

The background of the book cover is a photograph of the interior of a large, historic church. The view is from the back of the sanctuary, looking down a long aisle lined with dark wooden pews. The floor is covered in a patterned carpet. At the far end of the aisle is the altar area, which is brightly lit with a warm, golden light. Above the altar, a large, ornate stained-glass window is visible. The church's architecture features high, arched ceilings with intricate stonework and ribbing. The overall atmosphere is solemn and majestic.

Foreword

Dr. Ron Horner brings an exciting new level of prayer strategy to what has seemingly been the prayer-resistant effects of generational curses resulting from Freemasonry. As a minister of the Gospel, Ron has passionately sought the Lord for answers to help people obtain complete freedom and stay free. Over the last couple of years, Ron has come into a greater understanding about the Courts of Heaven and false verdicts of Hell, while authoring two books; *The Courts of Heaven: An Introduction and Overcoming Verdicts from the Courts of Hell*. In this new book, *Overcoming the False Verdicts of Freemasonry*, Ron brings an invaluable combination of experience, research, prayer and revelation regarding the Courts of Heaven to unravel the imposed generational curses of Freemasonry. While there are many facets of healing, the impact of Freemasonry cannot be underestimated or overlooked. Ron removes the mystery and sheds light on Satan's plan of evil.

When you read the 'Areas of Impact' in Ron's book it is overwhelming to see so many families suffering from great loss of health, finances and well-being. Lives which should be abundant and full of life are robbed by affliction, misery and

trauma because of their ancestors' involvement in Freemasonry. The curses that are spoken by the Masons upon themselves and their bloodline are murderous, and the spiritual implications of these curses have families in very real captivity. What is equally grievous is the ignorance of the majority of men who have entered the Masons as Christians, professing to be followers of Christ. Unfortunately, this hideous deception continues to draw men into this cult, and the poison continues to flow into families and generations.

Satan's architecture of evil that is webbed tightly inside the Freemasons is shrouded in deception, lies and entrapment. He would like nothing better than to see the Body of Christ continue 'spinning their wheels' doing 'curse-breaking prayers' over and over with no finality of freedom from the bondage of Freemasonry. Ron gives the reader the opportunity to address the curses inflicted on past, present and future bloodlines. He arms the reader with truth and knowledge of protocol to bring repentance into the Courts of Heaven to overthrow the false verdicts of Freemasonry. With in-depth understanding of the false verdicts of Hell, Ron takes us through the oaths, rituals, and self-curses spoken down through the centuries which need to be overturned in the Courts of Heaven. This is paramount for any believer who knowingly (or may suspect) has Freemasonry in their bloodline.

I've ministered to many broken, hurting and 'stuck' people and the Masonic 'thread' is so common, it is dumbfounding. I too, have Freemasonry in my bloodline, and I have done

many different 'Masonic deliverance prayers' repeatedly over my 20 years of ministry. Each time I would do them, I hoped the next time would be more effective. However, when I prayed the prayers in Ron's new book and went to Court of Heaven to overturn the false verdicts, I have never felt so free. I experienced a tangible shift deep inside my spirit and I felt the freedom. I could feel my body physically shift with the DNA cleansing and I continue to experience freedom.

I highly recommend this unique and comprehensive book which takes you through the bondages resulting from the curses of Freemasonry. Get ready to see the clutches of Masonic curses evicted from your life, your family and your bloodline. It's what Jesus paid for!

Preface

Few organizations in human history have integrated themselves at every level of society like Freemasonry. Although it touts itself as not being a “secret organization” but rather “an organization that has secrets,” the result is the same. Men (and women in certain sectors) take oaths to demon gods that bind them, their families, and their future generations to covenants and verdicts that bring destruction on their entire bloodlines. The insidious nature of how these organizations—the Scottish Rite, the York Rite, Shriners and their many offshoots and entanglements (including the Illuminati) were borne in the councils of Hell. Read what the psalmist said about this:

¹ How dare the nations plan a rebellion. Their foolish plots are futile!

² Look at how the power brokers of the world rise up to hold their summit as the rulers scheme and confer together against Yahweh and his Anointed King, saying:

³ “Let’s come together and break away from the Creator. Once and for all let’s cast off these controlling chains of God and his Christ!”

Psalm 2:1-3 (TPT)

This book will help unveil the false verdicts that empower the curses of Freemasonry that—on every level of one's life—bring destruction or fear of destruction. The oaths have bound once honest men¹ to dishonesty, treachery and even murder. The blood covenants made tie not only the person, but their generations to the wickedness of Freemasonry.

Outsiders, who look at the various oaths and entanglements often wonder, 'What would make men take oaths such as those required by Freemasonry?' Why would otherwise sensible men do so? Freemasonry was built on appeals to reason. They are systematic and built line upon line, precept upon precept. In the case of Freemasonry however, the precepts are false, but logical to an unspiritual mind. It is upon the appeals to reason that the wall of deception is built. When reason is coupled with secrecy, the result is a system such as theirs. It is a system of belief that makes sense to those in it, but not to others looking in from the outside because they do not have the 'reasoned approach' built into them. The 'reasoned approach' has its root in the Tree of Knowledge of Good and Evil.

Freemasonry also speaks to the pride of men to belong to something greater than themselves—a brotherhood of sorts. To advance, one must take on greater and greater

¹ Freemasonry is a predominantly male organization. A small number of lodges have allowed women to become active Masons.

commitments while becoming more deeply entangled in the web of Freemasonry. As one goes through the prayers and courtroom scenarios presented in this book, one *will* find freedom as the false verdicts empowering Freemasonry to get overturned in the Courts of Heaven. That freedom will not only impact the individuals who took the oaths, but also their families and future bloodlines. Many don't think they (or their ancestors) have ever been involved in Freemasonry, but the reaches of this organization go quite far into society. Their "good deeds" are merely means of entanglement by the enemy, and thereby many have been deceived.

Many do not realize how the false gods take advantage of ignorance to create ties to us. We simply could have visited a lodge, chapter, or temple and we become bound because we stepped foot on their 'sacred' grounds. You may have purchased a meal at a Shriner's Fish Fry (that created a trading floor as far as the demonic world is concerned). Being curious and investigating whether to become a Mason can possibly be sufficient. The enemy will use any hook he can to connect us to the false religion that is Freemasonry. Thus, why we need the freedom offered in this book.

Having written two books relating to the Courts of Heaven prayer paradigm, I found myself in the spring of 2018 seeking for a real solution to the problems many people who were embracing the concept of the Courts of Heaven prayer paradigm. It seemed that in approximately 90% of the situations where people were unable to obtain relief from the

assaults of the enemy, that Freemasonry was the common link. It was the blockage to the answers they were seeking.

Whether the person was dealing with a legal matter (in our natural court system) or was living under some other kind of bondage from which they could not obtain true freedom--Freemasonry was never far away. I found several prayers (one is even included in this book), but I was not satisfied that they had dealt sufficiently with the legalities involved.

New Zealander Selwyn Stevens² has much material regarding freedom from Freemasonry (which I recommend) and has an understanding concerning the Courts of Heaven, but I needed something a bit more in-depth.

Ana Mendez Ferrell³ also has written 'The Dark Secret of G.A.O.T.U.' on the subject of Freemasonry. Her prayer of freedom is included in the back of this book.

Grant and Samantha Mahoney⁴ also have a book on the subject which is quite thorough particularly regarding Scottish Rite Freemasonry, and they also have an understanding concerning the Courts of Heaven, but again I felt an even more laser-guided approach could be found. Even so, I recommend each of these resources highly.

As the author of “Overcoming Verdicts from the Courts of Hell,” I came to see that much of what binds people to the clutches of Freemasonry are false verdicts. False verdicts are legal agreements created to create bondages. As these false verdicts are identified, they can be overturned in the Courts of Heaven. That is the aim of this book—to identify and overturn.

Even the literature used by Freemasons to entice ‘good men’ to join the fraternity you will find false verdicts. For instance the statement is made in the second paragraph of a recruiting brochure saying, ‘...and Masonry is always ready to welcome good men into the Fraternity. The underlying message contains the false verdict: Those involved in Freemasonry are ‘good men.’ (Have You Ever Considered Becoming a Freemason) This is not meant as an insult, but Jesus himself said, ‘No one is good but God.’ (Mark 10:18). It is based on an assumption that those involved have a certain degree of ‘righteousness’ of their own and if they are righteous, then they have no need of God. They subconsciously (and sometimes conscious) believe that the righteousness they possess is sufficient. This same concept is reinforced in title of their pamphlet ‘The Real Secret of Freemasonry: Making Good Men Better.’ The pamphlet states:

Freemasonry is a system of morality, veiled in allegory, illustrated by symbols. Not a religion, but religious in character, it is a philosophy of ethical conduct which imparts moral and social virtues and fosters brotherly love. They embody the understanding by which man can transcend

ordinary experience and build 'a house not made with hands' in harmony with the Great Architect of the universe. (The Real Secret of Freemasonry: Making Good Men Better)

The teachings of Freemasonry teach goodness apart from God. Such understanding is a deception that tells you that you have no need of God, therefore no need of a savior. You can be 'good' without God, but you still need a savior—Jesus Christ.

As you read through this book you will see numerous examples of why the above statement is riddled with falsehoods. For example, they state they are a 'system of morality,' however in the initiation ceremonies of several of the levels they, in essence declare that they are a law unto themselves totally apart from a relationship with God. They say they are not a religion, yet they have their bible, hymns, baptisms, priests, code of conduct, a supreme deity, even a type of communion, and more—which sound very much like a religion.

In addition, they tout that they embody the understanding by which man can transcend ordinary experience.' The implication is that they can become gods. These are false verdicts—lies by which understandings are established. When we agree with a lie, we empower the liar. Let us get the power of these lies broken over our lives and our generations.

May you find freedom as you work this book and see the curses you and your family have been under completely removed from your lives.

ISAIAH 45:2

Chapter 1

The Concept of False Verdicts

In my book 'Overcoming Verdicts from the Courts of Hell' the concept of how false verdicts come about is explained in-depth. Simply stated, when someone comes into agreement with another person a verdict (or judgment—the terms can be used interchangeably) can be obtained; this becomes a legally binding agreement in the spirit realm with certain impacts (usually negative) available to those involved.

When these agreements are contrary to the nature of God or the Word of God, they are false verdicts (as opposed to 'true' verdicts arising out of the realms of Heaven). Any false verdict has its ultimate origin in the courts of Hell (yes, Hell does have a court system (see Matthew 16:18-10)). The good news is that any judgment arising out of any of the courts of Hell can be overturned in any of the Courts of Heaven (of which many exist). We must recognize that ANY judgment arising out of Hell is inferior to any judgment arising out of Heaven.

In Matthew 16:19 Jesus describes that “the gates (courts) of Hell” would not prevail against the church. However for that to occur we must understand a few things:

- 1) That Hell does have a court system just as the Kingdom of God has its court system (Zechariah 3:7);
- 2) Prevailing over the courts of Hell is predicated on understanding and abiding by the rules of the spirit realm;
- 3) Prevailing involves the dissolution of formerly binding contracts and the instituting of new contracts (binding and loosing);
- 4) Because we have not even understood that a court system existed, we have to catch up, and then we will be able to overcome and prevail just as Jesus predicted.

The church is a judicial/legislative body, and as such we are to operate in that fashion. We must understand that we have been empowered to obtain legal rulings that are favorable to the Kingdom of God. The Passion Translation renders Matthew 16:18-19 this way:

¹⁸ I give you the name Peter, a stone. Moreover, this truth of who I am will be the bedrock foundation on which I will build my church – my legislative assembly, and the gates of hell will not be able to overpower it! ¹⁹ I will give you the keys of Heaven’s kingdom realm to forbid on earth that which is forbidden in Heaven, and to release on earth that which is released in Heaven.” (TPT)

The church as a whole has not understood that we have a legal authority to see the Kingdom of God enacted in real time upon the earth. Many have been focused on their exit strategy as opposed to having a mindset of a long-term siege. The latter strategy is preferable to conquer the works of the enemy and to establish the Kingdom of God upon the earth as we have been commissioned and commanded.

Once a false verdict has been identified, the believer must get that false verdict overturned in the Courts of Heaven and the captives released. Often repentance is required because these false verdicts are given the right to be enacted because of the failure(s) of the church. Our inaction has often opened the doorway to many negative things to occur. As we become pro-active, we can begin to see these false verdicts overturned and victory come to the body of Christ on levels never before experienced. However, we do not do the overturning. We simply present the case before the Courts of Heaven and allow the Courts to do their work in overturning the false verdicts and securing the release of those in captivity.

Our part is to present the case and be willing to repent of our sins and the sins of our ancestors to see these false verdicts overturned successfully. Without true repentance, the false verdict will continue to have a right to remain in place. Repentance dissolves the glue holding the false verdicts in place.

Many people have trouble repenting for something they had nothing to do with directly, however, if we understand

that the result trumps our personal biases, we should be willing to do so in behalf of our children, grandchildren—our future generations (see Isaiah 43:26-27). We have the example of Daniel who repented of his sins and the sins of his forefathers (see Daniel 9).

Of course, a rapture mentality falsely tells us that we are getting out of here at any moment, so why bother. That is an entirely selfish mindset of which we should repent as well. If Jesus were to come at this moment, we would essentially be condemning at least two-thirds of the planet to Hell because they do not know Jesus because the church has done poorly in discipling the nations.

Simply stated, we are legal heirs, and if we want the curses to stop rolling down the hill, repentance is required to do so. It does not matter who committed the sin at this point. What matters it is getting it stopped. If your house is on fire, the time to concern yourself with whom or what started the fire is not necessarily while it is burning—the important thing is to get the fire put out!

