

April Term

2nd day of Term

April 7, 2025

Commission in session pursuant to adjournment at the Courthouse  
in Bowling Green, County of Pike, State of Missouri.

Bill Allen, Presiding Commissioner, Present

Tom Wallace, Eastern Commissioner, Present

Brock Bailey, Western Commissioner, Present

Bill Allen called the meeting to order at 9:00 AM and moved to accept the agenda as presented and pay bills. Tom seconded.  
Vote 3-0.

Bill contacted the owner of the Ithaca Farms to discuss the County Road 227 Bridge Project. The Commission plans to meet with  
Cochran Engineering on Thursday, April 10, 2025. More Right of Way discussions will be had and dealt with at that time.

The Commission drafted a letter to Meridian Waste addressing the increasing complaints of trash along the Highway 64 corridor  
and Highway UU. It is believed that the trash and debris is often coming from "empty" trucks that are not properly cleaned prior  
to departure. The County appreciates Meridian's prompt consideration of the issue and addressing those hauling the waste.

There being no other business before the County Commission, the meeting adjourned until April 10, 2025 at 9:00 AM.
