

Community Report
2018-9

Sponsoring young musicians in Lincoln County, Maine

Letter from the President

It's been several years since we've provided an update to our stakeholders and we're so proud of what we've accomplished. Word is spreading to students and music teachers throughout Lincoln County and each year we receive more and more applications. We are so fortunate to be able to support our local musicians and have sponsored more than 20 thus far!

As we look ahead, we hope to be equally successful in spreading the word to potential donors as we can't do this work without the support of the community. Please help us to continue to spread the word about this meaningful program.

Jen Moore

About MML

The Moore Music Legacy (MML) is a non-profit 501(c)3 organization committed to inspiring young people, through sponsorship, to pursue their passion for music.

MML was incorporated in 2014 by Jay and Doug's family and friends to honor them and their love for music. MML seeks to awaken and nurture a passion for musical expression within children by awarding scholarships to selected students.

Some of the sponsorships provided include

- Music lessons
- Instruments / equipment
- Music camp
- Books
- Funding for other non-profit organizations with a similar mission

About Jay and Doug

Jay (1965–1998) and Doug (1970–2011) had roots in the Boothbay region. Both enjoyed their summers working with their father and uncle at Cabbage Island Clambakes and had a deep appreciation for the community.

The love that Jay and Doug had for music inspired the family to create Moore Music Legacy and support young musicians.

sponsorship
awarded

Our Impact

- To date, MML has sponsored **22** students in Lincoln County
- Over 35 awards were provided to those students
- Nearly \$19,000 has been paid out!

Testimonials

We hear often from students (and their parents) about how MML has helped them to pursue music lessons or attend music camp that they may not have otherwise been able to do. Recent comments include

“Thank you so much for the scholarship, the second year in a row! ...this means so much and takes a weight off of my shoulders!”

“We would not have been able to attend orchestra camp without your help.”

“The Moore Legacy scholarship helped me by allowing me to go to camp. I met incredible teachers, made great friends, and had an amazing time.”
