tokyo and Sapporo and served as a combat correspondent in Korea. He earned the numerous medals and accolades while in service. He was a radio newscaster and TV anchorman for CBS, ABC, and NBC. He served as an adjunct associate professor at Columbia University for eight years.

After retiring to Maine he was active in veterans’ issues, town affairs and volunteer work.

Our sincere condolences to the family and friends.

Joan Skidgell, mother of member Marilyn Willard, passed on October 1, 2018 at the age of 85. A native and life-long resident of Lynn, she was a member of both St. Patrick’s and St. Michael’s Ladies Sodality. Known as “Skittles”, she had a quick wit and would
tell people she was “fine and dandy like a piece of candy”. She loved coconut dream cookies and a rousing game of Skip-Bo.

Our deepest sympathy to family and friends.

Brian Hitchcock, member, passed unexpectedly on September 10, 2018 at his home in Oregon. He enjoyed his many years as a Marblehead resident, participating in town government volunteering and raising a family. He was a retired Detective Sargent from the Marblehead Police Department who took great pleasure in spending time with his grandchildren in Oregon.

Our condolences to the family and friends.
