GUN CLUB

July 2020 Newsletter

4 July - Steel Shoot. Steel shooting offers a port of entry to the shooting sports that is far less intimidating than practical shooting. Steel provides an excellent starting place for young or beginning shooters. Steel offers the most diversified shooting sport out there making it appealing to youth and seniors, novices and experts. Any practical handgun, including 22 rimfire (both handgun and rifle). Sign up starts at 9 am. Cost for monthly club level matches is \$10 for Pinetucky Club Members and \$15 for non-members. A second firearm can be registered for an additional \$5. Standard Pinetucky safety rules apply.

11 July - NRA Women On Target Program here at the club. It is a ladies' day at the range open to females only, ages 16 and over. This program will introduce them to the shooting sports. Cost is \$20, and you need to preregister. You don't need to bring anything but a friend: all firearms, ammunition, eye/ear protection will be provided. Times will be 9:30 am – 4 pm. Lunch will be provided. Call Steve at the club, or email Carol Rosenqvist crosenqvist@nrahq.org or WSLPinetucky@gmail.com. **Pistol range will be closed for the day for this event.**

18 July - USPSA (United States Practical Shooting Association) Pistol Match. Practical Shooting measures the shooter's ability to shoot rapidly and accurately through obstacle-laden courses. The shooter moves, negotiates, runs, covers, and speed reloads through the stage as fast as their skill will allow. If this fast paced shooting sounds like fun, come out and give it a try. Show up with an unloaded centerfire pistol in .38, 9mm, .40, or .45 in an enclosed case and ask a match official where the safe area is so you can holster your gun safely. Also bring a rigid holster, magazines, and mag pouches capable of holding at least 32 rounds. Overall match round counts are usually between 100 and 150 rounds. Specific division requirements can be found at <http://uspsa.org>. Starts at 9:30 am and cost will be \$20 (\$15 for Pinetucky members, active duty military, police, and fire).

18 & 19 July - We will host a Georgia DNR Hunter education Class. The class event ID is 34388. You must have each participant create an online ID at www.gooutdoorsgeorgia.com. Woman's shooting League at Pinetucky is a ladies only, non-profit organization established by women shooters for women shooters in the pistol, rifle and shotgun sports. This organization is designed to take beginners to whatever skill level they wish to achieve and provide experienced shooters with more opportunities to learn and grow. We meet monthly to practice, learn and grow as shooters. The objective of some is to improve their skill levels for target and/or competitive shooting. Also, we hope to create opportunities for women to be introduced to issues important to women shooters, learn safe gun handling skills and train together. Events are 4th Saturday of every month.