Once the repentance is complete, we may be given additional instructions related to the false verdicts we are seeking to be overturned. Upon agreeing to obey those instructions, the ruling will be granted overturning the false verdict. As part of our request for the overturning of a false verdict, we also request its replacement by a righteous verdict—a verdict in alignment with the Word and will of God. You always want to remember ‘the Law of the Vacuum.’

Once something is removed, something else will seek to fill that void. If you have been involved in deliverance ministry, you understand this concept. We want any void created by a false verdict to be replaced with something good—something arising out of the realms of Heaven and we want any curses that have resulted from the false verdict to be stopped in their entirety. We want the impact of those curses undone in every arena in which they have had impact; this includes: financially, physically, our DNA, emotionally, spiritually and every other possible arena. We want our future generations to have things better for them than what we experienced. As we follow these concepts, we will be able to see this come about. Additionally, we want everyone taken captive by the false verdict to be released from their captivity.

The Layout of the Book

As you work through the book you will see a brief overview of each degree; then the consequences one agrees to should they disclose the secrets of the order; arenas of impact (which can be emotional, spiritual, physical, or even social). Next will be false verdicts that have been identified relating to that degree. It may not be a complete list, but it is a starting point. You may receive insight into other false verdicts related to a particular degree or Freemasonry as a whole. Please feel free to share those with me for possible inclusion in updates to this book.

Once the false verdict(s) have been identified, then I will step you through a courtroom scenario with the aim of getting the false verdict(s) overturned. The courtroom scenario will include a segment of repentance. If you are impressed to repent for other things in addition to those listed, please tailor this to your situation and follow through on the repentance. The courtroom scenarios are written in first person. Even though you may not have personally been involved in Freemasonry, it is likely someone in your ancestry has been involved and therefore the associated traumas and experiences are recorded in your DNA. To pray in first person will aid you in identifying with them for the freedom of your entire bloodline.

Now, we will begin going through the various levels (or degrees as they are known) and begin to see freedom released for you and your bloodlines.

Chapter 2

The False Verdicts of the Blue Lodge

The Entered Apprentice (1st Degree)

Freemasonry wastes no time in getting the new candidate entangled in its clutches. The first level of involvement comes from what is known as the “Blue Lodge” and is known as “The Entered Apprentice.” Because they are becoming involved of their own free will, the enemy is given the legal right to the individual and their bloodlines. However, as the candidate proceeds through the various levels, they entangle their immediate family and their future bloodlines even more deeply. They take oaths that they will not disclose at any time to anyone what they have gotten involved in. Should they break that vow, then curses are released upon them and their families (present and future). If one of your ancestors was entangled in this web, then you, as a legal heir become enjoined to the curses (Psalm 7:6) and obligations of the oaths taken, particularly those sealed with blood.

Every level involved in Freemasonry is a violation of the first commandment:

You shall have no other gods before Me.

Exodus 20:3

It is a violation of this commandment that all of Freemasonry stands. It not only has the aim of placing other gods before Jehovah God, but ultimately replacing Jehovah with Lucifer who is ultimately identified in Freemason thinking as the G.A.O.T.U. (the Great Architect Of the Universe). It is not Jehovah as those in the lower levels are taught. Lower level initiates are purposefully deceived into thinking that the G.A.O.T.U. is referring to God, but that is not the case. Upper level Masons are even required to lie to those at lower levels in order to entice them to go more deeply into Freemasonry.

At the very beginning of the descent into the depths of Freemasonry the stage is set for the Mason to be above the law. Although this is not blatantly spoken, at the end of the initiation ceremony for the 1st Degree the candidate is given a “badge of innocence” symbolized by the apron. This apron is used throughout the Mason’s experience and at funeral’s with Masonic rites. It is a declaration of one’s innocence no matter the sin. When they put on the apron they are ‘wearing their innocence’ and thus declaring their innocence before the world and before God. They hold themselves guiltless of sin,

breaking the law, or any other violations of God's law or even man's laws.

The Consequences of Breaking the Oath

You agree that you will be branded as a perjurer, void of all moral worth and unfit to be received into any lodge or society of men who prize virtue and honor.

You agree that you will have your throat cut open, your tongue pulled out by the root, and it will be buried in the sea sand, a cable tow's length from the seashore so the tide can roll in and out over your tongue—twice a day (low tide mark).⁵

The False Verdicts

I am now the property of the gods of Freemasonry.

⁶ (ibid 176-177)

My decisions are no longer mine.

My allegiance is to the gods of Freemasonry from henceforth and forever.

Courtroom Scenario

Just Judge, I ask to enter the Appellate Court of Heaven this day on my behalf and behalf of my bloodlines—past, present, and future. I ask that the false verdicts entered into at the Entered Apprentice (1st) Degree that:

I and my bloodlines are the property of the gods of Freemasonry and that my/our decisions are no longer mine/ours, but that we owe allegiance to the gods of Freemasonry from henceforth and forever.

I ask that these false verdicts be overturned in the Courts of Heaven this day and replaced with righteous verdicts and that I and my bloodlines be released from every bondage resulting from my involvement in Freemasonry.

I repent on behalf of myself and my bloodlines for every involvement in Freemasonry, whether by attendance, oath, mantels, or curiosity. I repent for my pride and the pride of my ancestors that opened the door to this involvement. I abdicate every office held. I repent on behalf of myself and my bloodlines for choosing this degree, for embracing its rank, title, office, tools, regalia, privileges, its oaths, actions, and passwords. I repent for allowing myself to be hoodwinked. I did not realize what I was doing, nor did they. I repent for violating the first commandment and placing other gods before you.

[This segment concerns Masons who were married, but if not applicable to you, pray it concerning ancestors who may have been guilty.]

I also repent of taking oaths of secrecy and for the impact they have had on my spouse and our family. I am genuinely sorry for the division it brought into our home and for the destruction it caused my spouse emotionally. Instead of being one as Your Word teaches, I allowed my oaths to divide us. That is a rebellion against you and a violation of my vows to my spouse. I ask Your forgiveness this day. *[You will also need to repent to your spouse and children (and grandchildren, if applicable).]*

I forgive every ancestor who tied me to the covenants of Freemasonry at whatever level, at any time. I release them this day from their guilt. I ask forgiveness for any actions that introduced trauma into me and my bloodlines. I ask that the trauma and fear be removed, in Jesus' name.

I repent of embracing the false verdict declaring Freemasonry as the only true light and that I am the capstone. I repent for embracing the lie that I am innocent from all sin and guilt by my involvement in Freemasonry. I repent for accepting the 'badge of innocence' and for wearing it on my person. I repent of embracing the lie that I have goodness apart from you. I repent for embracing the lies that state: Freemasonry is a system of morality; Freemasonry is not a religion; Freemasonry is a philosophy of ethical conduct; Freemasonry imparts moral and social virtues; Freemasonry fosters brotherly love; man can transcend ordinary experience via Freemasonry; man can build a 'house not made with hands' via Freemasonry. I repent for embracing the lie and the fear of being labeled a perjurer and void of all moral

worth and unfit to be received into any lodge or society of men who prize virtue and honor. I don't desire to be received into any lodge or society, but only received by you. Please replace these false verdicts with righteous verdicts.

I ask that all connections and rights regarding the false gods of Freemasonry be severed and every associated curse be broken in the mighty name of Jesus. I ask that that freedom be released unto me and my bloodlines. I ask for restitution of everything lost to the false gods of Freemasonry, in Jesus' name. I acknowledge You as the 'true light.' Help me to understand that You, Jesus, are the capstone—nothing else. Help me to understand that it is only through the blood of Jesus that I am innocent of any sin or transgression—He alone removes my guilt.

Additionally, I request mine and my family's immediate release and the immediate release of everyone in my bloodlines that have been taken captive by these false verdicts.

[Now, as you await the verdict, listen carefully for any further instructions you may be given. Once a favorable verdict is rendered, you will sense a flood of peace into your being. You may also experience other manifestations as the formerly attached entities make their exit from your life. Rejoice with gratitude for the new level of freedom you will now experience!]*

**For an example of an instruction, consider this: On one occasion the Lord had granted the verdict predicated on the ongoing responsibility of the parties involved to no longer murmur or*

complain about the person who was the focus of the false verdict. As long as they maintained their responsibility not to murmur the petition would stay in place. Disobedience to that instruction could possibly result in a forfeiture of the verdict.

You also may be impressed to go further with your repentance. Following Holy Spirit's leading here and as you go through the Courtroom Scenarios outlined in this book.

[Once a verdict has been rendered, then step into the Court of Scribes to receive the paperwork for this verdict, then into the Court of Angels for angelic dispatch to handle the orders involved in the verdict.]

Here is a scenario:

I now exit this court and step into the Court of Scribes. 'I am requesting the verdict rendered by the appellate court related to the case just completed.' (Now, see yourself receiving the paperwork. It may be in the form of a scroll or scrolls, or simply some papers (often legal sized. At times you may sense many scrolls involved in the verdict.)

Once you have received the scroll(s)/papers, exit the Court of Scribes and step into the Court of Angels. It is in this court that angels are dispatched to handle the orders or instructions contained in a verdict. As you enter the Court of Angels, simply say, 'I am here with verdicts from my case. I am requesting angelic assistance to fulfill the orders and instructions of this verdict.' You will likely sense that the scribes are being taken from you and angels are swiftly leaving to handle the assignments involved. Once the angels have received their orders, simply fold the scroll/papers you have received into your heart. You will sense that although all the papers

were dispatched, you still hold a copy in your hands. It is these that you fold into your heart, saying, 'Just Judge I received this verdict on my behalf and on behalf of my family this day and I thank you.'

Fellow Craft (2nd Degree)

This level is where the covenants of secrecy really begin. The candidate agrees never to divulge the secrets of the 2nd degree with anyone of a lesser degree (which, of course, includes ALL those outside of Freemasonry). It includes spouses and children wherein treachery is unleashed on marriages in the name of Freemasonry. It begins the assault on the godly government of the family which is the most basic unit of government. The candidate is asked about his desire for this degree wherein he gives the answer—‘more light.’ This light however, is not the light of godly revelation or the light of the Gospel, but rather illumination in the dark secrets of Freemasonry. It is also at this level that the Mason agrees to ‘reprehend with justice’⁸ those who violate the oaths of Freemasonry.

Consequences of Disclosure

You agree that your left breast will be torn open, and your heart and vitals will be taken from there, thrown over the left shoulder and be carried into the Valley of Jehoshaphat (which

Our way is to be defended and its secrets kept from all outside our order.

I am now the bearer of great secrets.

I repent on behalf of myself and my bloodlines for my involvement in Freemasonry, for choosing this degree, for embracing its rank, title, office, tools, regalia, privileges, its oaths; for using the secret words, actions, and phrases, and for pledging allegiance to the bylaws and constitution of Freemasonry. I abdicate every office held. I repent for allowing myself to be hoodwinked. I did not fully realize what I was doing, nor did my ancestors. I ask Your forgiveness this day. [Once a verdict has been rendered, then step into the Court of Scribes to receive the paperwork for this verdict, then into the Court of Angels for angelic dispatch to handle the orders involved in the verdict.]

Master Mason (3rd Degree)

In this degree, the Mason solidifies his involvement in the Blue Lodge. Many do not proceed past this level, but it matters not to the demon gods to whom allegiance has been sworn. This degree brings forth a false resurrection as well as false salvation based on good works and not by faith in Jesus Christ. Although a Bible is used, it is not regarded correctly. One also agrees to not initiate anyone into a lodge who does not meet their standards—including women—for everyone is inferior to them. Additionally one agrees to help a fellow Mason regardless of the personal costs.

It is in this aspect that many have experienced damage at the hands of Freemasonry. In America, we have a legal system, which is not necessarily a 'justice system.' Due to the oath to help a fellow brother a judge or attorney is obliged to help a fellow brother even if it goes against the laws they have otherwise sworn to obey. This has played out probably millions of times through the centuries in courts around the globe. This aspect explains why one who is not connected to

Freemasonry may not receive justice in the court system and rulings be made against them, while someone with Masonic connections can be in an identical situation and have favorable verdicts rendered.

Moving Downward Into Freemasonry

Once a candidate has completed The Blue Lodge phase of Freemasonry, they may progress to 'higher levels' of involvement. Most people are aware of 33 degrees of involvement, but actually more exist than the 33 degrees. To describe those would involve far more research than can presently be given to such a project. We will, however, continue unveiling the false verdicts of the subsequent levels past the initial 3 through the 33rd degree. Also, since information is more limited concerning the York Rite, the

focus of the remainder of the book will be on the Scottish Rite. Many of the false verdicts will be similar even though the structure is different.

Within the United States, Scottish Rite Freemasonry basically has a Northern Jurisdiction and a Southern Jurisdiction. Very few differences exist between the two—primarily the variations involve the titles of the offices involved.

As you read these chapters, if you know the titles of some of the degrees are different, you can just substitute them as needed. In deference to redundancy, some degrees may be grouped together to simplify the process. I will merely group the false verdicts and the associated repentance that goes with them. Also, Holy Spirit may bring to mind aspects that you may need to deal with that were overlooked or not emphasized in this book. Again, our chief aim is your freedom and the freedom of your bloodlines.

At this point, I would like to share a personal story emphasizing the 4th degree and its associated penalty. Many people are like me in that unexpected things happen in their lives for which they have no immediate explanation.

Several years ago I was working for my older brother in his paving construction business. I had been operating the roller compacting the newly laid asphalt on a parking lot. As I was stepping off of the roller to the ground, my foot got caught, and I was spun around crashing my left arm onto the

concrete landing next to the machine. With the force of my whole body concentrated on my wrist, the bones shattered into many pieces. The subsequent repairs required two surgeries and many weeks of recovery and rehabilitation. The doctor performing the surgery remarked later that they had contemplated cutting off my hand as the damage to my wrist was so extensive.

