

Pinetucky Gun Club March 2022 Newsletter

Notes from Charles Dolan (board president):

Hi all: I hope everyone is gearing up for an early spring. The weather is getting nice and it's time to come out and shoot. When you come out to Pinetucky, please take a moment and notice the changes to the interior of the clubhouse and the exterior. Lori Cislo has been re-arranging the interior and we have done some repairs and painted the front porch and rear entrance. Many thanks to those who helped in making this happen. In addition, we had a workday on Saturday the 12th with our members and the Pullits, our youth shooting group. The trap machines have been adjusted correctly, along with backfilling around the skeet/trap stations. We were also able to burn the interior circle of the sporting clay course again, hoping to make this area come to life. John Higgins let the charge to re-configure the sporting clay course.

On another note- the Pullits are hosting a Friday night dinner at the end of every month. March 25th is the date for this month and you can find the details further down in the newsletter. Please come join us after dinner and shoot with the younger group. Just some FYI – we shot in January and the younger guns “cleaned our clock”! Owen Spivey took the older crown in a game of Scrap. It's time to get revenge!

Please come out and join us for shooting activities. The pistol side is picking up and there is a crowd that shoots sporting clays most Sunday mornings.

Attention Members: *If you have not picked up your 2022 Member Badge please drop by the clubhouse during open hours and pick yours up.*

Our March weekends are full of events so please look for range/field closures this month for these events. You can look for closures here in the newsletter or at www.pinetucky.com on the events calendar.

March Events

March 5th – Kids Masonic Shoot – This is Pinetucky's 15th year of holding this event. Pinetucky teaches the youth that attend safe gun handling in rifle, pistol and shotgun. Don Raley of Appling Archers also provides instruction in the discipline of archery. If any of our members would like to volunteer to help out this day, please contact Lori at 706-592-4230. Specifically looking for help with shotgun.

March 5th - Steel Challenge (Rifle Range Closed) Please register through Practiscore.

<https://www.practiscore.com/pinetucky-steel-challenge-05-march-2022/register>

Augusta

March 19th – Young Life Sporting Clays Shoot – (Sporting Clays Closed Today for Event) www.augusta.younglife.org/events for information and registration. Young Life is an organization that impacts the lives of teenagers in our area. They reach out and build bridges of trust with the youth and then teach them the unconditional love of Christ. \$125.00 gets you an individual entry to this event or \$500.00 for a four-some. So, gather your friends and register

to shoot the event. If you can't shoot, and you want to help out the youth they are accepting sponsorship towards this event. Information can be found at the above website. Come on out in March and have some fun, the weather should be great.

March 25th – Pinetucky Pullits Spaghetti Dinner. Come out and eat with our youth shotgun shooters and then join them for shotgun games after dinner. \$10/adults and \$5.00/children. For further information and to **RSVP** please text Leila Hebert at 912-312-0866.

March 26th – Women's Shooting League at Pinetucky – Silhouette Shooting on the Rifle Range 8:45am – 12pm (Rifle Range Closed) Carol Rosenqvist will be in town to teach this course. Contact WSLP at wslpinetucky@gmail.com for further information.

the

March 26th – Augusta Christian Schools – Team Shootout

Championship - 9am start time. Our ACS TSC is a special event, the last competitive shoot of our season/year. The event is 25/25/50 (Trap/Skeet/Sporting Clays) and competition is limited to our ACS Shooting Lions team only. The winner captures our "Champion of Year" trophy and black jacket award.
