

Pinetucky Gun Club

April 2024 Newsletter

Hello everyone:

It's hard to believe that it is April already. The first quarter of the year has flown by. We are gearing up for our events here at the club. Our first event will be a 2-day ladies shotgun class on May 4th and 5th. Also on May 4th will be the Child Enrichment "Pulling for Kids" event. Once again this will take place outside under the tent in front of the clubhouse. Masters' week is also upon us from 4/7/24 to 4/14/24. Please be advised that Lori is on vacation this week and Kenneth will be in the office running the club.

April's Board Member

Timmy Pittman, Secretary

1249 Gordon Park Rd

Augusta, GA 30901

timmy.pittman@lpa-ga.com

Believe it or not my interest began from watching "The Beverly Hillbillies" in one of the early B&W episodes, "Jed Becomes a Banker". Mr. Drysdale finds

out about Jed's sharpshooting skills, and he must make Jed the bank's vice president to be eligible to shoot in the bank tournament. Mr. Drysdale and Miss Jane take the Clampetts to the skeet shooting range to explain what to do, and the rest was history for me.

In 2014, I took up the hobby and enjoyed clay shooting briefly. My daughter, Sydney, started shooting in 2018 until 2021. She first began with Aquinas High School (AHS), and then NSSA, and then ATA. My son, Wesley, started shooting around 2019 for AHS and NSSA. With both of my kids shooting for AHS, I was asked to help with their team, and that was the true turning point for me to really enjoy helping other kids. I was then asked to help Episcopal Day School's Middle School Team. While at the same time, I was honored to be asked from other local private school teams, and the Pinetucky Pullits.

Presently, I have couple of adults that I coach privately in both Skeet and Trap, along with several kids that I help coach privately.

I have been a member of PGC since 2018 and a station sponsor since 2020. In 2022, Charles Dolan introduced me to the PGC Board of Directors. I was elected to the PGC Board, and eventually selected to be the Secretary for one year.

My true passion are all the disciplines of clay target shooting and I welcome anyone to reach out and let me help them with their game of Skeet or Trap. I enjoy all disciplines of Clay Target Shooting and I enjoy helping anyone from any level of their game. Feel free to reach out to me for any assistance. Text me at 706-294-6397.