As I contemplated what had happened and reflected upon my life at the time, I knew of no open door to such destruction—it had to be a generational issue, but what? I did not know it at the time, but when I saw the penalties involved in the 4th degree of Freemasonry, I had my answer. The penalty for breaking the other of the 4th degree was a severing of one's left hand so as to deem it unusable.

Although neither I nor my parents or grandparents for as many generations as I could research were ever involved in Freemasonry, someone(s) in my ancestry apparently had been. Subsequently, I've done repentance work along those lines and expect even fuller recovery than I have experienced thus far.

You may be in a similar situation. The unexplainable has happened to you or your family, and you want to know why. Freemasonry is a likely suspect from my personal experience and my experience in ministry of more than 40 years.

Note: The chapter headings will include the designations (Y) for York Rite or (S) for Scottish Rite if known.

Chapter 3

Release from the Effects of the Blue Lodge

Unbeknown to most people involved in Freemasonry or those suffering the impact of Freemasonry is the toll it takes emotionally upon our lives. The good news is that release from these tolls is available and it is actually quite simple. It involves a series of prophetic acts that when coupled with the intention to release yourself (or someone) else from the emotional toll, will result in freedom. Since you have gone into the courts, having identified the false verdicts and repented accordingly, the release should come quite simply to you.

Below you will find a variety of basic emotions that are involved as a result of personal or inherited involvement in Freemasonry.

Emotions Listing:

- ☐ Abandonment
- ☐ Betrayal
- ☐ Love Unreceived

- ☐ Lost
- ☐ Effort Unreceived
- ☐ Heartache
- ☐ Insecurity
- ☐ Hatred
- ☐ Vulnerability
- ☐ Anxiety
- ☐ Despair
- ☐ Disgust
- ☐ Nervousness
- ☐ Worry
- ☐ Fear
- ☐ Failure
- ☐ Helplessness
- ☐ Hopelessness
- ☐ Lack of Control
- ☐ Low Self-Esteem
- ☐ Depression
- ☐ Frustration
- ☐ Indecisiveness
- ☐ Superiority
- ☐ Self-Abuse
- ☐ Resentment
- ☐ Rejection
- ☐ Sorrow
- ☐ Defensiveness
- ☐ Anger
- ☐ Bitterness
- ☐ Hatred
- ☐ Taken for Granted

- ☐ Dread
- ☐ Terror
- ☐ Pride
- ☐ Lust
- ☐ Unworthiness
- ☐ Worthlessness¹¹

The list is not comprehensive, but it is a starting point. As you go forward, Holy Spirit may identify even more emotions that need to be released and when that happens, follow the simple procedure for release.

Although the list is extensive, I recommend you prayerfully look at the list and then select the top five and release them, then take a break. As you release these emotions, your body may need a break before you proceed. Your emotions, even your DNA can be in the process of readjustment as you work through these emotions. Your break may be only a few hours or may require a few days. Just ask yourself if it is OK to continue now and follow the impression you are given.

This part of the process can take time, but the results are well worth it. An excellent resource on this is the book by Dr. Bradley Nelson entitled 'The Emotion Code.'

Procedure for Releasing Trapped Emotions

¹¹ The Emotion Code by Bradley Nelson

The simple procedure I have found involves a prophetic act of taking my hand (or hands) and placing them above my forehead (not touching my head), then with a sweeping motion move my hand backward as if wiping something off of my head. I sweep from my forehead to the back of my neck. I have found that sometimes only three swipes of my hand from my forehead over my head to my neck are necessary, however since we are likely dealing with generational involvements in Freemasonry; I recommend you do ten swipes of your hand. With each swipe backward over your head (do them slowly from front to back), say the following:

'I release the name of the emotion from my life and from my generations, in Jesus' name.'

Repeat this with each swipe of your hand over your head. Remember to focus your intention to release yourself AND your generations from this trapped emotion. It is an act of faith and faith works by intention through love.

Once you have completed the ten swipes (minimum), you should feel a sense of release. You may sense it as a lightening of a load or lifting of something off of you. Many people report feeling lighter or freer. Some do not feel anything, but whether you do or not, do not be moved. Just move forward in faith. Remember:

PROPHETIC ACTS CREATE SPIRITUAL REALITIES.

**SPIRITUAL REALITIES MANIFEST AS PHYSICAL REALITIES
AT SOME POINT.**

Chapter 4

4th Degree

Secret Master (S)

or Mark Master (Y)

This degree has significance in that the candidate is now explicitly marked in recognition of their standing within Freemasonry. The signs of this degree involve your ear and your wrist (specifically the left wrist). Should you break your oath, you have agreed to have your ear cut off, and your left hand severed. In this level, you also covenant to perversion. All these entanglements seem so foreign when looking from the outside in, but because the candidate is initiated bit by bit and only told what is necessary to gain the next level, then everything is justifiable. Blindness covers their eyes, and they by this point (if not before) have become dull of hearing. The point of agreeing to help a brother if he is in need of a favor is reinforced in this degree.

In some circles, this degree was known as the Holy Royal Arch. It was by no means holy, nor was it royal. However, it was the doorway into deeper realms of the Masonic. It is

considered a doorway to the 'Ineffable Mysteries' of Freemasonry. (McClenechan 43)

Chapter 5

5th Degree

Perfect Master (S & Y)

The full invocation of pride into the ceremony (as well as the candidate) is manifested in this level as they are now recognized as having honor, position, and prestige. This recognition feeds the sense of pride Freemasonry has been building upon since the 1st degree. It is the same issue that caused the downfall of Lucifer.

In this level, the candidate also pledges blind obedience to the edicts of the Lodge and its leader, the Grand Master. The candidate also agrees that all the curses from prior degrees are allowed to come upon them now as part of the covenant to the demon gods of Freemasonry.

Consequences of Disclosure

From the initiation ceremony:

'To all of which I do most solemnly and sincerely promise and swear, with a fixed and steady purpose of mind to keep and

perform the same; binding myself under no less penalty than (in addition to all my former penalties) to have my tongue split from tip to root, that I might forever thereafter be unable to pronounce the word, should I ever prove willfully guilty of violating any part of this my solemn oath, or obligation, of a Past Master Mason. So help me God, and make me steadfast to keep and perform the same.' (Duncan)

Arenas of Impact

- Loss of sleep
- Loss of speech
- Encountering the takeover spirit in your home
- Abdication from positions of authority
- Death rituals
- Ungodly order
- Pride
- Operating out of positions that you are not called to¹⁴

These areas of impact are in addition to the other areas already included in the preceding degrees. However, with this level you see another aspect—rebellion is released in your home and life in ways it had not been heretofore.

I also renounce every level of involvement in

Freemasonry by my ancestors or me. I renounce the blind obedience demanded of this degree and repented for agreeing to this lie.

of Angels for angelic dispatch to handle the orders involved in the verdict.]

Chapter 6

6th Degree

Intimate Secretary (S)

or Most Excellent Master (Y)

It is interesting to note that in the ceremony for initiation into this degree, that the recitation of Psalm 24 is made. However, when the phrase “The King of Glory may come in” Freemasonry has the Right Worshipful Master (the leaders of this initiation ceremony) take this role and supposedly become the King of Glory. He functions basically as a High Priest. This perversion of Psalm 24 coupled with the fact that it invokes a new gatekeeper into the life and lineage of the candidate are striking. Much scripture is used as part of the ruse of Freemasonry’s “Christian heritage,” however that is all it is—a ruse.

In the initiation he also agrees to never be put to shame. Instead he is to shift the blame to another—in essence find a scapegoat—particularly a woman whom he can blame.

Consequences of Disclosure

From the initiation ceremony:

'To all which I do most solemnly swear, with a fixed and steady purpose of mind in me to keep and perform the same; binding myself under no less penalty than to have my breast torn open, and my heart and vitals taken from thence, and exposed to rot on the dunghill, if ever I violate any part of this, my solemn oath, or obligation, of a Most Excellent Master Mason. So help me God, and keep me steadfast in the due performance of the same.' (Duncan (208))

trimmed in red with Hebrew letter 'Yod.' I did not fully realize what I was doing, nor did my ancestors. I ask Your forgiveness this day. I repent of every ungodly alignment with which I became entangled. I repent for exalting a man as King of Glory. I renounce every level of involvement in Freemasonry by my ancestors or me. I also renounce the blind obedience demanded of this degree. I repent for agreeing to this lie. Our obedience should be to you supremely and the godly authorities you have designated in our lives.

I repent for agreeing to never be put to shame, or not allowing a brother to be shamed, but rather to shift the blame to someone else—especially to a woman. I repent of the abuse of women, of the blame shifting and for not taking responsibility for my own actions or aiding another to not take responsibility for his actions.

I ask that all connections and rights regarding the false gods of Freemasonry be severed and every associated curse be broken in the name of Jesus. I ask that freedom be released unto me and my bloodlines. I ask forgiveness for my actions in the initiation into this degree that introduced trauma and fear into me and my bloodlines. I ask that the trauma and fear be removed, in Jesus' name. I ask for release from every place of captivity. I ask for restitution of everything lost to the false gods of Freemasonry, in Jesus' name. I ask for complete restoration of my DNA to the pattern you originally planned for me.

Additionally, I request mine and my family's immediate release and the immediate release of everyone in my bloodlines that have been taken captive by these false verdicts.

[Once again, await the verdict while listening carefully for any further instructions. A sense of peace should accompany a favorable verdict being rendered by the Just Judge. You may also experience manifestations of healing and deliverance as formerly attached entities make their exit from your life. Rejoice in your new found freedom.]

[Once a verdict has been rendered, then step into the Court of Scribes to receive the paperwork for this verdict, then into the Court of Angels for angelic dispatch to handle the orders involved in the verdict.]

Chapter 7

7th Degree

Provost & Judge (S)

or Royal Arch (Y)

The ruse of allegiance to Jehovah continues in this degree. A slow unveiling of the required true allegiance will occur as one progresses deeper into Freemasonry.

An interesting part of the oath taken states, 'I furthermore promise and swear, that I will assist a Companion Royal Arch Mason when I see him engaged in any difficulty, and will espouse his cause so far as to extricate him from the same, **whether he be right or wrong**' (emphasis mine). That seems odd to outsiders, but the nature of this brotherhood allows them to make their own laws as it seems necessary. This degree seems to reinforce the prior degree in its dealing with 'justice' as Freemasonry defines it.

Consequences of Disclosure

From the initiation ceremony:

'To all which I do most solemnly and sincerely promise and swear, with a firm and steadfast resolution to keep and perform the same, without any equivocation, mental reservation, or self-evasion of mind in me whatever; binding myself under no less penalty, than to have my skull smote off, and my brains exposed to the scorching rays of the meridian sun, should I knowingly or willfully violate or transgress any part of this my solemn oath or obligation of a Royal Arch Mason. So help me God, and keep me steadfast in the due performance of the same.' (Duncan (230)

If you reveal these secrets, there's the penalty of having your nose cut off.

False Verdict

The judgments of Freemasonry are true and righteous.

Courtroom Scenario

Just Judge, I ask to enter the Appellate Court of Heaven this day on my behalf and on behalf of my bloodlines—past, present, and future. I ask that the false verdict entered into by the Provost and Judge or Royal Arch (7th) Degree that declares:

The judgments of Freemasonry are true and righteous.

¹⁷ Mahoney (179)

I ask that this false verdict be overturned in the Courts of Heaven this day and replaced with a righteous verdict and that I be released from every bondage resulting from my involvement in Freemasonry.

For every false judgment that we have been responsible for that has resulted in injustice in the lives of others, we repent for making those judgments and ask that you would cancel them immediately and release restitution and justice to those who have been harmed in whatever way you deem necessary.

I repent on behalf of myself and my bloodlines for my involvement in Freemasonry, for choosing this degree, for embracing its rank, title, office, tools, regalia, privileges, its oaths; for using the secret words, actions, and phrases. I abdicate every office held. I repent for embracing the apron stained with blood. I did not fully realize what I was doing, nor did my ancestors. I ask Your forgiveness this day. I repent of every ungodly alignment with which I became entangled. I repent for exalting man's judgments above the judgments of the Lord. I renounce every level of involvement in Freemasonry by my ancestors or me. I also renounce the blind obedience demanded of this degree and the false judgments that resulted from it and repent for agreeing to these lies.

Chapter 8

8th Degree

Intendant of the Buildings (S)*

**Limited information concerning the initiation rites of further York Rite levels could be obtained and therefore is not sufficient to include in this book. The author would welcome credible information on the initiation ceremonies of the York Rite.*

This degree in the Scottish Rite system involves praying for direction from false paths. Much of the rites involve a mythical account of the death and supposed resurrection of one, Hiram Abiff who is made out to be a false savior and resurrected one. He is a poor substitute for Jesus Christ, the only begotten Son of God.

Just Judge, I ask to enter the Appellate Court of Heaven this day on my behalf and on behalf of my bloodlines—past, present, and future. I ask that the false verdicts entered into at the Intendant of the Buildings (8th) Degree that declare:

I ask that these false verdicts be overturned in the Courts of Heaven this day and replaced with righteous verdicts and that I be released from every bondage resulting from my involvement in Freemasonry.

