

Pinetucky August 2022 Newsletter

Dear Members,

Summer is in full swing and our club is still the best place to be in the CSRA to have fun with friends and family. In case you missed it, our July 13th Wednesday Night Supper was well attended by over 60 members and friends and was a huge hit. We plan to have another in August so stay tuned. You will not want to miss this one.

Pinetucky has always strived to keep the cost of shooting as fair as possible for our members, youth shooters and non-members, while continuing to improve the clay shooting experience for everyone at our club. Over the past two years we have continued to improve and update our grounds and facilities and while these improvements have helped to improve your shooting experience they do come at a cost. Additionally, the Club has had to deal with the ever increasing cost of goods, materials and labor. Everything in our industry, as well as our country as a whole, has continued to see rising prices due to higher-than-normal inflation and we are no exception. In order for us to continue offering the best possible shooting experience for everyone at Pinetucky, the board is instituting increases of fees effective August 1, 2022. A full breakdown and listing is included below and posted on our website.

Please take a look at our club calendar to see all the exciting things we are offering in August and beyond. I encourage you to come out and enjoy the benefits your club has to offer and bring your friends and family with you to enjoy our Club.

Regards,

Breck Brigham

All After Hours Members, please remember to close and lock gates behind you if you are the last person on the range. If you are using the skeet/trap houses please turn off the machines and lock the doors.

Personnel Changes: As of 7/17/2022 Stephen Chase is no longer a full-time employee, he will help out as needed for special events. Please contact Lori Cislo if you need office assistance or to schedule an event. Lewis Haynes is the new operations man. If you find any machine in need of adjustment or it is not working, please report it to us and he will get it looked at. Call the clubhouse at 706-592-4230 or email us at pinetuckytgunclub@gmail.com.

Lewis would like to thank everyone for the warm welcome he has received at the club since he started. He appreciates all the good wishes and help that he has received in his efforts to get acclimated to Pinetucky.

After Hours Usage of the Club: Attention all after hours members and school shooting teams: For safety and security reasons, Pinetucky needs to know who is on the grounds at all time. Please make sure you are signing in on the After Hours Sign In sheets located on the Rifle/Pistol Ranges, Low House 2 for Shotgun Sports (sporting clays shooters, please sign in here also). Competition Bay shooters, please sign in on the rifle range sheets. If you are an after hours member you should have the codes and keys to enable you to sign in. Also if you are an instructor that has access to the competition bays, please make sure we have a current copy of your credentials and insurance policy that allows you access.

As a reminder all after hours shooters are responsible for cleaning up when done shooting. Please roll up cords, pick up your shells and load houses and turn off machines on skeet/trap fields. If you have the lights on, please turn those off also. Rifle/pistol range shooters please make sure your target stands are brought in, your brass is cleaned up and placed in the brass bucket and the brooms are hung up and the fans turned off. The lights are on timers, please do not force turn them off. They shut themselves off.

If you come to shoot while the clubhouse is open, please come to the clubhouse and sign in on the sheets at the office.
