GUN CLUB

February 2021 Newsletter

Dear Member,

I hope everyone is staying safe and looking forward to a better and brighter new year! Hopefully, you have noticed a few improvements around the club in the past year. We will continue to do so this year. Just so you are aware, we have purchased 1 new Pat Trap and rebuilt 3 others. This year, we hope to be able to begin working on the skeet machine replacement as well. Our target count for the clays was up approximately 25% for the year. In addition to the fields, we replaced the HVAC unit in our meeting room and added new furniture.

I also need to mention our youth groups. Both GISA and the SCTP shooting teams have been practicing long and hard throughout the year. As we have our first senior crowd graduating this year, we have several standouts in our crowd. Finally, Pinetucky is building a name in the youth shooting world. We have started our 2021 SCTP season, so if you see a young individual shooting, give them a pat on the back (and the parents)!

We look forward to seeing you out shooting. Stay safe!

Sporting Clay Shoot- February 20th

6 Feb. Steel Shoot

Steel shooting offers a port of entry to the shooting sports that is far less intimidating than practical shooting. Steel provides an excellent starting place for young or beginning shooters. Steel offers the most diversified shooting sport out there making it appealing to youth and seniors, novice and experts. Any practical handgun, including 22 rimfires (both handgun and rifle). Sign up starts at 9AM. Cost for monthly club level matches is \$10 for Pinetucky Club Members and \$15 for non-members. A second firearm can be registered for an additional \$5. Standard Pinetucky safety rules apply

13 Feb. NRL22 Match

The goal of NRL22 is to make Tactical Rifle more available to every community. The NRL22 understands that the shooting community is fascinated with Precision Rifle, but most local ranges do not have 1000 yd capacity. NRL22 brings Long Range Tactical Rifle to your local 100 yd range. For more information go to NRL22.org. Cost will be \$20. **Rifle Range will be closed.**

13 Feb. NSCA Sporting Clays

We will host a Registered Sporting Clays Shoot. If you would like to shoot in this event, come on out and sign-up that day. Course open from 10 am – 3 pm

20 Feb. USPSA (United States Practical Shooting Association) Pistol Match

Practical Shooting measures the shooter’s ability to shoot rapidly and accurately through obstacle-laden courses. The shooter moves, negotiates, runs, covers, and speed reloads through the stage as fast as their skill will allow. If this fast paced shooting sounds like fun, come out and give it a try. Show up with an unloaded centerfire pistol in .38, 9mm, .40, or .45 in an enclosed case and ask a match official where the safe area is so you can holster your gun safely. Also bring a rigid holster, magazines, and mag pouches capable of holding at least 32 rounds. Overall match round counts are usually between 100 and 150 rounds. Specific division requirements can be found at <http://uspsa.org>. Starts at 9:30 AM and cost will be \$20 (\$15 for Pinetucky members, active duty military, police, and fire)
