

PINETUCKY NEWSLETTER

January - 2025

FROM THE BOARD...

Hi! I am Mike Brassell, a member of the board. I started shooting pistol competitively in the 1980s and 90s and held a national record and GA State titles during that time. My son and daughter are also pistol shooters and held some State titles as juniors. My son and I transitioned into shotgunning in the early 2000s. We are now avid pistol and rifle competitors in Steel Challenge competitions. I have been a member of Pinetucky for 30 years. It holds a special place in my heart. I love the variety of shooting and competing opportunities offered here. If you would like more info on Steel Challenge or any of the other shooting sports we offer, please let me know. Happy New Year!
