## **June 2024 Newsletter**

### **Pinetucky Update from Charles Dolan**

**I hope everyone had a great Memorial Day weekend! Thanks to all of our military and service members who have served our country. Please come join us for fun at Pinetucky.**

**In early May, we selected a new Board. Lori will post our member list in our newsletter. (Board members listed at the bottom of the letter).**

**Please reach out if you have any questions or concerns. Our new Board is excited to get moving on several new projects that have been in the making for some time now. Our club has been able to increase our balance sheet slightly over the past year, watching closely as our fixed costs have risen. For our long-time shooters, we want to make sure we are fairly priced, as we don't want to lose anyone.**

**Our youth group, Pinetucky Pullits, are having a great year. We have a relatively young team this year, but we have had several seasoned shooters who have hit a higher platform in shooting all shotgun areas. At regionals in Savannah in April, several seasoned shooters, as well**

**as several new shooters, placed in the event with 591 shooters from 7 states competing. The Pullits continue to give stiff competition to all in the state. One of our shooters, Jacob Judson, has been awarded a spot to the Sub Junior National Team. In his travels, most recently to the world Shoot in New Jersey, Jacob walked away with 4 trophies. Congrats to all shooters and look forward to seeing them compete in Savannah on June 6-7 at our SCTP State meet.**

**You will see a new sporting course layout shortly. The landfill is opening 2 new cells, so we will be clearing a new area for several stations. Along with the new course, we hope to add more topography which, in return, adds more challenging targets. Here in lies the proverbial questions- hard course or soft course? We hope to purchase more machines to have both sets of targets for our group. Stand by-**

**Come join us and we look forward to seeing you at Pinetucky.**

**Charles Dolan**

Happy June Everyone: Time is flying by, and the year is almost half over. The Annual meeting on May 8<sup>th</sup> was attended by 40 people and the meal that was served was enjoyed by all. Many thanks to Bobby, Buddy, Bull and Garrett for cooking for us on this day. After the meeting our members enjoyed a few rounds of scrap under the lights. See the pictures below. A good time was had shooting on the field.

**Wednesday Night Supper:** Our next quarterly meal will be in September (rumor has it that it is a low country boil) and the last quarterly meal will be the chili memorial dinner on October 30<sup>th</sup>. It will honor Tom Jackson, RJ Cislo, Jim Stanley and Chuck Lambert. All four of these members were involved with volunteering for many activities in the club and are greatly missed at events. The memorial dinner raised money for Women on Target last year and will do so again this year.

**This is a reminder to anyone that has after-hours access.** On the past two Wednesdays, Lori has come in to get the numbers off the machines and found that the trap machine has been left turned on on field 3 and not filled by whomever used it on Monday or Tuesday. Also, shells have been left on the fields. Please be mindful and remember to turn the machines off, fill them and wind up the cord. Also please pick up the shells on the fields. Buckets are provided to assist you with this. Also, please make sure that you are signing in on the sign in sheet located in low house 2.
