

PINETUCKY JULY 2022 NEWSLETTER

Hello Members:

We apologize for the lateness of this newsletter, but we have been dealing with Comcast/Xfinity issues for the past week. We have been without internet at times and without phone service for several days now. Hopefully this will all be corrected on Tuesday the 28th during our service call. If you need to reach us please message through our Facebook page or email us at pinetuckygunclub@gmail.com Our phone service has been restored, however the email is still an issue. Please use the gmail account listed for all correspondence, thanks.

Presidential Notes

Summer is here and we are off to a great start. We are continuing to improve our facilities and would love to hear from you to know what you think.

If anyone has not had a chance to meet Lewis Haynes, our new head of maintenance and grounds, please take the opportunity to do so. He can fix just about anything (the wobble trap is up and running) and has been a great addition to our club.

I hope you will make plans to join us on July 13th as we resume our Wednesday night suppers. Our first on will be a special time as we honor Steve Meldrum's retirement with a tasty steak dinner. We will also have some fun shooting events planned for the evening. We look forward to resuming this tradition and celebrating Steve and his 30 years of service to Pinetucky. So be sure to make your reservations – more details are below.

I look forward to seeing everyone out at the club. Be sure to bring your friends and neighbors and come out and enjoy our wonderful facility.

Regards,

Breck Brigham

Pinetucky Pullits

Our Pinetucky Pullits competed in the SCTP State Tournament at Forest City in Savannah the weekend of June 17th – 19th. Pinetucky was well represented at the tournament. We sent 27 shooters to State and we would like to honor the following Pullits: Jacey Snell finished second in the state for Trap. We had 3 young shooters tie for 1st in super sporting. Owen Wilson finished first in sporting clays in his age group. Way to go everyone!!! Overall the targets were fair, but challenging. On our Sunday skeet day the winds were strong and steady, but all our participants shot well.

Our program continues to grow and we thank all who help support these young shooters and our program. Through that support, we continue to be able to provide a wonderful facility for all to practice. Thanks to those who help coach and volunteer!

Beginning in August, the GISA (Georgia Independent School Association) will kick off with 4 shoots during the fall. August 20th will be the first and we hope you can join us for lunch and help support our schools. These kids are good!

Looking forward to seeing you at Pinetucky

Charles Dolan