Chapter 10

10th Degree

Sublime Knight Elect

or Elu of the Fifteen (S)

As a continuation of the prior degree, it builds upon the myth of Hiram Abiff, false savior. A purpose of this ongoing myth is to cast doubt on the efficacy of Jesus and His work on the cross and subsequent resurrection. Further light is shed on the motives of Freemasonry by reading a small segment of the initiation ceremony for the 10th degree:

Our cause is for every people who struggle against oppression; to defend Right and Justice against Tyranny; to the cause of Free Thought, Free Speech, Free Conscience...as these lights shine in this Chapter, so shall the light of freedom illuminate the world. As my lights shine in this Chapter, so shall the light of religious and political toleration rise upon the world...As my lights shine in this Chapter, so shall the light of education and intelligence yet shine in all the corners of the earth.
(McClenechan)

On the surface, these ‘ideals’ may sound noble, but they are quite subjective. Right, and justice is defined by them; justice being quite subjective. Defending the cause of those who struggle against oppression is also subjective as history has proven. Simply look at the history of South America and the number of countries that were founded as a result of revolutions motivated by Freemasonry (i.e., Simon Bolivar, a Mason hailed as a revolutionary).

Finally, you have the idea proposed that ‘Free Thought, Free Speech and Free Conscience’ are ‘light,’ yet they are not as they seem. The philosophy of Free Thought was popularized in now humanistic France, and it was France that provided the most influential voices to these three concepts – all of which exclude a relationship with God in any fashion.

Chapter 11

11th Degree

Sublime Master Elect

or Elu of the Twelfth (S)

The miscarriage of justice is of no concern to those involved at this level of Freemasonry. Ironically in the initiation rites of this degree, the candidate promises 'to deal honestly and fairly by all men--to know no distinctions of persons--and to see that none are subjected to exaction, extortion, or unjust impositions of burdens.' (McClenechan 122) However, they already have made oaths that allow for the violation of this promise. If a fellow brother was in need of your help, you are obliged to help even if it caused 'exaction, extortion, or unjust impositions of burdens.' (McClenechan 122)

Freemasonry's version of 'justice' is not biblical justice, nor is it 'just'...it is wickedness.

- Deformity of the hands
- Judgmental and critical

Chapter 12

12th Degree

Grand Master Architect (S)

In this degree, you have the first real hint of the ultimate aim of Freemasonry –the worship and exaltation of Lucifer, whose name means ‘light-bearer.’ As stated in the initiation rites, “It is the true Masonic Light. He who obeys the Masonic law shall find it.” (McClenechan 133) These are veiled references to the end goal.

The candidate for this degree agrees to the following:

‘My body is to be exposed upon a pyramid to the heat of the sun and the cold of the night, to the rigors of the wind and may my blood run slowly, drop by drop, till the spirit is extinguished. May one augment my sufferings if I fail them. May nourishment be given to me daily to prolong and preserve a miserable existence. No punishment can sufficiently atone for my perjury.’²³

Chapter 17

17th Degree

Knights of the East and West (S)

Worship objects of the Sun and Moon are introduced in this ceremony where the candidate pledges never to be defiled by unjust gain, tyranny, oppression, covetousness, or injustice. They also pledge allegiance to Lucifer. This is the first degree where this allegiance is pledged. The candidate is baptized into this new faith as part of the ceremony.

Also, the candidate seals his oaths with his own blood – creating a blood covenant tying his generations to his actions. The Venerable Preceptor then dips his finger into the blood that has been shed by the two incisions (at the elbow and the tip of the forefinger) and ‘anoints’ the candidate with his own blood making the mark of a ‘T’ on the candidate’s forehead. It creates a legally binding agreement for which repentance is required for its undoing. After kneeling and taking the oath, the candidate is then ‘anointed.’ This anointing is a counterfeit of the Levitical priesthood.

Finally, the use of the word ‘Abaddon’ (Revelation 9:11) invokes the spirit of death into his situations.

Chapter 18

18th Degree

Knight of the Rose Croix

or Knight of the Pelican & Eagle (S)

To honestly review the Consequences of Disclosure pertaining to this degree makes one genuinely wonder how a person could get involved in Freemasonry. However, in the mind of the Mason, everything they do is justifiable. They feel that any traitor deserves what is coming to him. This is hardly in keeping with their emphasis on ‘charity’ and ‘brotherly love,’ but then again—if you disclose the ‘secrets’ you are no longer a brother, but a traitor.

This degree emphasizes that man must have a new temple in which to worship God; one fashioned out of the tenets of Freemasonry and geared to worship Freemasonry’s god—Lucifer. This level emphasizes ‘universality’ as well as ‘tolerance’ and that all religions lead to the same thing.

Chapter 21

21st Degree

Noachite

or Prussian Knight (S)

The teaching focuses on the moon and ancient mysteries of Egypt, yet as in an earlier degree much to do is made about how just they are in their dealings in court settings—about how they are supposed to help obtain justice. The experiences of many people throughout history would prove otherwise, however.

The initiation meetings for this degree could only be held on a full moon indicating a preference to moon worship—an ancient pagan practice that has no place in a believer's life.

The promises made by the candidate seem noble enough on the surface, but the undercurrent remains of ultimate devotion to Lucifer.

This particular group of Masons took it upon themselves to dispense justice AND judgment according to Masonic

precepts. They made themselves a law unto themselves as they came under the false verdict that the law of the Order was above the law of the land.

Chapter 23

23rd Degree

Chief of the Tabernacle (S)

A false purity is required of recipients of this title. Having gone through all the previous steps, they are considered 'pure' enough to attain to this position: 'and only those with hearts divested of all impurity, are commended in the performance of holy rites.' (McClenechan 331) Impurity in this instance would be very different from what we might think. To the Mason, the belief in a triune God, in a Savior—Jesus Christ, in the resurrection of the dead—those are things that make one impure. It is the aim of the degree system of Freemasonry to have you divested of these 'impurities' by this point in time so that you can fully embrace the Masonic Order and all it entails. The candidate is introduced to seven archangels and seven planets. The archangels are, of course, demons.

An obvious door to the occult has now been opened as one can see by the Arenas of Impact in this degree as the priest becomes a priest of black magic.

Chapter 24

24th Degree

Prince of the Tabernacle (S)

As Prince of the Tabernacle one agrees to the following:

'The especial duties of a Prince of the Tabernacle are to labor incessantly for the glory of God, the honor of his country, and the happiness of his brethren; to offer up thanks and prayers to the Deity in lieu of sacrifices of flesh and blood.'

The Deity, however, is Lucifer and the 'God' spoken of is not Jehovah. Although touted as a 'Christian' organization, it has strayed far from that designation, so far as to be irretrievable.

Some of the fixtures used in the ceremony are a lamp, a cloak, and a staff. Here is a description of what these items symbolize:

*The lamp is reason enlightened by science; the cloak is liberty, or the full and entire possession of one's self, which isolates the sage from the currents of instinct; and the staff is **the***

assistance of the occult and eternal forces of natures.

The enforcement of reason as being absolute is key to this particular degree. Through the use of reason, the Masonic system has built line upon line to create a culture of justified deceit, unwavering obedience, and allegiance to Lucifer—one bite at a time. As they nibble away at Truth in efforts to gain prominence and power, Freemasonry has become an end unto itself. It is dangerous.

Knight of St Andrew

or Patriarch of the Crusades (S)

The ceremony for this level involves much instruction in toleration of all religions. They teach that all paths lead to God, but not the God of the Bible, but rather Lucifer. All religions are equal.

Masonry is the universal morality which is suitable to the inhabitants of every clime—to the man of every creed. (McClenechan 417)

The doctrines of Freemasonry all tend directly to the well-being of man.

Masonry is a man's freedom before Lucifer, not his bondage unto men.

The old theologies, the philosophies of religion of ancient times will not suffice us now—they must be replaced by superior Masonic ideals.

It matters not what God you believe in.

No man is entitled positively to assert that he is right where other men, equally intelligent and equally well-informed, hold directly the opposite opinion.

No man can say that he has sure possession of a truth as of a chattel. (McClenechan 417) [or No man can say he owns truth like he owns a piece of property.]

By attaining this degree I will obtain a glorious liberation.

No mere man can dictate what another may believe.

I ask for release from every place of captivity. I repent for believing the lies identified above. I repent for allowing myself to be hoodwinked and for drinking from the goblet. I repent for believing that by attaining this degree I will obtain a glorious liberation. Liberty is only found in You. I repent for allowing myself to be baptized into a false baptism. I did not fully realize what I was doing, nor did my ancestors. I ask Your forgiveness this day. Restore a right understanding of light and truth in my life.

I ask that all connections and rights regarding the false gods of Freemasonry be severed and every associated curse be broken in the name of Jesus. I ask that freedom be released unto me and my bloodlines. I ask for restitution of everything lost to the false gods of Freemasonry, in Jesus' name. I ask for complete restoration of my DNA to the pattern you originally planned for me.

Additionally, I request mine and my family's immediate release and the immediate release of everyone in my bloodlines that have been taken captive by these false verdicts.

[As before, listen for instructions; wait for the peace; Rejoice in your freedom.]

Grand Elect Knight Kadosh

or Knight of the Black and White Eagle (S)

This degree is described in the initiation ceremony thusly:

This practical trial degree of the Knight Templar is replete with effective incident and stands prominently forward as an interesting and exciting drama.

One must remember when reading about Freemasonry that it is not what you see on the surface that is at issue, but instead what lurks beneath the surface in the realm of the spirit. Chapter 32

32nd Degree

Sublime Prince of the Royal Secret (S)

As the top tier for most Masons throughout the world, the 32 Degree oaths make it clear that they are to distribute the message of Freemasonry and never betray the message. The consequence would be great dishonor by their fellows. The prestige of this level (which includes numerous politicians and influencers) has long attracted those seeking to climb the ladder of success; leading them to make commitments at the expense of their future generations. To remain in Freemasonry has its costs as does the decision to leave the Order. Neither has good consequences for the individual or his family. Lucifer will continue to do what he has always done--use you and then throw you away when you are no longer of value. He follows that pattern here as well.

Consequence of Disclosure

You agree that you will be degraded from the society of honorable men and Masons.

Father, I repent of all regalia, jewelry, tools, and other items received or obtained in the making of these oaths to Lucifer and the false gods of Freemasonry. I willing give them all to you to be destroyed by fire. Forgive me and cut every tie that I or my generation have (had) to any unclean thing, in Jesus' name.⁵⁵

Chapter 34

Deliverance from Freemasonry⁵⁶

Now that you have worked through this book it is time also to begin releasing your body and soul from the impact of the associations to Freemasonry. Return to Chapter 3 and begin the process of releasing the many emotions that have been entrapped in your body.

In addition, you need to be sure you have received the scrolls and then had angelic dispatches made to fulfill the order of each scroll.

Also, I have included a powerful prayer by Apostolic Minister Ana Mendez Ferrell that will help you in finalizing your freedom.

Allow me to lead you in exhaustive prayer to be set free from every covenant and curse coming from this Order.

⁵⁶ Mendéz Ferrell, Ana. The Dark Secret of G.A.O.T.U. 2016 (Kindle Locations 2238-2239). Voice of The Light Ministries. Kindle Edition.

One can only leave Freemasonry through the power of Jesus Christ. A life that has not first been consecrated to Him will not find the desired freedom. Therefore, I suggest you first surrender your life to the Son of God. Recognize the sacrifice of the Cross as the only source of salvation and redemption for your sins. Repent sincerely for your involvement in Freemasonry and all its sins. Finally, in your own words, invoke the name of Jesus Christ, so that He may come and dwell in your heart. Once this is done, believe with all your heart and make a covenant with Him to follow and obey His Word with the help of the Holy Spirit. Seek the help of a Christian congregation to guide you in your new walk with Jesus.

Prayer

I renounce every position that I held in the Lodge, and those of any of my ancestors, including that of "Master," "Venerable Master," or any other. I renounce calling any man master because Jesus Christ is my only Master and Lord, and He forbids anyone else to carry that title. I repent of causing others to fall into Freemasonry's trap and passively observing the hopelessness of others during the rites. I renounce the effects of Freemasonry that were transmitted from any of my female ancestors whose husbands may have made them feel rejected and unworthy of trust when they entered and attended a lodge and refused to tell their wives about their secret activities.

I also renounce all obligations, curses, and oaths enacted by all female members of my family through any direct membership with the feminine orders of Freemasonry, the Order of Eastern Star, or any other Masonic order or occult organization.

In the name of our Lord Jesus Christ, I renounce and abandon all that involves me in Freemasonry and any other lodge, art, or occult practices on behalf of my ancestors and myself. I also renounce and break the code of silence imposed on me by Freemasonry and the occult with my family.

I renounce, and I repent of all pride and arrogance that opened the doors for slavery and bondage to Freemasonry, which afflicts my family and me.

Apprentice First Degree

I renounce the first-degree covenant with its declaration of being in darkness and statement that the only light comes from Freemasonry.

I renounce the rope around my neck and the curses upon my throat and my tongue. I renounce the fear of being trapped, claustrophobia, as well as the spirits that produce asthma, hay fever, respiratory allergies, and respiratory illnesses.

symbolism of the first tracing board. I renounce the mixture of truth and error, mythology, the fabrication of lies taught as truths, and the blasphemy in this degree of Freemasonry.

I renounce the sweet drink and the bitter drink, and I cancel the curse of bitterness upon my life, as well as the curse of the Great Architect of the Universe for leaving Freemasonry.

I renounce the secret word Boaz and all that it means, including every curse and sickness over the uterus.

I renounce the tip of the compass, the sword or spear held at my chest, heart attacks, and the fear of death and of being stabbed.

I renounce and sever every tie and protection from the elemental spirits (fire, water, air, and earth).

I renounce the symbols of Freemasonry and their power over my life and that of my descendants: the square, the compass, the hammer, the level, the chisel, the ruler, the pentagram, the hexagram, the octagon (stars of five, six, and eight points), and the star of twelve points. I renounce the covering of the apron, the flaming sword, and all the symbols of duality.

I renounce the Great Architect of the Universe with all his names.

I renounce the absolute confidentiality demanded under an oath of witchcraft and sealed by kissing the volume of the sacred law.

