Step 2:
Learn to Compete

- Level 7 - (2 or 3 years)
- Level 9 – (2 or 3 years)
- Level 10 – (2 or 3 years)

Step 3:
Let your talents shine!

Parents!

How can you help your athletes build the foundation?

Your athlete must...

- Want to be **STRONG**
 - Want to **WORK HARD**
 - Want to **DO WELL**
 - Want to **BE BRAVE**

STRONG	WORK HARD	DO WELL	BE BRAVE
<p>Empower your athlete to ask their coach for “at home” strength or flexibility.</p> <p>Remind them to work hard at practice when their class does strength – it is EQUALLY, if not MORE important than the skills.</p> <p>Be a cheerleader! Strength & Flexibility is HARD work – Remind your athlete they can do it!</p>	<p>Help your athlete get to practice on time and regularly!</p> <p>Talk at home what it means to be dedicated and committed to gymnastics - what does that look like?</p> <p>Be a support system for your athlete – this is a tough sport, there will be hard days. Keep reminding your athlete they are doing awesome and keep up the hard work (praise their efforts 😊)</p>	<p>Help athletes build that confidence in the home.</p> <p>Encourage your athlete to listen to your coach and be respectful – we will help your athlete get better at this sport!</p>	<p>Encourage your athlete to overcome their fears by trying new skills and trusting their coaches!</p> <p>You are more capable than you think – go for it 😊</p>

Parents!! Please do not coach your athlete with their gymnastics.

*If you have concerns about coaching, please directly talk to the coach/coordinator.

FAQ: Competitions for Boys Team

Question #1: Can I wait to pay for my athlete until I know the meet details and when they are competing?

Answer: No. We must pay the **host gym** upfront. The **host gym** will create meet schedule based off number of registrations, teams, and athletes. That is why we won't know session details until they give it us. At that point, immediately, I will pass it on.

Question #2: Could my athlete compete on a Friday during school?

Answer: Unfortunately, yes. I know host gyms are thoughtful in trying not to schedule meet sessions during Friday day-time; however, if they need to due to the size of the meet, they will.

Question #3: How does my athlete qualify to State? Regionals? Westerns?

Answers:

- A. State – if athlete competes in ONE regular season competition
- B. Regionals (Level 4+ only) – athlete must compete at the State Championship
- C. Westerns - athlete need to place in the top percentage given by the Region. This is decided at the Regional Championships

Question #4: Do you need to pay separately for State, Regional, and/or Westerns Championships?

Answers:

- A. State – No. The state meet payment is included in the 4-meet package. If your athlete does not qualify, we will refund your money.
- B. Regionals – Yes! IF your athlete qualifies for Regionals at the state meet, you will need to pay for your athlete to attend that SAME day through the Go Flyers Website. This is something you will be able to do on your phone.
- C. Westerns – YES! IF your athlete qualifies for Westerns at the Regional meet, you will need to pay for your athlete to attend that SAME day through the Go Flyers Website. This is something you will be able to do on your phone.
