Minutes of AGM Meeting 3rd June 2021

Attendees

- Susie Black
- Steve Black
- Laura Black
- David Downie (Chair)
- Sheila Downie
- Maggie Langelaan (Treasurer)
- Keith Langelaan
- Rejane Vannier
- John Davies
- Saranne Davies
- Sheena McNaughton
- Val Kidd
- Tracey Taylor
- Clare Damodaran
- Fiona Sarwar
- Stuart Broster
- Bob Pawson
- Pauline Cropper
- Alan Grant

Events

1820 – Intro, chat, hellos

1834 – David talked about the building work and concerns that the price would likely be higher than estimated, as the pandemic meant that construction supplies could be difficult to get a hold of and thus were more expensive. He also said that they were having foundation issues as the ground was too soft; and that they were able to keep a tree which they'd previously expected would need to be removed. The deadline for the project is the end of September, for funding reasons.

1840 - Tracey asked about her office, which seemed to be knocked into another room. David and Maggie reassured her that it was a different room that had been knocked through, and her office was as it was supposed to be.

1842 - David said that there had been asbestos in the building, but that it was being removed.

1849 - Saranne said that she works with an outreach with Blairgowrie High School, and asked if the hub would be appropriate for them as a place to meet over the holidays. David explained that the Hub, while catering primarily to older generations, is open to all ages and all groups in the community in need of a space.

1851 – David talks about their work with PKAVS, a local dementia service, and their intentions to have a day service.

1853 – Susie talked about how the Hub had mostly been focused on getting the building sorted up until recently, and were now keen to find out more about services and needs in the community that the Hub could serve. Tracey expressed an interest in working with them to find clients and specific services to provide.

1857 – meeting closed