I loose my destiny that was bound to the unhewn rock and to the polished rock.

I command all captivity in which my soul has been trapped in the three regions of hell to be destroyed. I command my soul to be set free.

I break the covenant of unity that I made with all Masonic brotherhood.

I break the covenant signed with my blood in which I became a member of the Order.

I renounce every curse and every infirmity in my blood. I declare a Jesus Christ blood transfusion in my veins, cleansing my blood.

I renounce the pride of a confirmed character, and the good prestige demanded to join Freemasonry and the resulting self-judgment of being good enough to go before God without the need of a Savior.

I put my throat, vocal chords, and respiratory system under the absolute government of Jesus Christ.

I renounce the power of all Masonic symbols. I decree that its influence will not touch my life or that of my family.

renounce the secret words Maha Bone (Heso De Maha) Tubal Cain, and Machaben, Machbinna, and everything they mean.

I renounce the ancient teaching and symbolism of the third tribunal of investigation used in the ritual. I renounce the spirit of death represented through the rituals of murder, fear of death, false martyrdom, being afraid of a violent gang attack, assault, or rape, and the impotence of this degree.

I renounce the death covenant I made by getting into the coffin or lying on the stretcher involved in the death ritual.

I command my soul to leave all captivity of death allowed through this ceremony.

I renounce the spirit of Hiram Abiff, the false savior of the Masons, revealed in this degree.

I renounce the false resurrection.

In the name of Jesus, I pray for the healing of the stomach, bladder, belly, liver, and any other body organ affected by Freemasonry, and I ask for God's mercy and understanding to be loosed over my family and me.

I renounce the pagan ritual of the "point inside a circle" with all its bondages and phallic worship. I renounce the symbol with its << G >> symbolism and occult pagan ties. I renounce occult mysticism from the black and white tiles with the mosaic borders and the gleaming five-pointed star.

I renounce the all-seeing eye (the third eye or Horus' forehead eye) and its pagan and occult symbolism. I now close that third eye and its occult ability to see inside the spiritual kingdom, in the name of the Lord Jesus Christ, and I put my trust in the Holy Spirit for all I need to know about spiritual matters.

I renounce all false communions taken, all mockery of the redemptive work of Jesus Christ on the Cross of Calvary, all unbelief, confusion, and depression.

I renounce and abandon every lie from Freemasonry that man is not a sinner, but merely imperfect, and that he can redeem himself through good works.

I renounce all fear of madness, all anguish, death wishes, suicide, and death in the name of Jesus Christ.

I renounce all spiritual seeking within false religions.

I renounce initiative death and the spirit of death.

Now command the spirit of death to leave your life in the name of Jesus Christ. Put your hands on your head, then on the nape of your neck, and then on your forehead, and say,

I close every spiritual door that was opened in this ceremony, by my ancestors or by me. I declare healing upon my stomach, my

gallbladder, intestines, liver, and throughout my entire digestive system, in the name of Jesus Christ.

It is necessary to carry out the following actions in faith:

1. Symbolically remove the blindfold from your eyes (which represents deceit), and decree that it is burned with fire.
2. Symbolically remove the veil of mourning.
3. Symbolically cut and remove the rope from your neck and the mark it left. Decree that they are burned with fire.
4. Renounce the false Masonic pact of matrimony. Remove the ring of this false wedding from the fourth finger of your right hand and decree that it is burned with fire.

11. All family coats of arms are associated with Freemasonry. Obtain the shield representing your family, burn it, and decree that every Masonic pact is broken over the last name of your household.

Concluding Prayer

Holy Spirit, I ask you to show me anything else that I must do or for which I should pray, in order for my family, my bloodlines and me to be entirely free of the consequences of the sins of Freemasonry, witchcraft, Mormonism, and all paganism and its related occultism, in Jesus' name.

Pause at this point while you listen to God and pray because the Holy Spirit will lead you.

Now, beloved Father God, I humbly ask that You would cleanse me from all these sins that I have confessed and renounced by the blood of Jesus, Your Son, and my Savior. Cleanse my spirit, soul, mind, emotions, and every part of my body that has been affected by these covenants and curses in the name of Jesus Christ. I also

command that every cell of my body now enter into divine order and be healed and whole as designed by our beloved Creator, including the restoration of my spirit, chemical imbalances, and neurological malfunctions in the name of the Lord Jesus.

I ask, Lord Jesus, that You baptize me now in Your Holy Spirit, according to the promises of Your Word. I rejoice in Your protection and Your power. Help me to walk in Your righteousness and never go back. I enthrone You, Jesus Christ, in my heart because You are my Lord and Savior, the fountain of life. Thank You, Father God, for Your mercy, Your forgiveness, and Your love, in the name of Jesus the Son of the living God. Amen.

Chapter 35

Divorcing the Sun God

Another aspect of freedom from Freemasonry involves the divorce from the Sun and Moon God (Baal and Allah). Many do not realize that Allah is the moon god and we have insidiously been connected to this false god through the Shriners. These petitions are the result of work done by Jeanette Strauss and Doug Carr and are reprinted here with their permission.

Petition of Divorce from the Sun God

The strategy to win this case is based upon repentance, forgiveness, and restoration to God. I will request a divorce from Baal and marriage to The Lord.]

Opening Prayer

Dear Heavenly Father; Thank You for the summons You sent to me through the Holy Spirit requesting that I, as an individual, appear before You in the courtroom of Heaven on behalf of my family.

I am honored to come together in agreement representing myself.

Thank You for this opportunity to bring my case into the courtroom of Heaven.

I ask that my record book be opened and the Judge look back to the beginning of my creation.

I ask that all previous righteous, intercessory prayers that have been presented to You on my behalf throughout the past generations be included with my petitions. Amen.

This Scripture found in Isaiah 58:12 describes my intention:

Those from among You shall build the old waste places; You shall raise up the foundations of many generations; and You shall be called the Repairer of the breach, The Restorer of streets to dwell in.

Through the power of the Holy Spirit combined with my prayers, I can play a part as restorer of the breach in my life. I am called to be an Ambassador of Reconciliation endowed with the Power of Attorney through the authority of Jesus Christ that he has delegated to me as a believer.

I understand that the power and authority to change my community and transform my territory comes completely through the Righteous Judge of Heaven and Earth who presides over the Courts of Heaven. I know that when I legally settle my case in Heaven's court, I can expect a corresponding action on the earth.

The Holy Spirit has brought to my attention that the trials and tribulations I read about and experience on a daily basis in

this family have grown out of a rotten root of disobedience and rebellion to the ways of God, which has been growing for years and has obtained a spiritual legal right to grow into a large tree that has been bearing bad fruit in this family. I understand and admit that this is due to sin committed against You. This is why I look forward to my opportunity to come into Your courtroom in Heaven on behalf of this family and lay the ax to the root.

One of my focuses is to divorce the foreign god called Baal in all of his forms. I am using information from Chuck Pierce and Dutch Sheets Ministries that pertain to this case and can also be found on the Heartland Apostolic Prayer Network website (www.hapn.org).

My first question is: "Who is my enemy called Baal, and how is he affecting me today?"

Chuck and Dutch say:

Baal is identified as the ruler of the demons. Matthew 12:24 (Beel-ze-bub is another name for Baal) Baal-hamon, one of his names, means "the lord of wealth or abundance." This is the principality warring against the great transfer of wealth to the church. You must war against this spirit to see Your inheritance released.

Baal-berith, another of his names, means "the lord of the covenant." The Hebrew word Baal actually means "husband" or "marriage." This spirit always attempted to cause Israel to "divorce" or break covenant with God and "marry" or align with him. Consistent with this, in so many ways America has

broken covenant with God and married Baal. This is, I believe, the strongman behind most covenant-breaking.

Baal is the strongman behind sexual perversion. Homosexuality was and is one of his big strongholds. I believe all of the sexual sin and perversion in America is, to one degree or another, under Baal's orchestration. You will continue to see God expose leaders in the church who have aligned themselves with this spirit. Pray for the church to be cleansed and for Baal's hold on America in this area to be broken.

Baal always goes after the next generation, trying to cut off the extension of God's covenantal purposes. He is a violent spirit and even required human sacrifice. Abortion is under Baal, as is the "cutting" of today's young generation. (See 1 Kings 18:28.)

I agree this includes the Vampire and Goth movement, and the death culture that has so invaded America. Baal is leading the fight to avert the great awakening planned for the young generation of Americans today. I must pray against and see these efforts bound. Witchcraft and occult spirits, in general, operate under Baal as does Jezebel.

The Baal Principality (god of 1,000 faces) Baal (Sun god): Bel, Apollo, Zeus, Marduk, Ahura-Mazda, Osiris, Tammuz, Dagon, Prometheus, Jupiter, Nimrod, Mithra ("Another Jesus" and "The Anti-Christ"), Ra, Lucetius, Dyaus, Dionysus, Hermes, Adonis, Pan, Hades, Eros, Uranus, Gaea, Assur, Merodach, Ninus, Shamas, Zeus-Belus, Bacchus Queen of Heaven (Moon & Sun goddess): Mother of Harlots, Mother of

God (and child), The Great Mother, Ashtarothe, Artemis, Aphrodite, Juno, Lilith, Minerva, Columbia, Nike, Astarte, Athena, Beltis, Diana, Isis (Horus), Anahita, Inanna, Tanat, Ishtar (Easter), Cybele, Mylitta, Hathor, Kali, Columbia Leviathan: Neptune, Poseidon, Tiamet, King of Children of Pride ministry.

My strategy to gain the victory over this principality is through courtroom of Heaven intercession. I will obtain the legal right through repentance and forgiveness for sin committed against God to remove the lawful rights Baal has used to withhold the transfer of wealth and release my inheritance. Chuck Pierce tells me to claim Jeremiah 51:44 which I will include in my decrees.

I have subtitled each of the prayer point issues listed above with the numbers 1-4. I will list the problem, then my repentance and forgiveness prayer; in conclusion, I will present my plea for resolution and court-ordered restitution.

I understand the importance of praying in unity as I present my plea. One of the best ways to do this is to corporately pray the prayer Jesus told me to pray. This prayer is found in Matthew 6:9-13 and will serve to spiritually cleanse me of any unrighteousness so I can stand before the Judge to present my petitions.

Let's join together and pray the model prayer (using sin and sins in lieu of trespass and trespasses).

My Father in Heaven, may Your name be kept holy. ¹⁰ May Your Kingdom come soon. May Your will be done on earth, as

it is in heaven. ¹¹ Give me today the food I need, ¹² and forgive me of my sins, as I have forgiven those who sin against me. ¹³ And don't let me yield to temptation, but rescue me from the evil one. (NLT)

Let me go into the courtroom now and present my case.

Thank You for the honor of allowing me to come into Your courtroom. I know the form of intercession You always endorse and grant favor upon is when Your people recognize their wicked ways, humble themselves, and repent. You then extend forgiveness, grace, and mercy and will release healing.

I want to present this Scripture as evidence of Your faithfulness:

2 Chronicles 7:14; If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.

I thank You that in the Bible You welcome and encourage me to come into Your courtroom and state my case. As I repent and ask forgiveness I can get the records cleared and You are willing to defend me and help me win my spiritual battles, which will give me the victory in the physical realm. You say in Isaiah 43:25-26:

I, even I, am He who blots out Your transgressions for My own sake; and I will not remember Your sins. ²⁶ Put Me in remembrance; let us contend together; state Your case, that You may be acquitted.

I thank You that You have subpoenaed the accuser of the brethren so that he will be a witness today of these divorce proceedings.

In this case today I use as an example and reference point of proper intercession that found on behalf of Your people in Daniel 9:10.

Daniel found himself as a slave who was a believer, living in a Babylonian society with no rights to worship his God freely the way that he wanted to. He didn't complain to God about the injustice but humbled himself and repented and asked forgiveness for his sins and the sins of the nation of Israel. God listened and acted on his behalf.

At this time, I come before You as Daniel did, in humble repentance. I do not come before Your bench to complain about injustices against me for what my forefathers were guilty of. I am not here to take the role of the accuser of what they did wrong, but I am here to repent for a turning away from Godly ordinances and statutes, and living in disobedience and rebellion to my God. I ask that it be placed in the record that I forgive my ancestors for their actions, which have caused consequences and repercussions that I am struggling with today.

I ask that the intercession for my family and all of its issues that are connected to these different forms of Baal all be put into one case, a class action suit. I know the accuser or prosecuting attorney (hasatan) has been convicting me of sin and getting judgments against me personally and the people connected to my family, which has placed this family and its members in bondage.

I don't know exactly when this marriage of the perversion of truth began in history, but I am asking that the record go back to the earliest foundation or the original place where the turning away and

embracing the doctrine of demons began, and include every violation up to now in this case.

Prayer Point 1

[Matthew 12:24 reveals that Beelzebub is another name for Baal. Baal-hamon, one of Baal's names, means "the lord of wealth or abundance." Dutch Sheets and Chuck Pierce agree that this is the principality warring against the great transfer of wealth to the church. I must effectively overcome this spirit to see my inheritance released.]

Charge 1

The Accuser's Argument Against Me

He has sinned by investing in the kingdom of darkness in many ways that I the deceiver and accuser have cleverly devised to obtain guilty verdicts against him/her. Therefore, I have been able to get a judgment to get their inheritance withheld from them.

My strength that I use against You and them is because they break Your laws.

1 Corinthians 15:56 says; *'The sting of death is sin; and the strength of sin is the law.'*

My Response to the Charge

Your Honor, I admit my guilt, and I stand on my behalf, repenting for the sin of investing any money through the products I buy and the businesses that I allow to come into this region (such as casinos) that help to promote the activities of this principality named Baal and give him the right to steal my finances.

