## **Update Regarding M18**

“Air Force Global Strike Command has paused use of the M18 Modular Handgun System, effective July 21, 2025, until further notice,” AFGSC spokesperson Charles “Moose” Hoffman has now confirmed to TWZ. “This decision was made following a tragic incident at F.E. Warren AFB, WY, on July 20, 2025, which resulted in the death of a Security Forces Airman.”

Therefore PGC has banned the use of Sig P320 & all variants on our property until a thorough investigation has declared it is safe. - PGC Staff
