October Term 5th day of Term October 19, 2026

Commission in session pursuant to adjournment at the Courthouse
in Bowling Green, County of Pike, State of Missouri.
Bill Allen, Presiding Commissioner, Present
Tom Wallace, Eastern Commissioner, Present
Brock Bailey, Western Commissioner, Present

Bill called the Commission to order and moved to pay bills. Tom seconded. Vote 3-0.

Billy Orf, Road and Bridge Supervisor, met with the Commission to discuss progress on local projects. Repairs continue on reservoir road. Some cold mix is available but limited supplies exist and will dictate the thickness that is applied.

Sheriff Korte discussed refrigeration needs and improvement possibilities at the jail. Bids and quotes are coming in on the projects. Capital improvements to the jail are anticipated in the 2026 budget.

Brock met with Shawn Burnett to discuss plaster, paint and construction projects for the county. Shawn plans to submit an estimate in the next few days.

AJ Scherder met and discussed the dust on "crow lane" after the recent chip and seal project. The Road and Bridge department was contacted and the loose aggregate on the surface will be assessed to determine possible further steps. It is believed that time and rainfall will help with the situation. Traffic speed was discussed; however, county roads are 45 mph. Signage on the route is a possibility.

The next meeting will be held on October 22, 2026.