I ask that You forgive me my sin and cover me with the Blood of Jesus. I ask for the Freedom of Information Act to be applied to this case. I ask that truth will be revealed at a personal level to those who are being deceived. I ask for all corruption to be exposed and dealt with to bring about Godly change in my life.

As the Freedom of Information is loosed over my inheritance which consists of people and those You have called to come out of the darkness, the scales that have been over the eyes of my understanding and their understanding will fall away, and the veils of deception will be cast off. I will see Your truth, embrace Your truth, and walk in Your truth.

Please move this case that the enemy has been lawfully binding me to, and thereby enforcing judgments against me from the Courtroom of Heaven to the throne of Your Grace and Mercy, loosing me and others whom he has been holding captive through sin, removing the legal rights of Baal and any other foreign god involved in this hindrance.

I petition You to release my inheritance and the great transfer of wealth You have in reserve for Your church. My accuser will no longer have a case. He has to release the captives.

Jeremiah 51:44 states:

I will punish and judge Bel (or Baal) [the handmade god] in Babylon and take out of his mouth what he has swallowed up [the stolen sacred articles and the captives of Judah and elsewhere]. The nations will no longer flow to him. Yes, the wall of Babylon has fallen down! (AMP)

Prayer Point 2

[Baal-berith, another of his names, means "the lord of the covenant." The Hebrew word Baal actually means "husband" or "marriage." This spirit always attempted to cause Israel to "divorce" or break covenant with God and "marry" or align with him. Consistent with this, in so many ways, America has broken covenant with God and married Baal. This is the strongman behind most covenant-breaking.]

Charge 2 **The Accuser's Argument Against Me**

Many of those who call themselves by the name of the Lord God Most High have repeatedly committed spiritual adultery against You by not taking Your ordinances and laws seriously. Many are guilty of committing adultery amongst themselves or participating in pornography, so I am able to prosecute them for their sin of breaking covenant with You and with each other. I capture them through their sin and entice them through many devious means to break covenant in their earthly marriages.

My Response to the Charge

I admit to this sin that has influenced me as an individual and even as a nation. My adversary has been successful in his quest to divide and effectively move me out from under Your covenant protection due to sin which opens the door for him in my life. He is at work destroying my covenant relationships with others and between me and You. Government statistics of the divorce rate prove he has been successful.

Personal Confession

I repent and ask forgiveness for this great sin I have committed against You and against others. I ask that You will cover this sin I have committed with the blood of Jesus.

I petition for a judgment declaring the granting of an immediate termination of this marriage to Baal. I request a divorce, a cutting off from him in every area.

I ask You to grant a season of time during which You will release a spirit of revelation of truth and conviction upon me, during which time my understanding will be opened and my heart made ready for the Gospel in full measure. I also request a spirit of repentance that will bring a harvest of salvations and born-again experiences to my region.

I pray for a revival of Your Holy Spirit and the gifts of the Holy Spirit to manifest which will assist in the harvest. I ask that You grant me insight and wisdom as You begin to manifest Your presence in a greater way in my midst. Amen.

I agree with 1 John 1:9:

If I confess my sins, He is faithful and just to forgive me my sins and to cleanse me from all unrighteousness.

I am the Bride of Christ. I ask for my marriage to Jesus Christ be reestablished. I understand I am in the process of being cleansed and restored to my rightful place of honor before my king. I agree to turn my heart fully toward the plans and purposes You have for me. I am dedicated to performing Your will for my life agreeing to the transformation process that You have planned which will seal me as a covenantal people with You.

Prayer Point 3

[Baal is the strongman behind sexual perversion. Homosexuality was and is one of his big strongholds. I believe all of the sexual sin and perversion in America is, to one degree or another, under Baal's orchestration. I will continue to see God expose leaders in the church who have aligned themselves with this spirit. I pray for the church to be cleansed and for Baal's hold on America in this area to be broken.]

Charge 3

The Accuser's Argument Against Me

There may be times when he/she doesn't really care about what the Bible or the Judge in this courtroom has to say about homosexuality

or other forms of what the Bible says is sexual perversion. He/she even call themselves a Christian.

I have been able to spread my perversion in many ways through most forms of media. My agenda is marching on. This state is passing laws including the legality of homosexual marriage which is my counterfeit marriage arrangement. Laws are being passed in favor of all kinds of gay and lesbian rights. Even church leaders are turning away from the truth. My goal is for You to give them up to me. Your Word is clear this lifestyle is a sin.

As evidence I present Romans 1:26-28:

For this reason God gave them up to vile passions. For even their women exchanged the natural use for what is against nature. ²⁷ Likewise also the men, leaving the natural use of the woman, burned in their lust for one another, men with men committing what is shameful, and receiving in themselves the penalty of their error which was due. ²⁸ And even as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting.

So you see that I am working within my legal jurisdiction.

My Response to the Charge

I agree that the accuser has been at work in me. My goal is to remove his legal rights from me in this area also. I know I can do this through repentance and asking forgiveness. I stand in the gap right now repenting on behalf of the sin I have committed against You by living and promoting the homosexual, gay and lesbian,

transgender lifestyle. I ask forgiveness for this great abomination toward You.

Personal Confession

I thank You Lord that You have a plan to turn this into a testimony for Your goodness and mercy.

I, like Jeremiah, was sealed by You before I was ever born. Jeremiah 1:5 says:

I knew You before I formed You in Your mother's womb. Before You were born I set You apart and appointed You as my prophet to the nations.

I remind You now of those who, according to Your Word, are in the camp of the enemy as captives. I petition You for all those who have been stolen from Your purposes. I petition You Lord to send Your host to recover Your lost children.

Jeremiah 3:22 says:

'My wayward children,' says the LORD, 'come back to me, and I will heal Your wayward hearts.' 'Yes, we're coming,' the people reply, 'for You are the LORD my God.' (NLT)

I also target my petition toward those who are now promoting the homosexual agenda who have large media platforms. I petition You, and thank You ahead of time that You are going to bring them into the Kingdom of God.

Your will is that none perish but have everlasting life. Lord, help them in their unbelief. I set my faith that they will get saved and born-again and be filled with the Holy Spirit. Their lives will be

turned around to promote the truth and a Godly agenda and be used to set countless numbers free.

I find it interesting that they have chosen the rainbow as their object of identification. According to Your Word, the rainbow is Your symbol given to me of Your faithfulness. I recognize that this is a prophetic statement they are waving over themselves. By their actions, as they wave their banners, they are claiming a restoration to a Godly covenant over their lives. I can be encouraged that You will be faithful and cleanse them of sin and restore them to their rightful place in Your Kingdom.

I ask You to perform an emergency intervention as only You can orchestrate.

I ask for forgiveness and a washing with the blood of Jesus over this terrible sin.

I ask that I be moved from judgment to the throne of Grace and Mercy where You will extend a season of grace and mercy over me so that the laws can be changed.

Help show me what to do to get these perverse laws repealed from the books.

Prayer Point 4

[Baal always goes after the next generation, trying to cut off the extension of God's covenantal purposes. He is a violent spirit and even required human sacrifice. Abortion is under Baal, as is the "cutting" of today's young generation, (see 1 Kings 18:28), the Vampire and Goth movement, and the death

culture, in general, that has so invaded America. Baal is leading the fight to avert the great awakening planned for the young generation of Americans today. Pray against and get these efforts bound. Witchcraft and occult spirits, in general, operate under Baal. So does Jezebel.]

The Accuser's Argument Against Me

He says:

I am working within my authority. This region allows legalized abortion by state law. I have been able to legally cut out whole generations. This is a form of human sacrifice that I am promoting today. I am stealing the youth of this region for my purposes. My projects of witchcraft and occult promotion are going well. Most people don't bother me as I go about my business.

My Response to the Charge

As a believer, I am grieved by the legalization of abortion. As a taxpayer, I share in the blood guilt that cries out for judgment. I can see the hand of my accuser using this legalization to also attempt to kill the youth off through suicide, drug use, or other means.

Personal Confession

I repent on behalf of the sin of abortion and ask forgiveness for that sin.

I repent for the loss of destinies and purposes that have occurred in the earth as a result of this great sin.

I ask that You hear my plea and help me as You move my case from judgment to grace and mercy for a season in time where You will help me to employ strategies to get my laws changed. Bless and promote the agenda and finances of those who are fighting to get these laws changed. Remove the veils off of my lawmakers' and voters' eyes and empower me by Your Holy Spirit to support the move to get my laws changed so abortion will no longer be legal.

I ask You to invade the camp of the enemy with Your Host of Heaven. Arrest and prosecute those who are practicing and promoting witchcraft and the occult in my region. I am standing in the gap repenting on behalf of this sin in my region and asking forgiveness. I ask for Your Glory to invade my region, wash me clean, and heal my heart, mind and land. Amen.

[I have a representative from the younger generation who would like to offer a plea in the court.]

Ambassador of the Younger Generation

Dear Jesus, I stand before You as a representative for those who are of this younger generation. I humbly stand in the gap, repenting for the sins that are recorded as charges against me in the courtroom of Heaven. I especially ask forgiveness for the sin of rebellion and disobedience I have committed against You, my parents, and those in authority over me, which has allowed a curse to come upon me.

I forgive my parents and others who have sinned against me. I ask for a spirit of reconciliation and healing to come upon me. I ask You

to turn the hearts of the fathers to their children and the hearts of the children to their fathers.

I thank You, Father God, that Your Word says children are a heritage and a gift from You. You say the fruit of the womb is Your reward. I stand in the gap repenting on behalf for the sin of abortion among the younger generation and ask forgiveness for that sin which has given the enemy a legal right to go after this generation.

Our enemy is blinding me to the truth due to the sin I have committed. He has placed a veil over the eyes of my understanding. Some of Your children are overwhelmed with discouragement, believing the lie that says they can't get out of bondage they are under. This is causing untimely deaths of young people through drug overdose, suicide, and self-hatred.

I ask You for a spirit of salvation to be loosed in my region for my younger generation. Help me to be fruitful for Your Kingdom. As I am forgiven for my sins, cover me with the Blood of Jesus Christ. Stir up the gifts of the Holy Spirit among me. Baptize me with a new baptism of fire that will burn out all the bondages and set me on fire for Your Word. Please move any case the enemy has had against me to the Throne of Grace and Mercy.

I ask You to place me in protective custody during the season in which You will remove the veils and scales from off of my eyes, and I will see the truth, embrace the truth, and walk in Your truth. Amen.

I confess what You say You will do for me in Isaiah 49:24-25

Shall the prey be taken from the mighty, or the captives of the righteous be delivered? ²⁵ But thus says the LORD: "Even the

captives of the mighty shall be taken away, and the prey of the terrible be delivered; for I will contend with him who contends with You, and I will save Your children.

Thank You for hearing my plea on behalf of the younger generation and answering my prayer as You answered Daniel who was a man of the younger generation.

I will read what the answer to Daniel was as he prayed as I have prayed.

Daniel 9:20-23: Now while I was speaking, praying, and confessing my sin and the sin of my people Israel, and presenting my supplication before the LORD my God for the holy mountain of my God, ²¹ yes, while I was speaking in prayer, the man Gabriel, whom I had seen in the vision at the beginning, being caused to fly swiftly, reached me about the time of the evening offering. ²² And he informed me, and talked with me, and said, "O Daniel, I have now come forth to give you skill to understand. ²³ At the beginning of your supplications the command went out, and I have come to tell you, for you are greatly beloved; therefore, consider the matter, and understand the vision.

I remind You and remember the results of Daniel's prayers of intercession. I agree with Your Word that says: Your purpose shall be established, and You will do all that pleases You for me. This applies to me today.

Psalm 103:20 says the angels hearken to the voice of the Word, and go forth to perform it. As I have presented my repentance and received forgiveness, then quoted the Word after each point; the

angels present heard the voice of the Word and are going forth to perform it in my family.

Isaiah 46:9-10 says:

Remember the former things of old, for I am God, and there is no other; I am God, and there is none like Me, ¹⁰ declaring the end from the beginning, and from ancient times things that are not yet done, saying, 'My counsel shall stand, and I will do all My pleasure.'

Facilitator

That concludes my prayer petitions and decrees portion of the courtroom session concerning the 4 prayer points I was instructed to present for my family. I know according to 1 John 5:14-15 that the divorce decree has been granted to me as an individual as well as the reestablishing of my covenant to the King of kings, Jesus Christ my Bridegroom.

Before I conclude, I still have some courtroom business to attend to.

Addressing My Accuser

Now the Judge would ask me if I have anything to say to my accuser and I respond by saying 'Yes Your Honor. I will quote Your Word to him which is high praise to Your ears and by doing this, I will make him Your footstool.'

Personal Confession

The Lord says that my adversaries shall be clothed with shame.

You shall cover your own self with confusion as with a mantle.

My Lord says in His Word that His hand shall find each and every one of my enemies; He shall make you as a fiery oven in the time of His anger.

He shall swallow you in His wrath, and His fire shall devour you.

Your fruit shall be destroyed from the land, and your bad seed from among the children of men.

You have intended evil against me; you imagined a mischievous device which you are not able to perform.

My Father will destroy your schemes and confuse your tongues.

You shall be confounded and put to shame.

You shall be turned back and brought to confusion because you have devised my hurt.

You shall be as chaff before the wind, and the angel of the Lord shall chase you.

Your way will be dark and slippery, and the angel of the Lord shall persecute you.

My Father says in His Word, Behold, I will plead your case and take vengeance for you. Psalm 109:29; Psalm 21:8-11; Psalm 55:9; Jeremiah 51:36

I will thank my Father the Righteous Judge, Jesus the Son, and the Holy Spirit for hearing my case and ruling in my favor.

Scriptures to Quote to the Judge Corporately

Lord God, You have established Your throne in Heaven, and Your Kingdom rules over all.

