**8 Aug. NRL22 Match.** The goal of NRL22 is to make Tactical Rifle more available to every community. The NRL22 understands that the shooting community is fascinated with Precision Rifle, but most local ranges do not have 1000 yd capacity. NRL22 brings Long Range Tactical Rifle to your local 100 yd range. For more information, go to [NRL22.org](http://NRL22.org). Cost will be \$20.

**8 Aug. NSCA Sporting Clays.** We will host a Registered Sporting Clays Shoot. If you would like to shoot in this event, go to [Scoringpro.com](http://Scoringpro.com) or come on out and sign-up to shoot the course for fun. Shoot hours 9am – 2pm.

**15 Aug. USPSA** (United States Practical Shooting Association) Pistol Match: Practical Shooting measures the shooter's ability to shoot rapidly and accurately through obstacle-laden courses. The shooter moves, negotiates, runs, covers, and speed reloads through the stage as fast as their skill will allow. If this fast paced shooting sounds like fun, come out and give it a try. Show up with an unloaded centerfire pistol in .38, 9mm, .40, or .45 in an enclosed case and ask a match official where the safe area is so you can holster your gun safely. Also bring a rigid holster, magazines, and mag pouches capable of holding at least 32 rounds. Overall match round counts are usually between 100 and 150 rounds. Specific division requirements can be found at <http://uspsa.org>. Starts at 9:30 AM and cost will be \$20 (\$15 for Pinetucky members, active duty military, police, and fire).
