

Business/Corporate Private Hire

Our function suite is a perfect private space for any business related meetings, presentations and team days. The suite itself overlooks the Grand Union Canal with a private outdoor terrace. Our proximity to the Metropolitan and Piccadilly lines at Uxbridge and Elizabeth Line and National Rail links at West Drayton, plus M25, M4 and M40 junctions all within 10 minutes drive and large car park, make us the ideal venue centrally based for attendees from far afield. Downstairs our main restaurant and conservatory areas, and large garden offer perfect spaces for breaks and lunch away from the function suite itself.
