April Griffith: 5 Reasons Why You Aren't Getting to Your Weight Loss Goals -

<https://youtu.be/mu6x02bNvNI>

Many times, we are seeing ourselves through the eyes of someone else. This hinders our identity, forward motion and often times our health and wellness goals. We don't see the scale moving, we haven't seen the blood pressure, or the cholesterol drop, and we may wonder why. We have been impacted by many things in the past but it's time to move forward in these five areas.

- 1) Commit to YOU
- 2) Break the sugar addiction (including processed foods)
- 3) Increase your water intake
- 4) Get some sleep (quality and quantity)
- 5) Move your body

Dr. Elizabeth "Liz" DuBois: Healing Money Trauma -

<https://www.youtube.com/watch?v=JjXN35JfEVg>

If you have tried to manage your spending, think big about the possibilities for creating changes in your personal or company's finances, or create plans for your long-term financial future and ended up feeling PANIC and OMFG I SUCK AT THIS instead of excitement, this video can help you get over the overwhelm, fast. In this presentation, Dr. Liz excavates the X factor that has been making it difficult for you to manage your finances: money trauma. Money trauma is your nervous system's fight/flight/freeze response to thoughts and actions about money that make conversations about money, long term planning, and even "simple" actions like signing into your bank account feel paralyzingly terrifying. Money trauma arises from situations and social programming that you

picked up as a kid, both from cultural influences and the family you were raised in. In this video, Dr. Liz teaches you what money trauma is, how to identify if it is making your financial life more challenging than it needs to be, and what the heck to do about it. If you would like information on how to work with Dr. Liz 1:1 to address issues money trauma is presenting in your personal life or company, email drlizdubois@gmail.com.
