Youth .22 Rifle Marksmanship Program

Who: Girls and boys 9-17 years of age

What: The SHC's Youth Rifle Marksmanship Program is run by NRA Certified Instructors volunteering their time to teach the participants safe rifle handling skills, shooting accuracy and reinforcing a positive and supportive learning environment.

This first-year program involves rifle basics that include learning firearm safety, the parts and their function and basic marksmanship skills from the prone, sitting / kneeling and standing positions. This is a National Rifle Association based program.

The program will involve bookwork initially. Once that is complete, we'll get to the range.

Where: Salem Hunting Club (549 Indiana Ave. Salem, Ohio 44460)

When: Dates to be announced

Cost: \$55 per student. Includes class materials, ammo and targets

Youth .22 Rifle Marksmanship Program

Youth .22 Rifle Marksmanship Program

A parent is required to be with the participant at each session.

The first session will be announced.

Please review, sign and submit the form below along with payment made out to the Salem Hunting Club to enroll your child.

*Mail to:
Youth Marksmanship Program c/o*

For additional information, call

Participants are expected to follow the Range Rules at all times.
Repeated violations are cause for removal from the program (no tuition refunds).

I hereby agree to allow my child to participate in this program, abiding by the rules and conditions set forth (which are subject to change as needed to best serve the program).

I understand that with any shooting activity there is an inherent risk.

I agree to hold harmless, the instructors as well as the Salem Hunting Club for any injuries incurred during the program.
