ORDERING INFO

DECORATION

Full-color digital printing is available on plastic bottle products. Print designs may be two-sided or full wrap.

Laser etching is available on all stainless steel colors and is limited to a single side of the bottle. Please contact custom@camelbak.com to request templates.

ARTWORK

Vector artwork is required for all custom designs.

Accepted file types include PDF, AI, EPS, and SVG.

All text must be converted to outlines to avoid font issues, and colors should be provided in CMYK.

Artwork requiring additional adjustments by our artwork team may result in extended lead times.

ORDER MINIMUMS

Order minimums start at 36 units, with price breaks at 72, 144, and 540 units.

Mixing styles and colors is permitted when using the same artwork across all items.

Plastic bottles must be ordered in multiples of 6 per color/style, and stainless steel bottles in multiples of 4 per color/style.

PROOF APPROVAL

An artwork proof will be provided within 1-2 business days after a complete order is submitted.

Customers are responsible for reviewing and approving artwork before production scheduling can begin.

STANDARD LEAD TIME

Please allow 2-3 weeks after artwork approval and order booking.

Processing times may vary during peak seasons.

Expedited freight is available for an additional charge.

Be sure to communicate your event date or "in-hands" date when placing your order, if applicable.

PAYMENT

Existing CamelBak customers in good credit standing are eligible for Net 30 payment terms.

New accounts may submit a credit application or prepay with a credit card for faster service.
