

July Event: A Division Party

It's not quite as festive as it sounds. It's almost a repotting party, but we don't know if they'll be any pots there. We've all heard how easy it is to divide orchids, but many of the basics may not have been made clear enough for us all to be comfortable dividing our own plants without direct supervision. Basically, there will be several plants that will be divided to show everybody the proper way to divide them. How to divide and repot them will be demonstrated. The trickier one, the vanda, will be divided also.

So, if anybody has a plant that they're not sure what to do with it, bring it with you to the meeting and you will be guided. If it's something that requires one or more pots, be sure to bring them, along with potting mixture with you.

Along with dividing and repotting plants, we will have the little dendrobiums (not so little any more) for sale for \$10 each, and will also have a raffle table.

The meeting will be on July 18th at 7:00pm.

VERO BEACH ORCHID SOCIETY BOARD MEETING MINUTES

Since the board is on vacation for this month and next, the June Board meeting minutes will appear in the September newsletter after we've had a chance to review and approve them.

Editors Note

Thanks go out to Jim and Melana Davison for their presentation on the Four Horsemen. Such an interesting couple, and so very knowledgeable.

Your board members will be taking the months of July and August off. But, if you have any issues that need to be brought before the board, don't hesitate to approach any one of the officers to get your issue addressed. We'll still all be in touch with each other to ensure the needs of the Society are met. You can always get through the web page or email back to the newsletter address below to contact us.

Arrangements for the Christmas Party are already underway. We'll start sharing them with you next month. We're planning on starting to take reservations in September this year.
