There was no meeting August 5, 2024- no quorum.

Bill Allen called the meeting to order at 9:00am and moved to accept the agenda as presented. Tom Wallace, seconded.

Tom Wallace moved to pay bills as presented. Bill Allen, seconded.

Commission met with Al Murry, Flood Plain Coordinator, concerns about water flow eating our levee on CR 2. Discussed solutions for NW corner of bridge where wash out is occurring. County is covered through permit if it's decided to add rip rap in an attempt to stop the creek current from eating out under the bridge. It would be permit #1- Stabilization & Erosion Control.

Pre-Construction meeting for CR 135 bridge, those present were: MODOT, Great River Engineering, Bleigh Construction & Pike Water Supply District #1.

*Notice to Proceed- 9/2/24

*Completion Date- 11/30/24

County will notify local authorities (911, School Districts & USPS) that the road will be closed to thru traffic.

Bill Allen and Tom Wallace went to Public Water Supply District #1 to discuss CR 251 water line relocation & 90 vs 60 day notice to proceed.

There being no other business before the County Commission, the meeting adjourned until August 12, 2024, at 9:00am.