For You, Lord, are my Judge and Lawgiver; You are my King; You will save me.

Our soul shall be joyful in You. I shall rejoice in Your salvation.

Be exalted oh Lord in Your own strength. I will sing and praise Your great power.

I thank You, Father, for Your great mercies that You have not withheld from me.

May Your loving kindness and truth continually preserve me.

Thank Jesus for making it possible to enter the courtroom of Heaven and plead my case.

Dear Jesus, thank You for Your loving sacrifice for me. You died so I could be free.

I will strive with the help of the Holy Spirit to walk in love toward others as You loved me,

I will not judge and I will extend grace and mercy as You extend grace and mercy to me daily.

I ask that I could become more like You every day. When others see me they will see You.

Help me to desire the meat of Your Word, which as I read it, I will be washed clean. Teach me Your ways.

Thank You, Lord, for listening, and for helping me walk deeper in faith and be bolder in prayer. Bless Your Holy Name. Amen.

Thank You Holy Spirit; I thank You for Your presence on this earth. You surround me with Your presence; You inhabit my being.

You comfort and encourage me during times of trouble in my life.

You bring divine revelation to me as I need it. You bring all things to remembrance to my mind.

You reveal treasure hidden in deep places when I least expect it, especially Scriptures that I have read in the past, but can't recall.

You have perfect recall and love to help me out, and I thank You for that.

You are the light that is within me that releases Your Glory and casts out darkness.

Thank You for lighting my path and divinely directing me every day.

Bless You for all that You do that I do not recognize as Your work in my life. Amen.

[Now, step into the Court of Scribes and obtain the verdict just rendered, then step into the Court of Angels and request angelic dispatch for the orders and instructions of the verdict rendered.]

Apostolic Blessing

May the Lord bless me, members of the Kingdom of God and bride of Jesus Christ, with the fullness of His blessings as I keep my marital commitment to Christ by abiding in Him, submitting to Him, and honoring Him with sincere reverence and humble service.

I declare that as I submit to His lead, He will submit to my need. Bless me, Father, with full marital rights which will impregnate me with vision, leading to holiness and multiplication. I ask You this day to translate me from shame to favor.

Bless me, I pray, as I seek Your face. Amen.

Chapter 36

Petition of Divorce from the Moon God

(also called the sin god)

In divorcing the moon god, we are completing the necessary divorce procedures. The Divorce from Baal (the sun god) coupled with the Divorce from the Moon god (allah) should bring you into a new level of freedom in your life. This also can be applied for your region or territory.

On the following pages, you will read the various ways the moon god has impacted our lives and how it got entrance into our lives. Interspersed in the teachings by Jeanette Strauss and Doug Carr are prayers of repentance as well as petitions. If performing these prayers in a group, the Compiled Prayers section contains only the prayers of repentance and petitions.

May you enjoy new levels of freedom in your life from this day forward.

Jeanette Strauss, an apostolic prayer leader in Michigan, working with Apostle Doug Carr, was responsible for the Divorce Decree from Baal you may have already seen. That specific decree was the result of a prayer event they convened on behalf of their geographic region and led Jeanette to do more research. Here is what she had to say:

“That case was settled and the divorce was granted from the highest court. After praying and seeking God to see if there were any further actions needing attention, we sensed the Lord leading us to examine who the moon god is. Baal is known as the sun god so that covers 12 hours of the day, but who is the moon god who rules the night? We considered who he is, what he influences, and determined to seek to obtain a divorce from him also.

We discovered one of his names is ‘sin.’ Another more familiar name to us is ‘allah.’ Different Arab tribes gave the Moon god different names/titles. Some of the names/titles for this moon god are ‘Sin, Hubul, Ilumquh, Al-ilah’. The word ‘Allah’ is derived from ‘al-ilah’⁵⁸ allah and is identified by the symbol of the crescent moon and the star.

⁵⁸ <http://www.bible.ca/islam/islam-moon-god.htm>

As we hear the name allah our minds might go to the Muslim nations and their symbol of the crescent and star, or even the name of their god allah, which is the same god as the sin god. We tend to think this is the god of the Middle East region but Americans are tied in a very real and active way to this moon god.”

Apostolic leader Doug Carr joins in:

“The Lord opened portals of revelation for me as I prayer walked on in mid-April a few years ago. The moon was very bright and I could see the road, the outline of trees and shrubs, and the silhouette of geese on the river. I knew I was walking in the lesser light of the moon, rather than the greater light given to govern the day. Even before I started walking, I sensed how the moon god tries to deceive individuals and regions to walk in his lesser light.

As Baal is god of the sun, Allah is the god of the moon. God created the moon as the lesser light to govern the night. Sin and Satan have defiled such governance so people, including Christians, are often governed by the lesser light of darkness rather than by seeking and walking in the Light of God the Father, God the Son, and God the Holy Spirit.

The moon god(s) cause us to walk in lesser light. Under his influence:

- We do not seek God’s light on WHY things are the way they are.

- We settle for less than best, giving in to entitlement's bondage, rather than seeking God's solutions for poverty, violence, hatred, and the like.
- We submit to oppressive rule rather than seek the greater light and freedom from Jehovah Himself. This is true of nations under dictatorial rule, as well as individuals under dictatorial rule in homes, churches, society, and workplaces.
- People under the influence of the moon god would rather have other people fix their problems, even if it leads to bondage, rather than seek solutions from the Lord.

The moon god hinders people from seeking God's Greater Light through:

- The Word of God. (2 Timothy 2:15, 3:16-17)
- The Wisdom (heavenly wisdom) of God. (James 1:8; 3:13-18)
- The Word of revelation (voice of creation). (Romans 1:20b)

Sluggards do not go to the ant, to learn how to be self-sufficient. Instead, they rely on others to rescue them and provide their needs: Rather than asking God how to take better care of their bodies, they expect doctors or faith healers to repair the damage they bring on themselves, etc. (Proverbs 6:6-11)

The twofold witness of God is the voice of conscience (Romans 1:20a) and the inner voice of adoption (Romans 8:15)

People look to others for personal revelation rather than to God. Rather than seek God for themselves they rely on prophets and the Elijah List or other means.”

Ways the Moon God Works

The Moon God Exploits the Power of Secrecy

By keeping things hidden (occult, Masonic, etc.), the moon god is able to continue sin patterns and destroy lives. We see family secrets as well as church secrets. A pastor is a perpetrator but rather than disciplining the perpetrator, they excommunicate the victim.

In another church, a gay pastor who oversees a daycare was accused of inappropriate behavior. Rather than addressing the inappropriate behavior of the pastor against children in a church daycare, the church fired those trying to address the concerns.

The Moon God Partners with Allah

The Moon god partners with Allah to make people passive so they will not seek God for their own answers. Rather than seeking why sickness lingers, they expect medicine or faith healers to take care of their problems. Rather than learning to resist the devil and make him flee, they expect deliverance ministers to fix them.

The Moon God Seduces

Moon god seduces believers to hide SIN and secretly continue in it, rather than confess it and repent of it.

The Moon God Oppresses Women

The Moon god oppresses women and covers their beauty and potential in life and ministry.

The Moon God Distracts

The moon god covers the power of a multitude of sins by distracting focus from personal responsibility. A few terrorists bomb two churches on Palm Sunday, and the whole world reacts because of the magnitude of the damage. Around 49 people were killed and 100 injured. Compare that to the multitude of people under the influence of moon gods in local churches. They expect someone else to provide for their families, their medical needs, their housing, their education, and everything else from birth to burial. Their mistaken allegiance to the agenda of the moon god goes unnoticed, and by the power of being hidden, they destroy more churches, families, neighborhoods, and communities than the ISIS terrorists behind the church bombings. They continue to rob, steal and destroy families, communities and nations because they passively give in to the seduction of the moon god rather than seeking the greater light of Christ. We will cover any connection we may have to this lesser light moon god before we conclude our court case.

These important issues that occur due to living in this lesser light and other symptoms of the curse due to the moon god being active in our generational blood lines are what we will take action on. Not only are many walking and struggling along in the lesser light not understanding what is really going on, but many believers have been unwittingly snared and are being harassed by this moon god.

Being a Legal Heir

Some are suffering adverse consequences due to someone in their bloodline who pledged themselves to this foreign god by decreeing certain required oaths and vows of faithfulness to this god without fully realizing what they were doing. We are speaking of the different organizations of secrecy that people can think are a good thing because they do good things to help people, and they display a lot of religious articles so people can be deceived. They use crosses in their ceremonies as well as Bibles.

Pledges of Loyalty Unto Death

Most of us understand that if a vow is sworn to a foreign god, this brings a curse that allows demons the right to attack the person involved and their bloodline. Some of you here may recognize symptoms of illnesses or physical afflictions that have become resident in your families as you read the oaths and vows a relative may have spoken over themselves when joining one of these organizations that are under the

jurisdiction of the moon god allah; these oaths require a person to pledge their complete loyalty to the point of death.

A Curse Without Cause

The Word says that a curse can come on a person if it has a legal right or a cause. These curses will exercise their legal right to alight and attach firmly, then begin the journey down the generational bloodline. It only will get stopped effectively when the root cause is repented for and forgiven by God, and then the curse revoked.

Like a flitting sparrow, like a flying swallow, So a curse without cause shall not alight. Proverbs 26:2

Prayer of Repentance

Let's begin by praying a corporate prayer of repentance, in general, but not a specific prayer for now. This is important to do before we get into facts in this case against the moon god. It is possible that the enemy has a veil over our eyes and we can't see the deception we could be struggling under so we do this so veils come off before we begin.

Dear Heavenly Father, I stand before You today in the Courtroom in Heaven. I repent on behalf of any sin I personally have committed against You or Your Word. I confess my sins and ask You to forgive me, and cover them over with the blood of Jesus. I ask You to move any case the enemy presents against me to the Throne of Grace and Mercy

where the Lord will remove any veils that may be over the eyes of my understanding, and I will see the truth, and it will set me free. Amen.

As we present our case, we are covering our own generational bloodlines, and like Daniel in the Bible, we are called to be Ambassadors of Reconciliation for our region and territory as well as our families. We do this on behalf of those who do not know what has been spoken over them or in their own ignorance have spoken these vows and oaths themselves and been ensnared by this god, which has affected our lives. The Holy Spirit will guide a person into all truth. It's not our job to bring people into account; rather our job is to intercede.

One way we can find ourselves ensnared is if we or our ancestors have been or still are members of any of these organizations: Freemasonry, Shriners, Eastern Star, Prince Hall Lodge, or any other secret society. The validation this curse uses is the verbal oaths and vows which establish spoken covenant, followed by symbolic enactment to confirm the pledge of commitment and devotion which is performed by us or someone in our generational bloodline.

Technically these vows and enactments have been spoken and performed in front of God and witnesses just as marriage vows are. Those marriage vows are legally in force and binding until a divorce is legalized. The Bible says:

You are snared by the words of your mouth; you are taken by the words of your mouth. Proverbs 6:2.

³³ "Again you have heard that it was said to those of old, 'You shall not swear falsely, but shall perform your oaths to the Lord.' ³⁴ But I say to you, do not swear at all... ³⁷But let your 'Yes' be 'Yes,' and your 'No,' 'No.' For whatever is more than these is from the evil one. Matthew 5:33-34a, 37.

But above all, my brethren, do not swear, either by heaven or by earth or with any other oath. But let your 'Yes' be 'Yes,' and your 'No,' 'No,' lest you fall into judgment. James 5:12.

We understand many have already revoked curses, due to these organizations, but our goal is to set our regions and families free. In the process, you might see that there is a step that you may have left out in your prayers. We could be thinking we are divorced from these gods and maybe are not. I say this because of the sin god allah and certain rights connected to other entities that may have been taken without a person's knowledge.

Our purpose is to recover ourselves and our region from the snare of the devil, who has taken many into captivity without their knowledge. We will request at the conclusion for a Cease and Desist order against the sin god allah to be issued by the Judge in our region, territory, and families.

And that they may come to their senses and escape the snare of the devil, having been taken captive by him to do his will. 2 Timothy 2:24

Following is a brief overview of each one of these eight organizations and the vows they require. We will then agree with a prayer of repentance over each one of those issues

individually and renounce each of their required oaths and vows.

Who is allah?

He is the god over the Shriners, Masons and Eastern Star Orders.

Shriner Involvement

If you have a family member who was a Shriner.

The crescent moon and star is the emblem or symbol Shriners' wear proudly. To get to wear the hat and jacket with the emblems on them, one speaks vows and oaths. The hat called a Fez it has the crescent and the star.

A Shriner is given a red fez with an Islamic sword and crescent jewel on the front of it. This sword emblem originates from the seventh century when Moslems, under the leadership of Muhammad (aka Mohammed), slaughtered all Christians and Jews who would not bow down to the pagan moon god allah. It is a symbol of subjugation.

The Shriners began innocently enough, except for their link to and allegiance to the pagan moon god (note the crescent emblem) allah. Candidates for induction into the Shriners are greeted by a High Priest, who says:

'By the existence of allah and the creed of Mohammed; by the legendary sanctity of our Tabernacle at Mecca, we greet you.'

The inductees then swear on the Bible and the Koran, in the name of Mohammed, and invoke Freemasonry's usual gruesome penalties upon themselves:

'I do hereby, upon this Bible, and on the mysterious legend of the Koran, and its dedication to the Mohammedan faith, promise and swear and vow...that I will never reveal any secret part or portion whatsoever of the ceremonies...and now upon this sacred book, by the sincerity of a Moslem's oath, I here registered this irrevocable vow...in willful violation whereof may I incur the fearful penalty of having my eyeballs pierced to the center with a three-edged blade, my feet flayed, and I be forced to walk the hot sands upon the sterile shores of the Red Sea until the flaming sun shall strike me with livid plague, and may Allah, the god of Arab, Moslem and Mohammedan, the god of our fathers, support me to the entire fulfillment of the same. Amen. Amen. Amen.'

