

# Pinetucky Gun Club

## August 2024 Newsletter

**Welcome to August:** It is the start of the GIAA season. (Georgia Independent Athletic Association) We have five varsity events scheduled for the following Saturday dates. 8/10, 8/31, 9/21, 10/12 and 10/26. Greg Oblak oversees the volunteers for this event. If you would like to volunteer, please call the office and give Lori your contact information and she will pass it on to Greg. The office number is 706-592-4230.

The middle school dates are the following Tuesdays: 8/27, 9/10, 9/24 and 10/22. These events do not require volunteers.

Please note that on these days the skeet/trap fields and sporting clays course are closed for the tournaments.

**Skeet/Trap fields update:** We have received the Promatic control boxes back and they have been repaired. Kenneth is currently putting those back on the fields and getting them up and running. Fields 2 and 3 are currently fully functional. He is working on the relay wiring for 4 and 5. When that is finished the new motor for high house 1 will be installed. We have also replaced the battery bank charger that was in high house one, it was damaged by the storm also. Bear with us as we return to normal.

**Weather:** Lately we have been having a lot of afternoon thunderstorms. Please follow the Facebook page to monitor if we have closed due to the weather. This is the only place it will be posted to if we need to close due to the weather. Thank you.

**Events:**

8/2 – Pistol range closed 2-4 for Veterans Practice.

8/2 and 8/3 – Steel Challenge <https://www.practiscore.com/pinetucky-steel-challenge-august-2-3-2024-1/register>. Rifle Range closed both days for this event.

## Upcoming Events:

**Save the Dates:** 2025 Creekside Custom Georgia Steel Challenge Championship presented by Pinetucky Gun Club. Registration opens on: October 01, 2024 @ 6:00 PM · Registration closes on: February 02, 2025 @ 10:00 PM. Registration is through [www.practiscore.com](http://www.practiscore.com).

December 14<sup>th</sup> – One day Range Officer Class for those that wish to be a range officer for Steel Challenge Matches.

For the shotgunners, this is a reminder to pick up your spent shells after shooting. If you are using the sporting clays course, then please pick up at each station. This helps to keep the course clean and neat looking. Trash cans are provided at each station. For rifle/pistol ranges, please sweep up your spent brass and drop it in the brass buckets. Please hang up the brooms and dust pans after use. Also, the schools that use the fields please remember to clean up your shells and restock the skeet and trap machines. This helps the next school that practices after you. Thank you.
