Am I asking for consideration
for myself

No Seeking justice

For myself - no

But for Suffering Humanity

I care not what they do to me

But for the sake of the people
and their sufferings I do care

They could take my Body

But could they stay my Soul mind

No. for creation demands that

it shall live on and on -

and will fulfill the Trust - the
Creator put in it.

If they passed sentence on me

would it be me. no but on the

Thousands of Human Sufferers

their sentence would be Suffer on you Sufferers

Would a sentence cause me
to suffer. No. I have suffered so
much by my own people, that the
sentence of the Law would be mild
to what they have caused me to suffer
yet I feel to suffer is just a stepping
stone to a higher plane the more
the pressure the greater the effort -
the greater the effort - the bigger the
Victory, it is a one man fight - I
am fighting but I will win I
will conquer for the Master stands
before me, and as I look at him
I hear him say fight on and since
you are a fighter after truth I will not
see you fail. For I am with thee always

Come what may - I am of the Truth - for the
Truth - and will be always Truth.
My life is of Creation & live by creation &
Use Creation in all my work - and since
Creation is the Book of the Creator,
the Author of all creation Book then
how can I learn anything from any
man's Book that the Creator did not
write in his Book - Is man more wise
than his creator,

The Book of creation tells me where I come
from. What I am here for and where
I am going too. So mystery or Depth
of life or Death mean nothing to me
Seek Wisdom and all things shall be
revealed unto thee
Did he speak the truth, if so then what.
If he did not speak the truth then what is he
