CONSENT FORM

Authorizing Consent for examination of a Minor (under 18 years): Please Read Carefully
In order for the health professional indicated below to make a determination on the suitability of my child's/guardian's case for care, I acknowledge and understand that a thorough evaluation must be completed. I do hereby request and consent to the performance of such an evaluation by Dr. Margaret Newton, or any party authorized by her to do so.

I have had the opportunity to discuss the nature and purpose of the examination process with Dr. Newton. I understand that I may ask the doctor to stop the examination at any time. I also understand that by signing this form, the chiropractor continues to be obligated for best practices delivered in the child's interests.

- A copy of ChiropracticAlways' "Notice of Privacy Practices for Protected Health Information (HIPAA)" brochure is available for my review both in the office and on www.chiropracticalways.com website.
- I consent to receive communication from ChiropracticAlways in connection with my child's care via email, postal mail, text and telephone messaging. If I should withdraw my consent, I will notify the office in writing.
- I consent to my child's photo or image being used in photograph or video in public media including social media, website, promotional materials. If I should withdraw my consent, I will notify the office in writing.
- It has been explained verbally and in writing that Chiropractic can sometimes have side effects or risk of ataxia, bruising, thermal injury, dislocation/subluxation, dizziness, "drop attacks", fracture, mobility disruption, paralysis, quadriplegia, spinal injury, stroke/disruption of blood flow to the brain, visual disturbances, pain, tinnitus, hallucination or death. While none of these complications have ever occurred under my care, should this happen in your case, for your protection, you would be referred immediately to another physician or appropriate health care provider for surgery or other "standards of care" treatment.
- On rare occasions side effects of massage can include bruising, inflammation, swelling and pain.
- I acknowledge that the risks of Chiropractic treatment have been explained to me verbally and in writing, I assume full responsibility for these risks.
- Should I choose detoxification as a treatment for my child with Dr. Newton, I recognize that as the body releases poisons, there may be associated memory which comes to the surface (somatic-visceral) and I agree to obtain professional council for my child upon the recommendation of Dr. Newton.
- I understand that detoxification can sometimes have side effects or risk of nausea, vomiting, diarrhea, memory recall and fainting.
- I fully understand the above Consent Form Information. I fully understand the risks and limitations of Chiropractic Care, Massage and Detoxification. I understand and fully consent to treatment with Dr. Newton for Chiropractic, Massage and Detoxification when it has been determined the care is needed. No guarantee of assurance of results has been made. I agree and intend this consent form to cover the procedures recommended in my child's case including the use of Chiropractic Care, Evaluation, Diagnosis, Adjustments, massage, Detoxification Methods, Manipulations, and treatment for any future conditions for which my child's treatment is sought.
