Boulder Flyers Tidbit #2:

We never require our athletes to compete, if they don't want to compete – we honor that!

We DO require our athletes to train as if they are competing:

EX: Practice routines, participate in bun night, attend meets to cheer their teammates on.

FUN FACT:

Flyers are known to cheer on all teams not just their teammates.
Let's keep that tradition going 😊

Part 2: Go Flyers! Club (GFC)

- Quick History of Go Flyers! Club
- What is Go Flyers Club?
- Go Flyers Club Website
- Questions?

What we heard from the community...

History of GFC

Established in 2016

What we learned....

- Decrease use of subsidy towards advanced programming
- Determine difference between Recreation & Competition

Recreation	Competition
Gymnastics Classes & Practice Monthly Memberships Tuition	Competing in Competitions Costs Required for Competitions

Thus inspiring.... Go Flyers! Club (GFC)

- To fundraise and coordinate finances for USAG competitive gymnastics opportunities.
 - 501 (c) (3) non-profit organization established - Go Flyers! Club (GFC) in 2016.

“Recreation“ Financial Planning: Annual Monthly Tuition Increase

- For the next 5 years, each August, rates for our team monthly tuition are scheduled to increase 6 – 10% with the goal to be within a reasonable market range, and to best support sustainable future operations.
- Once the program is within the market range - future increases will be determined by changing markets, cost of service, and inflation.
- Providing financial access to our programming remains vital to our mission of supporting the entire Boulder community in health and well-being.
 - Financial aid support will remain available for City of Boulder Residents.

2021 Annual Increase = August 23rd, 2021

	Class	Days/Week	Hours/Week	Resident	Non-Resident

Boulder Flyers Tidbit #3:

We will always work our hardest to **keep costs low and accessible** for our families.

Ways we do that:

- Stagger out competitive costs over a few months
- Research low-cost *and* fabulous uniforms/leotard

FUN FACT:

Flyers is the **most affordable** competitive gymnastics program in at least a 20-mile radius.

Questions??

Did we achieve goal?
