## GUN CLUB

### March 2021 Newsletter

Dear Member,

I hope everyone is staying dry and finding ammo to shoot. Hopefully, the ammo issue will ease up shortly! Our youth program, Pinetucky Pullits, continue to practice throughout the week, preparing for several events in the near future. Women on Target is gaining ground as participation continues to grow on a monthly basis. Lori Cislo is doing a great job heading that up.

We continue to make improvements to the club, some may be noticeable, so maybe not so much. New trap machines are being sent shortly. Improvements to the fields such as a renewed sprinkler system, along with fertilization. You will begin to see new signage go up as we have sold all 15 Sporting Clay Stations to sponsors. We still have available the rifle and pistol ranges. Hopefully, you will continue to see physical improvements as the year continues. All of us appreciate your support- come have some fun!

The 2021 Club Clay Target Shoots will be held on the following dates. Shoots are open to any club member and their family. There is no extra cost for the shoot other than cost of targets. The Skeet & Trap events will be 50 targets for each event (you can enter as many or as few events as you want) Sporting Clays will be 100 targets. Events can be shot any time during that weekend just sign in at office. For more info contact Steve at club. Skeet May 20-30, Trap July 31- Aug 1, Sporting Clays Oct 30-31.

### 20 Mar. USPSA (United States Practical Shooting Association) Pistol Match

Practical Shooting measures the shooter's ability to shoot rapidly and accurately through obstacle-laden courses. The shooter moves, negotiates, runs, covers, and speed reloads through the stage as fast as their skill will allow. If this fast paced shooting sounds like fun, come out and give it a try. Show up with an unloaded centerfire pistol in .38, 9mm, .40, or .45 in an enclosed case and ask a match official where the safe area is so you can holster your gun safely. Also bring a rigid holster, magazines, and mag pouches capable of holding at least 32 rounds. Overall match round counts are usually between 100 and 150 rounds. Specific division requirements can be found at <http://uspsa.org>. Starts at 9:30 AM and cost will be \$20 (\$15 for Pinetucky members, active duty military, police, and fire).

Additionally, students will complete live fire training and a nationally standardized shooting qualification while on the range with an NRA Certified Instructor. Students will receive the NRA Guide: Basics of Pistol Shooting hand book, take a Basics of Pistol Shooting Student Examination and receive a course completion certificate bearing the signature of the NRA Secretary and your NRA Certified Instructor.
