Paul E Cundey
IV

Our Newly
Elected At
Large Member
Of The Board
Of Directors

Paul is an avid shooter who regularly competes in the monthly Steel Challenge matches. He is a Smith & Wesson revolvers collector and competes with them in the Optical Sight Revolver, Iron Sight Revolver and Rimfire Pistol Iron divisions. Paul is a fairly new member of the club but has been coming to Pinetucky since he was young. He is excited to develop his skills on the Sporting Clays course. He has BS in Physics from Georgia College & State University and BS in Mechanical Engineering from the Georgia Institute of Technology. Paul is a Mechanical Engineer employed by Savannah River Mission Completion. He has ten years experience working in nuclear waste remediation. Paul founded his own gunsmithing company Cundey Custom Gunworks LLC in 2020. His areas of expertise are firearm repair, conservation, restoration, aftermarket parts installation, maintenance, cleaning, with a forte for Smith & Wesson revolver action jobs and trigger tuning. Paul and his wife attend St. Mary's on the Hill with their three young daughters.