Muslim is the preferred term for 'follower of Islam,' although Moslem is also widely used.⁵⁹

With this oath, in their ignorance people who consider themselves Christians swear on the Koran, and declare Allah to be 'the god of our fathers.' From the perspective of

⁵⁹ <https://www.quora.com/What-is-the-difference-between-the-Words-Moslem-and-Muslim>

Christianity and Islam alike, Shriners take the name of God in vain, and mock both faiths.

Irrevocable Vow

Interestingly, they have to say amen three times to establish what they are agreeing to. We see an example of this in the Bible with the example of Peter. In Mark 14:66-72, he swears three times that he does not know Jesus. This indicated he needed to say something three times to emphasize that he was rejecting Christ which he did. We see that doing so even removed him from being considered a disciple by Christ himself. To be reinstated Jesus made a point to ask Peter to repeat three times that he loved him to revoke his previous denial and reinstate him in his previous position.

'...go, tell His disciples – and Peter – that He is going before you into Galilee; there you will see Him, as He said to you.'
Mark 16:7

We see that a person can be restored to Jesus and oaths forgiven, but something needs to be done about it. The vow doesn't just remove itself and the curse won't voluntarily leave either. As we pray this prayer you may see and repent for things that were not in the description of what their vows are, but are based on some original activity of this organization.

Prayer of Repentance

We come humbly before you into the Courtroom of Heaven. We understand there are many people in our region and our family bloodlines who have been corrupted by this particular type of sin.

We stand in the gap and repent on behalf of the sin committed by any people within the regions and territories represented, and any member of our generational bloodlines who have recited and agreed with these oaths and vows made to allah through the organization of the Shriners.

We renounce the oaths taken and the actions performed in any of these rites. We renounce the curses and their penalties involved in the Ancient Arabic Order of the Nobles of the Mystic Shrine. We ask forgiveness for this sin of worship of allah in this region, and ask for the blood of Jesus to cover over and cut off from any curses connected with this, our region, each of us, and all members of our generational bloodlines who are still alive and yet to come.

We renounce and BREAK this curse, and COMMAND every demon working through these curses to leave now. (Expel through blowing or coughing)

We say, "The Lord rebuke you. You no longer have any legal right to stay!"

We petition you Lord, to restore what the locust has stolen from us personally, our families, and this region.

We ask you to release the blessings and the healings you have for us.

We ask that you remove this god and his influence from our region and territory.

We ask that divine revelation will come to those who have been ensnared by this god.

We entreat you, Jesus, who are the light of the world: Speak to them in dreams and visions. Reveal your truth. We say that they will see the truth and embrace your truth and walk in your truth. Amen.

Masonic Lodge Members

1st Degree

These oaths are found in several Masonic publications, including 'Duncan's Masonic Ritual and Monitor' and 'Look to the East,' a ritual of the first three degrees of Masonry.

The oath taken by the candidate for Entered Apprentice is:

I, _____, of my own free will and accord, in the presence of Almighty God, and this Worshipful Lodge erected to him and dedicated to the Holy Saint John, do hereby and hereon (Master presses his gavel on candidate's knuckles) most hail, forever conceal, never reveal any of the secret arts, parts or points of the hidden mysteries of Masonry which may have been heretofore, or shall be, at this time, or at any future period, communicated to me as such, to any person or persons whomsoever, except it be a true and lawful brother Mason, or within the body of a just and lawfully constituted Lodge of Masons. All this I most solemnly and sincerely promise and

swear, with a firm and steadfast resolution to keep and perform the same, without the least equivocation, mental reservation or secret evasion whatsoever; binding myself under no less penalty than that of having my throat cut from ear to ear, my tongue torn out by its roots, and buried in the sands of the sea, at low-water mark, where the tide ebbs and flows twice in twenty-four hours, should I, in the least, knowingly or wittingly violate or transgress this my Entered Apprentice obligation. So help me God, and keep me steadfast (Look To The East, pp. 30, 31).

I furthermore promise and swear that I will not cheat, wrong or defraud a Lodge of Fellow Crafts, brother of this degree, knowingly or wittingly.

All this I most solemnly and sincerely promise and swear, with a firm and steadfast resolution to keep and perform the same, without the least equivocation, mental reservation or self-evasion whatsoever; binding myself under no less penalty than that of having my left breast torn open, my heart plucked from thence, and given to the beasts of the field and the birds of the air as a prey, should I, in the least, knowingly or wittingly, violate or transgress this my Fellow Craft obligation. So help me God and keep me steadfast (Ibid., p. 96).

Some members of the lodge might say they do not take these oaths seriously and do not feel bound by them. Yet, Jesus says we should not engage in false, profane or frivolous swearing. (Matthew 5:33-37)

If Masons take these oaths seriously, they stand condemned for taking such profane oaths. If they do not take

them seriously and do not feel bound by them, they still stand condemned for such frivolous swearing and using the name of God in such a manner. After making each of these oaths, the candidate is asked to kiss the Bible. This might be the reason some are fooled into thinking this is approved by God in some twisted way especially if they are a new Christian. The Lord warns us about making vows.

But above all, my brethren, do not swear, either by heaven or by earth or with any other oath. But let your 'Yes' be 'Yes,' and your 'No,' 'No,' lest you fall into judgment. (James 5:12)

Repentance Prayer & Petition

We renounce and command this curse and any and all accompanying demons to leave now. You no longer have any legal right to stay.

I petition You, Lord, to remove the veils off of the eyes of the understanding of those who are snared and netted by the enemy and are still active in this organization. Show them the truth.

We ask for a freedom of information act to be released even through the media about the truth of these organizations, and other things that have been hidden by this god, allah.

We pray for the seed of Abraham who live in our area to be awakened to the truth through any means You want to employ as the one true and living God.

We thank You for the salvations and revival that will occur as You grant us our divorce from this god.

We ask You to restore what the locust has stolen from me personally and to the rest of my family the blessings and the healings that You have for us. Amen.

2nd Degree

The candidate for Fellow Craft (Second Degree) makes a vow similar to that taken by the Entered Apprentice

We cut off emotional hardness, apathy, indifference, unbelief, and deep anger from this region, and my family and me.

In the name and through the blood of Jesus Christ, we pray for healing of the chest/lung/heart area and also for the healing of emotions, and ask to be made sensitive to the Holy Spirit of God.

As we renounce these oaths and vows and command this curse and its demons to leave, they have to go. They no longer have a legal right to stay.

We petition You, Lord, to restore what the locust has eaten from the people of our region, me personally and the rest of my family the blessings and the healings that You have for us. Amen.

We renounce the Spirit of Death from the blows to the head enacted as ritual murder, the fear of death, false martyrdom, fear of violent gang attack, assault or rape, and the helplessness of this degree.

We renounce the falling into the coffin or stretcher involved in the ritual of murder.

We renounce the false resurrection of this degree because only Jesus Christ is the Resurrection and the Life!

We also renounce the blasphemous kissing of the Bible on a witchcraft oath.

We renounce and cut off all spirits of death, witchcraft and deception.

In the name and through the blood of Jesus Christ we pray for the healing of the stomach, gall bladder, womb, liver and any

other organs of our body affected by Freemasonry. We ask for a release of compassion and understanding for our family and us.

31st Degree

Repentance Prayer & Petition

We stand in the gap and repent on behalf of any member of our generational bloodline, and any who live in our region and territory or who will reside here in the future who have recited and agreed with these oaths and vows.

We ask forgiveness for this sin of worship of the foreign god allah and ask for the blood of Jesus to cover over and cut us and anyone else involved from all curses connected with this off from the consequences and heal us and others involved.

We renounce the oaths taken and the curses involved in the thirty-first degree of Masonry, the Grand Inspector Inquisitor Commander.

We stand in the gap and repent on behalf of any member of our generational bloodline and any who live in this region and territory or who will be residing here in the future who have recited and agreed with these oaths and vows.

We ask forgiveness for this sin of the worship of the foreign god allah and ask for the blood of Jesus to cover over and cut us and anyone else involved from all curses connected with this.

We renounce the oaths taken and the curses involved in the thirty-second degree of Freemasonry, the Sublime Prince of the Royal Secret.

We renounce masonry's false trinitarian deity AUM, and its parts, Brahma the creator, Vishnu the preserver and Shiva the destroyer.

We renounce the deity of AHURA-MAZDA, the claimed spirit or source of all light, and the worship with fire, which are an abomination to God, and also the drinking from a human skull in many Rites.

33rd Degree

Repentance Prayer & Petition

We stand in the gap on behalf of anyone in our generational bloodlines, and anyone in our region and territory who have

spoken and rehearsed these vows and oaths, and we ask forgiveness for this sin.

In the name of Jesus Christ, we renounce the oaths taken and the curses involved in the supreme Thirty-Third Degree of Freemasonry, the Grand Sovereign Inspector General.

We renounce the secret passwords.

We renounce all of the obligations of every Masonic degree, and all penalties invoked. We renounce and utterly forsake The Great Architect of the Universe, who is revealed in this degree as Lucifer, and his false claim to be the universal fatherhood of God.

We renounce the cable-tow around the neck.

We renounce the death wish that the wine drunk from a human skull should turn to poison and the skeleton whose cold arms are invited if the oath of this degree is violated.

We renounce the three infamous assassins of their grand master, law, property and religion, and the greed and witchcraft involved in the attempt to manipulate and control the rest of mankind.

In the name of God the Father, Jesus Christ the Son, and the Holy Spirit, we renounce and break the curses involved in the idolatry, blasphemy, secrecy, and deception of Freemasonry at every level, and we appropriate the Blood of Jesus Christ to cleanse all the consequences of these from our life.

We now revoke all previous consent given by us, or any of our ancestors, or anyone in our region or territory to be deceived.

We renounce the All-Seeing Third Eye of Freemasonry or Horus in the forehead and its pagan and occult symbolism.

We renounce all false communions taken, all mockery of the redemptive work of Jesus Christ on the cross of Calvary, all unbelief, confusion and depression and all worship of Lucifer as God.

We renounce and forsake the lie of Freemasonry that man is not sinful, but merely imperfect and so can redeem himself through good works.

We rejoice that the Bible states that we cannot do a single thing to earn our salvation, but that we can only be saved by grace through faith in Jesus Christ and what He accomplished on the Cross of Calvary.

We renounce all fear of insanity, anguish, death wishes, suicide and death in the name of Jesus Christ.

Jesus Christ conquered death, and He alone holds the keys of death and hell, and I rejoice that He holds my life in His hands now. He came to give me life abundantly and eternally, and I believe His promises.

We renounce all anger, hatred, murderous thoughts, revenge, retaliation, spiritual apathy, false religion, all unbelief, especially unbelief in the Holy Bible as God's Word, and all compromise of God's Word.

We renounce all spiritual searching into false religions and all striving to please God. We rest in the knowledge that we have found our Lord and Savior Jesus Christ and that He has found us.

We will burn all objects in our possession, which connect us with all lodges and or cultic organizations, including Freemasonry, witchcraft and Mormonism and all regalia, aprons, books of rituals, rings and other jewelry. We renounce the effects of these or other objects of Freemasonry, such as the compass, the square, the noose or the blindfold, or the apron have had on me or my family, in Jesus Name.

Chapter 37

Conclusion

Although working through this book has taken quite a bit of time, we believe the freedom you and your family and succeeding generations will experience will have been well worth the effort. Those in our family line who got involved in Freemasonry did so over a period of time. Getting free would require concerted effort on our part. That is where this book comes in.

It has been our prayer that this book will bring you to new levels of joy and freedom. Physical and mental afflictions will be exiting your life as you walk out this new found freedom. I would recommend you finalize all of this prayer work with the partaking of Communion. It has been your request as you work through this book that your DNA would be remolded to reflect the DNA of Jesus. Communion helps complete that process. May you and your generations find great joy in your newfound freedom.

Please share your testimony of freedom with your friends and family and help them work through this process.

Although time intensive, it is well worth the effort. Many blessings upon you as you go forward in your life!

Dealing with Additional Diseases and Conditions

Having read through these additional disease and conditions you may have recognized some that you have dealt with personally or are part of your family history. Because they do not seem to be tied to any particular degree level, they are however likely tied to Freemasonry in general. We want freedom from these issues.

Having gone through the 33 degrees covered in this book we can simply do what amounts to an addendum to the court cases already presented. Here is an example of what you might do:

Just Judge, I request that I might bring before you these additional diseases and conditions I have identified as affecting me and/or my family. I have repented for my and my ancestors involvement in Freemasonry and ask your forgiveness. We have renounced our involvement and request a verdict of release from the captivity of these diseases and conditions.

[Once a verdict has been rendered, then step into the Court of Scribes to receive the paperwork for this verdict, then into the Court of Angels for angelic dispatch to handle the orders involved in the verdict.]

Description

Few organizations in human history have integrated themselves at every level of society like Freemasonry. Although it touts itself as not being a “secret organization” but rather “an organization that has secrets,” the result is the same. Men (and women in certain sectors) take oaths to demon gods that bind them, their families, and their future generations to covenants and verdicts that bring destruction on their entire bloodlines. The insidious nature of how these organizations—the Scottish Rite, the York Rite, Shriners and their many offshoots and entanglements (including the Illuminati) were borne in the councils of Hell.

This book will help unveil the false verdicts that empower the resulting curses that, on every level of one’s life, bring ultimate destruction or fear of destruction. The oaths have bound once honest men to dishonesty, treachery and even murder. Outsiders, who look at the various oaths and entanglements often wonder what would make men take oaths such as those required by Freemasonry—why would otherwise sensible men do so?
