

Pinetucky April 2022 Newsletter

Notes from Charles Dolan: *Happy April to all! The weather is getting warmer and the days are getting longer- time to come out and shoot. I hope you take the time to notice the improvements that have been made at the club. The Board is in a continual process of evaluating further projects to continue to improve the club and facilities. If you see something in need of improvement or repair please email us at pinetuckygunclub@comcast.net and let us know.*

Our Pullits shot in the Ga/SC Border Bash March 5th and finished quite well. As a team, we finished 3rd overall, with a few shooters continuing to improve their overall scores. Please give the shooters a “pat on the back” as they are outshooting the grownups!

On a club note, our annual meeting is coming up in May. We will be selecting 3 “at large” members, so please let Lori know of nominations you may have in mind. Please look for an email announcing the date in May. I hope you will attend the meeting as we want your support.

Just a heads up- May 7th, Pinetucky will be hosting a SCTP shoot for kids from all over the state. Lunch will be provided by Pinetucky. 100 double skeet and 100 sporting clays will be shot. Come watch our next generation shoot and give us your support. Quite impressive! We need some volunteers to assist with serving the lunch. If you would like to volunteer please contact Lori in the office to be placed on the list for that day.

ATTENTION MEMBERS: *Just a reminder for those that have not paid their dues as of 3/31/2022 you will be moved to the inactive list. If you are an After Hours member, this means that your After Hours membership will expire and your gate code will be removed.*

LOCKERS: *We are in the process of going through the lockers in the clubhouse and making a list of the ones that are occupied. If you have a locker please let*

us know which one is yours and where it is located at the club. In the near future we will be relocating those that have a locker in the office to one of the ones outside of the office. Lockers that are locked with no nameplate on them will have the lock removed and the locker will become available for rental, so if you have one of these lockers please get in touch with the office and let us know.

RANGE OFFICERS: *We are still looking for members to volunteer to help watch the rifle/pistol ranges from 12-5 on Saturday and Sundays. If you would like to help out the club and earn a discount on your membership next year please contact Stephen or Lori during normal operation hours to be added to the roster.*

April 2, 2022 **Steel Challenge** – Competition Bays and Rifle Range closed for this event. This event is usually filled a couple of weeks out, so if you wish to shoot the steel challenge, sign up right after the results come out. The next match is usually opened at that time. <https://www.practiscore.com/pinetucky-steel-challenge-02-april-2022/register>
