

Oct-31st-1946

I Joseph Stephenson Master and founder
of Creative Healing do hereby give to
John Hunt full recognition as a Teacher
of my Method - I know and copyright
in my name in Washington D.C.

Signed this day

Joseph B. Stephenson

Be faithful to thy Self and you will
have fulfilled the Law I have put
in thee - just as I have fulfilled the
Law - the Master of Ten thousand years
in a Law to fulfill

walk on the path and fall not.

The goal is worth all the struggle

open your eyes and see
train your ears to hear

but speak only when you know
the right thing to say
